

The Scoop – April 2022

From the Desk of Pastor Sadler

April showers bring May flowers, has been said for many years to express the abundance of rain expected during the month of April.

This April, we anticipate showers of blessings, as we experience a change in the season from winter to spring and the celebration of Lent, the Passion Week, Palm Sunday, Resurrection Sunday, and our Spring Revival.

The words of Ezekiel 34:26 speak volumes to the many blessing that God has in store for his people,

“²⁶ And I will make them and the places round about my hill a blessing; and I will cause the shower to come down in his season; there shall be showers of blessing,” (KJV).
