EDUCATION

University of Chicago – Chicago, Illinois

Bachelor of Science in Physics and Bachelor of Arts in Economics | SAT: 1540

Awards/Accomplishments: Winner, Gilder Lehrman National Essay Contest; AP Scholar with Distinction

Relevant Coursework: Calculus 2, Honors General Chemistry, Physics Mechanics

Organizations: Collegiate Track and Field, Make a Play Foundation

Expected Graduation: 2029

Cumulative GPA: 3.5/4.0

PROFESSIONAL EXPERIENCE

University of Chicago Commodities Club

Head of Research for Renewables

Chicago, IL

1/2026 – Present

- Lead renewables research coverage; coordinate analysts and maintain a weekly publication cadence.
- Produce weekly reports on developments in renewable/clean tech sector.

MAP x Deloitte – Strategy and Innovation

Fellow

Remote

12/2025 – Present

- Selected as 1 of 50 NCAA athletes nationwide (10% acceptance rate from 500+ applicants) for a Deloitte-sponsored fellowship focused on AI product innovation, digital strategy, and client-facing problem solving.
- Deliver 10+ weekly strategy assignments covering AI use-case design, user-journey mapping, market research synthesis, feature prioritization, and prototype conceiving — maintaining a 98% composite performance score and perfect submission record.
- Collaborate with student-athletes from 15+ Division I universities to produce research briefs, insights summaries, and slide deliverables that mirror entry-level consulting workstreams.

Office of Assemblywoman Barbara McCan Stamato

Legislative Intern

Jersey City, NJ

05/2025 – 09/2025

- Built a centralized database for over 1000 constituents to track inquiries, casework, and outreach.
- Produced a one-page “Essential Services” guide listing local/state assistance programs to streamline constituent casework.

Chickie’s

Food Runner

Jersey City, NJ

06/2025 – 09/2025

- Closed 6 nights a week and opened weekend morning (setup, breakdown, restock, side work, restroom checks).
- Ran food, reset tables, and worked with the kitchen for ~100 orders per day.

Summer Academic Program for Engineers, Columbia Engineering

Participant

New York City, NY

Summers 2023, 2024

- Completed undergraduate-level coursework in chemical engineering and sustainable engineering.
- Conducted and presented independent research on nuclear energy, with a focus on thorium fuel cycles and small modular reactors.

EXTRACURRICULARS

Collegiate Track and Field

Varsity Member

Chicago, IL

09/2025 – Present

- Middle-distance runner (800m/1500m)

Grace Church Breakfast Plus Program

Volunteer Cook

Jersey City, NJ

06/2023 – 07/2025

- Cooked breakfast for ~100 food-insecure individuals three Sundays each month.
- Arrived at 6:00 a.m. to set up the kitchen and dining hall.
- Exceeded high school service requirement threefold (300 hours of service).

High School Track and Field

Captain

Jersey City, NJ

11/21 - 06/25

- Organized off-season summer workouts and post-practice lifts, contributing to team’s #3 state ranking.
- Guided underclassmen athletes on the importance of consistency, recovery habits, and race tactics.
- Qualified for U.S. Nationals (5x); #9 in NJ (800m); All-County First Team (5x); NJ Non-Public A 3rd Team (2x).
- PRs: 800m 1:54; 1600m 4:18; 5000m 15:34.4

SKILLS & INTERESTS

Skills: Teamwork, Adaptability, Accountable, Written Communication, and Oral Communication.

Languages: English

Interests: Nuclear Energy, Economics, Quantum and Nuclear Physics

Programs: Java

EDUCATION

CUNY College of Staten Island

Bachelor of Arts in Business | Concentration in Finance

Staten Island, NY

Expected Graduation: June 2029

- **Cumulative GPA:** 3.90/4.0
- **Honors/Awards:** NCAA Division II Student-Athlete (Men's Soccer), TopDrawerSoccer 3-star Student Athlete Recruit, Nassau County Soccer Coaches, Association – All Conference 2022, Elmont H.S. Boys Varsity Soccer MVP Award-2022 Three Team Captain- 2020-2023, H.S. Honors / Advanced Student, MAP x Deloitte AI Innovation & Digital Strategy Fellow (Winter 2026)
- **Organizations:** Varsity Men's Soccer, Make A Play Foundation, Universal Interactions Inc.

