Bottles on Purpose

Pre-Screening Questions

Successful completion of these questions, and a few others, are required to purchase Bottles on Purpose

1. Do you have legal and medical decision-making authority to answer these screening questions on behalf of your child?
2. Is your baby exclusively breastfeeding at least five times every day?
3. Do you have any concerns about your child's ability to breastfeed?
4. Is breastfeeding painful?
5. When breastfeeding does your child cough or choke?
6. Has your child established adequate weight gain (per the pediatrician, midwife, NNP, lactation consultant or another medical provider following your child)?
7. Do you want your child to take a bottle?
