NXT

TITLE SPONSOR

Congratulations to **Wells Fargo** for using their **2025 Press Pass** to serve as the exclusive Title Sponsor for our NXT Fellowship!

As the title sponsor for **Phase 1** ("the individual competition"), WF will sponsor all 3 mock interviews administered by MAP's Student Support Team. This means our NXT Fellows will simulate interviewing for future roles at Wells Fargo, with the WF brand becoming an integral part of their professional development journey.

This sponsorship significantly enhances our athletes' preparation for future interview opportunities at Wells Fargo, teaching them how to tailor their responses to specific roles and job functions under intense "game-like" conditions.

The 'Press Pass' allows companies to actively participate in our athletes' skill-building journey by serving as the title sponsor for any single fellowship. Companies can use their Press Pass 1-4 times/year based on their partnership level.

As the title sponsor for **Phase 2** ("the team competition"), Wells Fargo is fully committed to supporting a unique learning experience for our athletes. This experience will allow the top performers from Phase 1 (our "5-star recruits") to come together in **small teams**, each with a unique blend of skills and perspectives, to tackle a complex business problem currently affecting the bank.

Our approach involves strategically placing our **5-star recruits** into multiple teams of 6—each comprising individuals from different schools, sports, and backgrounds—to ensure everyone's unique perspective is heard and valued. This diversity fosters a multi-dimensional approach to problem-solving that mirrors the collaborative work environment at Wells Fargo.

Together, our NXT Fellows will develop a detailed 3-year transformation strategy to rethink how Wells Fargo can create a more inclusive, accessible housing system through one of three key areas: (1) Access and Resident Support, (2) Construction and (3) Financing. All teams will virtually deliver their final presentations to Wells Fargo's leadership team on **Monday, March 23rd**.

As the title sponsor for **Phase 2** ("the team competition"), Deloitte is fully committed to supporting a unique learning experience for our athletes. This experience will allow the top performers from Phase 1 (our "5-star recruits") to come together in small teams, each with a unique blend of skills and perspectives, to tackle a complex business problem currently affecting the firm.

Our approach involves strategically placing our **5-star recruits** into multiple teams of 6—each comprising individuals from different schools, sports, and backgrounds—to ensure everyone's unique perspective is heard and valued. This diversity fosters a multi-dimensional approach to problem-solving that mirrors the collaborative work environment at Deloitte.

Together, our Winter X-Games Fellows will develop a future-based strategy to improve the business architecture of Deloitte's long-term partner, the NWSL, through three main revenue categories—(1) broadcast, (2) commercial, and (3) matchday. All teams will virtually deliver their final presentations to Deloitte's leadership team on **Monday, March 23rd**.