PROFESSIONAL EXPERIENCE

Deloitte

MAP AI Innovation & Digital Strategy Fellow

Remote

Jan 2026 – Present

- Placed in top 12% (75/654) of a consulting fellowship for NCAA athletes, collaborating with a 5-person case team through ~5 research sprints/week to design an AI-Powered Olympic Fan Experience Strategy & 3–5 year AI transformation roadmap for Deloitte
- Driving end-to-end delivery of final transformation roadmap by steering case synthesis and incorporating guidance from 3 MAP feedback sessions, culminating in a live presentation to Deloitte leaders on 3/23/26 to demonstrate business communication skills

Elmont and New Hyde Park PAL

Soccer Trainer

Elmont, NY

Sep 2024 – Present

- Train 20+ youth athletes each week by structuring technical drills, coordinating conditioning circuits, and reinforcing teamwork across 3–4 recurring sessions, strengthening skill development, group focus, and overall readiness for next-phase training cycles
- Assist head coaches with field setup, drill execution, and multi-group rotations across 5+ weekly activities, improving workflow alignment, session efficiency, and the consistency of program delivery for large recreational cohorts

Elmont Youth Soccer Club

Soccer Trainer

Elmont, NY

Sep 2024 – Present

- Support training operations for 15–25 players by reinforcing fundamentals, motivation, and structured footwork progressions, strengthening athlete engagement, performance consistency, and overall preparedness for subsequent practice phases
- Help manage practices by coordinating rotations, tracking equipment needs, and organizing 3–5 drill stations per session, improving operational clarity, practice flow, and the reliability of coaching execution across age groups during busy training cycles

TACCPUG

Founder

Remote

Jan 2022 – Present

- Operate a resale brand handling sourcing, pricing, and inventory for 100+ transactions by evaluating item demand and margin trends, strengthening budgeting discipline, workflow structure, and data-driven decision-making for small-business operations
- Manage finances, fulfillment, and customer service across hundreds of orders by coordinating 5–7 operational steps per sale, improving process reliability, client satisfaction, and the consistency of end-to-end order execution

Winston D. Tucker Law Office

Summer Intern

New York, NY

Jun 2025 – Aug 2025

- Guided 10+ clients through N-400 preparation by organizing documentation, clarifying requirements, and coordinating meeting workflows, strengthening process accuracy, client readiness, and overall support across multi-step immigration pathways
- Attended Immigration Court hearings and support outreach programs across underserved communities by coordinating events and intake logistics, improving access to resources, stakeholder communication, and the impact of community-focused legal initiatives

Elmont Youth Soccer Club Summer Camp

Camp Counselor

Elmont, NY

Jun 2024 – Sep 2024

- Led daily sessions for 20+ youth players by teaching fundamentals, coordinating drills, and designing age-appropriate plans with coaching staff, evaluating progress across 3–5 weekly activities to strengthen training alignment and overall camp execution quality

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

College of Staten Island Varsity Men's Soccer

NCAA Division II Student-Athlete

Staten Island, NY

Sep 2025 – Present

- Compete as an NCAA Division II athlete by balancing 20+ hrs/week of training, lifts, film, and travel with full academic responsibilities, applying coach feedback to refine execution, communication & consistency in a fast-paced competitive environments

Universal Interactions Inc.

