*We ♥ our  
Volunteers*

Help us bring the magic of giving to our local kiddos! We're looking for festive, friendly volunteers to join our team of Teen Elves and help make this day unforgettable. No experience needed — just a smile, kindness, and a sprinkle of Christmas spirit!

### Volunteer Role Descriptions

#### 1. Elf Shopper (Kid Guide)

Do you love kids, Christmas, and controlled chaos? This is the role for you! Elf Shoppers walk kiddos through the store, help them find gifts, stay on budget with Elf Bucks, and keep their lists on track. Must be friendly, patient, and able to hype up a \$1 mug like it's a treasure from Santa's vault.

#### 2. Getting Gift Get Ready to go Elf

Kids will take their gifts home to be wrapped but Be part of our gift wonderland! You'll help tidy gifts, wipe off, take off price tags, print name tags, keep gifts sorted for each kiddo.

#### 3. Snack & Drink Station Helper

Keep the drinks flowing and the cookie plates filled (a crucial job!). You'll help manage the snack table, restock goodies, and make sure allergy notes are followed. Bonus points if you can give out snacks while making kids laugh.

#### 4. Craft Table / Photo Booth Elf

You'll help kids make a quick craft (under 15 minutes), keep supplies stocked, and help snap a few fun photos at our mini photo booth. Great for people who like glitter... or at least tolerate it. Friendly vibes required — creativity optional!

#### 5. Santa or The Grinch (Character Role)

Want to be the star of the show? Throw on the suit and bring the magic! Santa should be warm and jolly. The Grinch should be playfully grumpy, not "scare-the-children" grumpy. Perfect for outgoing volunteers who aren't afraid of selfies.
