Example

Good Morning, I am Sarah Smith. I attended Hill Street Middle School as an eighth grader where I was a member of the honor society and earned a 4.0 gpa. I was cheerleader captain and a member of the yearbook club. I had an opportunity to participate in youth choir rehearsal on Thursday evenings. The pandemic taught me to expose myself to new cultures and I learned to speak Chinese. During the 2021-2022 school year, I will attend Hill Street High School as a 9th grader. My goal is to remain on the honor society. I will continue with cheerleading and join a writing club. My hopes and dreams for church are continue singing in the youth choir, and outreach ministry.