Lead Volunteer

Long Island, NY

Jan 2022 – Present

- Lead large-scale community initiatives across youth sports events, supply drives, and holiday programs serving hundreds of families annually, coordinating logistics, volunteers, and distribution workflows to improve resource accessibility and overall operational flow

SKILLS & INTERESTS

- **Skills and Language:** Leadership, Data Analysis, Market Research, Client Engagement, Sales, Brand Promotion
- **Interests:** Sports, Business Strategy, Community Development, Video games

EDUCATION

University of Chicago – Chicago, Illinois

GPA: 3.9/4.0

B.A. in Business Economics | SAT: 1520

Anticipated Graduation: June 2029

- Accomplishments: 20205/26 Quad Undergraduate Research Scholar, School Record Holder in 500Y Freestyle, Member of Healthcare Explorers First-Year Career Cohort
- Relevant Courses: Principles of Microeconomics

PROFESSIONAL EXPERIENCE

MAP x Deloitte – *Strategy and Innovation Fellow* | Remote

12/2025 – Present

- Selected as 1 of 50 NCAA athletes nationwide (10% acceptance rate from 500+ applicants) for a Deloitte-sponsored fellowship focused on AI product innovation, digital strategy, and client-facing problem solving.
- Deliver 10+ weekly strategy assignments covering AI use-case design, user-journey mapping, market research synthesis, feature prioritization, and prototype concepting, maintaining a 98% composite performance score and perfect submission record.
- Collaborate with student-athletes from 15+ Division I universities to produce research briefs, insights summaries, and slide deliverables that mirror entry-level consulting workstreams.
- Expected to serve on a five-analyst product team delivering 20+ analytical & creative outputs including research synthesis, AI feature ideation boards, wireframes, monetization models, and KPI dashboards.

Global Business Languages Domain Analysis Project – *Research Assistant, mentor Professor Colin Benert* | Chicago, IL

12/2025 – Present

- Collaborate with a research team using NVivo coding and thematic analysis to code job postings, textbooks, and interviews with employers
- Identify the language needs of the global business work space to better design undergraduate university language courses and prepare dual-language students for global communication

Newport Skin Cancer – *Mohs Dermatology Apprentice of Dr. Adam Rotunda*, | Newport Beach, CA

10/2024 – 04/2025

- Shadow Dr. Rotunda during Mohs surgery, training in patient care and bedside manners
- Trained in tissue removal, specimen orientation, staining, and microscopic examination of Mohs slides

Irvine NOVAQUATICS Swimming – *Assistant Coach* | Irvine, CA

05/2025 – 09/2025

- Coach pre-competitive children ages 4-12 in all 4 strokes and diving
- Teaching and enforcing water safety
- Administer try-outs and swim tests for incoming swimmers

Newport Hills Swim Team – *Assistant Coach* | Newport Beach, CA

05/2025 – 09/2025

- Supervise and coach competitive children ages 5-12, running swim meets for 60+ swimmers
- Teach swimmers ages 2-4 how to swim and enforcing water safety

LEADERSHIP & COMMUNITY DEVELOPMENT

University of Chicago Swim and Dive Team – *Swimmer* | Chicago, IL

09/2025 – Present

- Dedicate 20+ hours per week to swimming, weightlifting, and meets
- Prioritize practices, team meetings, and travel while maintaining a rigorous academic course load

Moneythink, The University of Chicago – *Mentor* | Chicago, IL

10/2025 – Present

- Mentor 40+ local high school students in financial literacy and career readiness
- Plan lessons each week to teach students various financial concepts and engage with school administration to best serve students' needs

Special Olympics, Swimming – *Volunteer* | Irvine, CA

05/2023 – 05/2025

- Accompany and assist athletes to their races and awards
- Oversee the meet lineup and flow of meet

Dynamite Book Club, Corona del Mar High School Chapter – *Secretary Treasurer* | Newport Beach, CA

09/2021 – 06/2025

- Manage youth service projects across Irvine, Newport Beach, and Santa Anna
- Supported and participated in community events, grocery distributions, and healthcare/vaccination outreach
- Collaborate with nonprofits to expand literary access through book donations and little free libraries

Corona del Mar High School Girls Swim Team – *Team Captain* | Newport Beach, CA

08/2024 – 06/2025

- Led team to Sunset League and Division 1 CIF Finals
- Coordinate event lineups, relays, and team strategy

