Can I email a classified ad?

Yes, but only to this address:
classifieds@busybeaverpublicationsllc.com

Can I email my credit card information?

No. For security reasons, please do not provide your credit card details via email, fax or voicemail. You may call 800-355-2192 and provide your information in person.

I don't know what to write, can you help me?

We suggest looking at similar ads in a previous copy of the Busy Beaver. Please have your exact wording ready when you call 800-355-2192 to place a classified ad.

Can I cancel my classified ad?

Possibly. Please contact the same department where it was submitted. Keep in mind that classified ads are non-refundable.

I tried calling about my classified ad, but there wasn't an answer.

FAQ

Do I pre-pay, or will you send an invoice?

For Display Ads, you may pre-pay by check, but we typically send an invoice.

Do you take credit cards?

Yes, you may call 717-742-5230 to give your credit card info in person over the phone. *Please do not leave your personal info and credit card info on the voicemail!*

How do I qualify for a discounted ad? What are multiple-run discounts?

For a multiple-run discount, the ad **MUST** be the same size and type (black & white or color), and scheduled for specific dates in advance.

You can pick multiple editions in a row, every other edition, or specific dates within the year. Those ads are then paid for on one invoice at the time the first ad is printed.

You may change the actual file (ad) between print dates, but it is your responsibility to send anything new before the deadline date. If not, we will re-print from the previous time.

When ads are scheduled one at a time, they receive the 1-time rate.

I don't have access to email. How do I submit an ad?

Option #1: Mail a clean, hard copy of your ad for us to scan, along with the completed submission form on page 11. Pre-payment is requested with these submissions.

Option #2: If you have a designer, have them send the print-ready file to our email address. Then, call us with the info requested above. **Ads will NOT run without the advertiser's instruction.**

Will you send me a proof?

No, the print-ready file that you send to us is your proof. We will print what you send to us.

Do you layout/design ads?

In order to keep placement costs low, we do not offer design services, so ads must be submitted print-ready.

However, we will layout a very specific submission. See info about our Basic Layout Service on p. 7.

Do you send tear sheets? Will you automatically mail me a copy of the edition containing my ad?

No. We do not provide tear sheets or automatically mail copies to advertisers.

Should my ad include bleed? What is your printing process?

We do not require a bleed for digital ads. Ads should be submitted as print-ready PDF files in the exact dimensions as the size requested. Our publication is printed by web press on newsprint.

I'd like special placement for my ad. What are my options?

We do have several special premium placement options, and they vary based on the size and type of your ad. Common requests that we can usually accommodate are: Right-hand page, top of page, etc. We will not print an ad upside down.

Due to the additional handling of special placements, there is a premium placement fee (minimum of \$10 for business cards and \$20 for all other ads). For up-to-date special placement options, please contact us with your specific request.

Will you contact me when my ad "runs out"?

No. You might be interested in our Auto Renew Program. See next question.

Can I run my ad continuously, until I tell you to stop?

Yes, this is called our Auto Renew Program. Ads on Auto Renew are printed and invoiced in increments of six. They are automatically repeated until you contact us to stop the ad. Many advertisers use this option when they would like to print their ad regularly, but wish to have budget-friendly payments throughout the year.

You may send new artwork for each run.

If nothing new is received by the deadline, we will re-run from the previous edition.

These ad sizes are only available in the Classified Section. They may be printed in color or black & white.

See page 11 for a display ad form

WE RESERVE THE RIGHT TO REFUSE ANY ADS WE DEEM INAPPROPRIATE.
 We do not print political ads.
 Busy Beaver is not responsible for the outcome of products advertised within.

IF YOU DO NOT HAVE ACCESS TO A DESIGNER

You may request our **Basic Ad Layout service**. We offer this service to prospective advertisers who do not have access to a designer, computer, or are uncomfortable with technology and the construction of a basic display ad.

BASIC AD LAYOUT WORKSHEET

PLEASE NOTE: In order to keep placement costs low, we do not offer full design services, so ads must be submitted print-ready. However, we will layout a very simple ad if you submit:

1. **Text ready to cut & paste**
2. **One photo or logo (optional)**

This is a *get-what-you-get* kind of ad, where we do light text formatting, but it's a no-frills design and you will NOT receive a proof. (People often use this service for something like an item they have for sale - property, equipment, dog, etc - where they want a larger presence than a classified ad, but less work & cost than a fully designed display ad.)

*This service is **only** available when submitted **24 hours or more** before deadline.*
