Latest Medjugorje Message, March 25, 2025

“**D**ear children, in this time of grace when you are called to conversion, I am encouraging you, little children: offer me your prayers, sufferings and tears for conversion of hearts that are far from the Heart of my Son Jesus. Pray with me, because, little children, without God you do not have a future or eternal life. I love you, but I cannot help you without you; therefore, say 'yes' to God. Thank you for having responded to my call. ”

WELCOME TO JUBILEE YEAR 2025!

"Hope does not disappoint"
- Romans 5:5

WHAT IS A JUBILEE YEAR?

A jubilee year is a time of joy, repentance, and forgiveness. As the etymology of the word denotes, every jubilee year calls for rejoicing, especially in the goodness of God. Just as a person might celebrate a milestone birthday with particular solemnity, so does the Church rejoice at appropriate moments in time. In the Catholic Church, ordinary jubilee years occur every quarter century. The Holy Father can also inaugurate an extraordinary jubilee year, which Pope Francis did in 2016 under the title the "Jubilee Year of Mercy."

In the papal bull, *Spes Non Confundit*, Pope Francis inaugurated the Jubilee Year of 2025, which he named the Jubilee of Hope.

During a jubilee year, Christians cooperate with the bounty of divine grace as they strive to enter through the door of salvation, which is Jesus Christ. During

this time, the Church invites the faithful to benefit from her "treasury of grace," won by the merits of Christ. This principally occurs through conversion in the Sacrament of Penance and the remission of the temporal punishment due to sin through plenary indulgences, applied either for oneself or for others (such as deceased relatives or friends).

WHAT IS THE HISTORY OF THE JUBILEE YEAR?

In the Old Testament, the Jewish people celebrated a jubilee year every 50 years, as recounted in the Book of Leviticus (Lv 25:8-13). God intended the jubilee as a time to re-establish his chosen people's right relationship with Himself. The jubilee included the forgiveness of debts, the return of misappropriated land, liberty for captives, and a fallow period for agriculture.

In 1300, Pope Boniface VIII inaugurated the first jubilee year, or holy year, for the universal Church. The frequency of holy years changed over time: at first, they were celebrated every 100 years; later, in 1343 Pope Clement VI reduced the gap between jubilees to every 50 years, and in 1470 Pope Paul II established that jubilees would be celebrated every 25 years.

WHAT IS A HOLY DOOR?

In the Catholic tradition, the holy door represents the path to new and eternal life, which was opened to humanity by Jesus, who is himself the door to salvation. In 2025, Pope Francis will open five holy doors beginning with the holy door at the Basilica of St. Peter at the Vatican and concluding with the other papal basilicas in Rome and an Italian prison. Cathedrals will not have special holy doors as they did in 2016 during the Jubilee of Mercy. Nevertheless, diocesan cathedrals and other "jubilee sites" will serve as places of pilgrimage and pious visits for the faithful, who can gain the same plenary indulgences under the normal conditions.

"We must fan the flame of hope that has been given us and help everyone to gain new strength and certainty by looking to the future with an open spirit, a trusting heart and far-sighted vision. The forthcoming Jubilee can contribute greatly to restoring a climate of hope and trust as a prelude to the renewal and rebirth that we so urgently desire..."

Jubilee 2025