NON-TECHNICAL SKILLS & INTERESTS

- Skills and Language(s): English, proficient level in Spanish, conversational Serbian, Bosnian, and Croatian
- Programs: Water safety, experience teaching children, proficient in PowerPoint, NVivo, Canva, and Google Suite
- Interests: Travel, cinema, cooking, baking

ALYSSA Y. LIM

[LINKEDIN PROFILE](#) • (510) 690-7963 • ALYSSAYLIM2025@GMAIL.COM

EDUCATION

GPA: 4.0/4.0

Bachelor of Science in Business Administration

Expected May 2029

- **Accomplishments:** 2024 Rolex Scholastic All-American Award, LPGA Marilynn Smith Golf Award (2025), York & Dora Gin Scholar-Athlete Award (2025), Most Outstanding James Logan Female Scholar-Athlete (2025), Most Outstanding James Logan Female Athlete (2025), Lexus Pursuit of Potential Award (2024)
- **Relevant Courses:** Finance; Methods for Statistics & Data Science; Business Computing; Business Science; Introductory Microeconomics; Introductory Macroeconomics; Introduction to Accounting; Probability and Statistics for Business Applications; Differential & Integral Calculus

PROFESSIONAL EXPERIENCE

Make a Play Foundation x Deloitte

Remote

Strategy & Innovation Fellow

December 2025– Present

- Selected as 1 of 50 NCAA athletes nationwide (10% acceptance rate from 500+ applicants) for a Deloitte-sponsored fellowship focused on AI product innovation, digital strategy, and client-facing problem solving
- Collaborate with student-athletes from 15+ Division I universities to produce research briefs, insights summaries, and slide deliverables that mirror entry-level consulting workstreams
- Compete in three consulting-style mock interviews simulating Deloitte recruiting environments, practicing structured behavioral frameworks and concise business reasoning under time pressure
- Expected to contribute to the AI-Powered Olympic Fan Experience Strategy Case, developing a 3–5 year transformation roadmap to increase global engagement and digital monetization

Freelance

San Francisco, CA

Private Golf Caddie & Course Management Instructor

May 2025 – August 2025

- Provided on-course and tournament caddying services, supporting students with yardage, club selection, and course strategy, helping students make confident on-course decisions
- Taught fundamentals of course management, etiquette, and ace of play to junior golfers, improving their competitive readiness and respect for the sport
- Coached students on focus and confidence to strengthen their mental game under tournament pressure
- Managed scheduling and client communication to ensure consistent service, demonstrating reliability and professionalism

LEADERSHIP & COMMUNITY DEVELOPMENT

Union City Youth Commission

Union City, CA

Commissioner

August 2021 – June 2023

- Advocated for youth perspectives in city government programs relating to education, recreation, and public safety, helping inform policy discussions
- Collaborated with city officials and student leaders to increase youth civic participation
- Assisted in planning community initiatives serving diverse student populations

ECO Club (Environment, Community, & Opportunity)

Union City, CA

Founder & President

August 2022 – August 2024

- Founded student organization promoting sustainability, service, and community engagement
- Organized educational workshops and community service events
- Recruited members and developed leadership pipeline for student officers

James Logan High School Varsity Golf

Union City, CA

Captain

August 2022 – June 2025

- Led practices and supported teammates' growth and sportsmanship, helping the team develop skills and a positive team culture
- Coordinated with coaching staff on lineups and match preparation, improving communication and organization within the team
- Mentored younger athletes joining the varsity team, supporting their transition into competitive high school golf

Girls Golf Group

Union City, CA

Founder & President

August 2023 – June 2024

- Established an inclusive program encouraging girls to participate in golf and athletics
- Organized peer-mentorship sessions and introductory clinics for new athletes
- Promoted confidence and leadership among female student-athletes

Memory Club

Union City, CA

Secretary

August 2023 – June 2024

- Maintained records of meetings; assisted executive board with event planning, ensuring organized club operations
- Helped plan memory activities applying to education enhancement, giving students practical strategies to use in the classroom
- Led informational sessions training students to use newly taught memorization techniques

