

This is an aerial photograph of a large residential complex, likely an apartment or townhome community. The complex features multiple buildings with dark roofs and light-colored siding, arranged around several parking lots. A road runs along the right side of the complex, and a body of water is visible in the bottom left corner. Two specific areas are highlighted in yellow: a large rectangular area in the upper left and a more irregular, elongated area in the lower right. Red location pins are placed at the corners of these highlighted areas. The text 'North Guest Lot Entrance/Exit' is overlaid on the upper left, and 'South Guest Lot Entrance/Exit' is overlaid on the lower right.

North Guest Lot Entrance/Exit
