

Discussing the Facts Webinar: Eye Health

Melissa Baiyewu Toye, MHA, CHES

Community Health Educator

“The Gift of Sight”

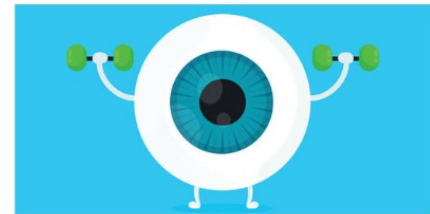

**Melissa Baiyewu Toye, MHA,
CHES**
Community Health Educator

Melissa Baiyewu Toye, MHA, CHES, is a respected public health leader and health equity strategist with more than 15 years of experience advancing community health, health promotion, and population health initiatives in the Washington, D.C. region. She has led the design, implementation, and evaluation of culturally responsive programs that address health disparities and improve outcomes for underserved communities. In her leadership role at Children's National Hospital, she directed community health improvement planning efforts and fostered cross-sector partnerships to advance health equity through education, advocacy, and systems change. Melissa holds degrees in Public and Community Health and Health Care Administration and is a Certified Health Education Specialist (CHES).