NON-TECHNICAL SKILLS & INTERESTS

- **Skills and Language(s):** Agile Methodologies, Project Management training, Scrum, Leadership, Public Speaking, Mentorship, Event Planning
- **Programs:** Excel, Canva, R Studio, Microsoft Word/PowerPoint
- **Interests:** Golf, Tennis, Youth Civic Engagement, Community Wellness

[Linkedin Profile](#) • +1 (240) 479-5377 • amyYe@mit.edu

EDUCATION

Massachusetts Institute of Technology

Bachelor of Science in Chemical Engineering | Minor in Public Policy

Cambridge, MA

Expected Graduation: June 2029

- **Cumulative GPA:** 5.0/5.0 | **SAT:** 1590
- **Honors/Awards:** Student-Athlete (MIT Women's Volleyball Team), Maryland Public Secondary Schools Athletic Association Minds in Motion Scholarship (2025); DECA State Conference Accounting Applications 1st Place (2024) & Personal Financial Literacy 3rd Place (2023); Maryland All-State Orchestra (2022–2023); President's Volunteer Service Award (2022)
- **Relevant Coursework:** 14.03 Microeconomic Theory and Public Policy, 6.100a Introduction to CS + Programming using Python

PROFESSIONAL EXPERIENCE

Deloitte

MAP AI Innovation & Digital Strategy Fellow

Remote

Jan 2026 – Present

- Selected as 1 of 15 captains (~2%) from 654 fellows, leading a 5-person case team through ~5 research sprints/week to design an AI-Powered Olympic Fan Experience Strategy & strengthen the analytical rigor behind Deloitte's 3–5 year AI transformation roadmap
- Drove end-to-end delivery of final transformation roadmap by steering case synthesis and incorporating guidance from 3 MAP feedback sessions, culminating in a live briefing to Deloitte leaders that elevated clarity, narrative structure, and decision-readiness

Smithsonian National Air and Space Museum

Explainer Guide (Seasonal)

Washington, DC

Oct 2023 – Present

- Delivered weekly science demonstrations to diverse visitors by mastering 10+ technical stations and translating complex aerospace concepts into accessible models, improving engagement quality and strengthening educational clarity across sessions
- Self-taught core aeronautics and space science principles to support visitor programming, adapting explanations for toddlers through seniors and reinforcing museum learning outcomes through clearer demonstrations and more consistent audience understanding

GE Vernova

Student Consultant

Cambridge, MA

Oct 2025 – Dec 2025

- Evaluated alternative marine fuels by modeling 2050 demand scenarios across multiple regulatory pathways, integrating weekly sponsor feedback to refine assumptions and deliver insight-rich inputs that strengthened strategic planning for GE Vernova's team
- Structured 3-phase analytical workflows assessing long-term fuel adoption using quantitative benchmarks and supervisor-led iterations, producing scenario models that clarified tradeoffs and improved the strategic rigor of GE Vernova's decarbonization roadmap

Coldwell Banker Realty

Intern

Potomac, MD

Jun 2024 – Aug 2024

- Consolidated 1 year of estate property records into a structured dataset, formatting 50+ listing assets and analyzing value drivers observed in multimillion-dollar open houses to strengthen marketing precision and support faster client-facing execution
- Organized land-record data and optimized listing-ready visuals for high-value homes while shadowing open houses to benchmark property differentiators, enhancing operational readiness and improving the consistency of client-market presentation workflows

CHOPT Creative Salad

Team Member

Potomac, MD

Jun 2024 – Aug 2024

- Managed high-volume lunch service by executing 100+ rapid orders and coordinating kitchen workflows while maintaining cleanliness standards, strengthening service efficiency and supporting smoother team operations during peak-hour constraints
- Executed front- and back-of-house responsibilities by preparing meals, organizing food stations, and closing the dining area with accuracy and speed, enhancing operational reliability and improving overall customer experience under pressure

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Youth Ambassadors Program

Youth Ambassador

Rockville, MD

Sep 2023 – May 2025

- Led public-health outreach by delivering opioid-crisis presentations and facilitating Narcan trainings for 500+ students and parents while assembling 2K+ kits and engaging attendees at summit events, strengthening community safety awareness & response readiness

