THE ENGINEERED EYELETS

CF-NYLON
TECHNOLOGY

CF - Nylon redefines technical footwear components through the performance of carbon filler. A technology that reduces weight, maintains high mechanical performance and opens up new design possibilities.

Lockdown Performance You Can Trust

India's Leading Choice for Premium Shoe Fittings.

ABOUT US

POOJA ENTERPRISES, founded in **1992**, has been at the forefront of manufacturing high-quality PVC, silicone labels, stickers, and a diverse range of moulded plastic components. We specialize in advanced materials such as **Nylon, Polycarbonate, PVC, TPU, TPE,** and **PP,** delivering durable cosmetic and functional fittings for apparel, footwear, luggage, and—**now increasingly—specialized safety wear.**

Over decades of engineering excellence, we have earned the trust of industry leaders across fashion, lifestyle, and industrial protection. Our extensive client portfolio features respected lifestyle and footwear brands like **Bata, Lee Cooper, Woodland, Wildcraft, USPA, Comet, Levi's,** and **Tommy Hilfiger** alongside trusted global safety wear and PPE innovators such as **Delta Plus, Vaultex, Fuel, Parade, Jatago, Zeechin,** and **Triple Tee, Torp,** ETC.

Our commitment to Quality, Innovation And customer satisfaction has solidified our reputation as a reliable partner in the manufacturing sector. We pride ourselves on our ability to deliver durable, aesthetically pleasing products that meet the rigorous demands of the global market. As we continue to grow, our focus remains on pushing the boundaries of manufacturing excellence while upholding the highest standards of quality.
