

## **The Scoop - February 2021**

*From the Desk of Pastor Sadler*

### *Say Their Name, Share Their Fame, and Praise His Name*

Black History is more than a month, but a continuing celebration of the lives, legacy, accomplishments, and achievements of a spectacular race of people.

I invite you to join me as we launch a year long journey honoring, reflecting, and remembering the experiences of our ancestors, elders, pioneers, and contemporary brothers and sisters of the race.

You are encouraged to participate by adding the narrative of inclusion in your daily lives by simply, *"Saying Their Names, Sharing Their Fame, and Praising His Name."*

This will help preserve and perpetuate our rich history and heritage. Most of all add value, voice, and volume to who we are and who's we are.