Walter Reed National Military Medical Center

Volunteer Assistant

Bethesda, MD

Dec 2023 – Jan 2024

- Supported pediatric rheumatology operations by observing 10+ clinical appointments, interacting with patients, and entering detailed notes into the MHS GENESIS system, improving documentation accuracy and strengthening care-team visibility across cases

Montgomery County Public Schools Student Athlete Leadership Council

Councilmember

Rockville, MD

Sep 2024 – May 2025

- Represented 1 of 2 school delegates on a county-wide council by coordinating 8+ monthly planning sessions and shaping the end-of-year coaching awards ceremony, improving cross-school alignment and the quality of event execution under tight timelines

SKILLS & INTERESTS

- **Skills & Language(s):** Mandarin Chinese, Spanish (beginner)
- **Programs & Interest(s):** Basic Python, C++, HTML, and CSS; Interested in Healthcare policy

Annabel Noonan

anoonan@mit.edu | London, UK | (617) 293-0468

EDUCATION

Massachusetts Institute of Technology (MIT) | Cambridge, MA Aug. 2025 – June 2029
Bachelor of Science, Mathematics, Minor in Finance | SAT: 1530

Godolphin and Latymer School | London, UK Aug. 2018 – June 2025
IB Diploma: 42/45; Higher Level: Maths, Physics, History; Standard Level: English, Economics, French
iGCSEs: 11 Grade A+s

PROFESSIONAL EXPERIENCE

Weatherbys Private Bank | *Data Analyst Intern (London, UK)* July 2023

- Cleaned and analysed customer credit-card usage data in Excel for a product team, identifying usage trends to inform potential new card offerings.
- Summarised quantitative findings for product and risk stakeholders, highlighting target segments and feature opportunities to support decision-making.
- Observed cross-functional product, risk, and marketing meetings, building practical understanding of collaboration in financial services.

Brentford Boat Club and Tideway Scullers School | *Volunteer rowing coach (London, UK)* Summers 2023-25

- Coached ~10 students per week from state schools without funded rowing programmes, building fundamentals in technique, safety, and equipment handling.
- Planned and led up to 10 sessions per week with tailored drills, accelerating progression across mixed-ability athletes.
- Coordinated races and regatta preparation with fellow coaches, increasing participant motivation and supporting progression to junior regattas.

LEADERSHIP AND ACTIVITIES

Varsity Crew Team | *Current MIT D1 Athlete* March 2022 - present

- Train ~20 hours/week across sweep and sculling in a high-performance programme, strengthening endurance, discipline, and teamwork under pressure.
- Competed at major regattas including Henley Royal Regatta and Henley Women's Regatta, contributing to a quarter-final finish (2025).
- Raced internationally and domestically (2022–2025), achieving 1st place at Ghent International Regatta (U19 4x, 2024) and Top 10 finishes at National Schools Regatta and British Rowing Championships.

Sloan Business Club (MIT) | *Executive Board Member; Recruitment Coordinator* October 2025 - present

- Earned promotion to General Board after completing the SBC Basic Education Program and core finance training.
- Delivered an equity stock pitch and a mini consulting case, strengthening structured analysis and executive-style communication.
- Elected Recruitment Coordinator for the coming semester, leading outreach and selection logistics to build the next cohort.

MAP x Deloitte | *Strategy & Innovation Fellow (Remote)* Dec. 2025 – present

- Selected as 1 of 50 NCAA athletes nationwide (10% acceptance rate from 500+ applicants) for a Deloitte-sponsored fellowship focused on AI product innovation, digital strategy, and client-facing problem solving.
- Deliver 10+ weekly strategy assignments covering AI use-case design, user-journey mapping, market research synthesis, feature prioritization, and prototype conceiving - maintaining a 98% composite performance score and perfect submission record.
- Collaborate with student-athletes from 15+ Division I universities to produce research briefs, insights summaries, and slide deliverables that mirror entry-level consulting workstreams.

Institute of Research in Schools (IRIS) Project | *Project leader* March 2022 – June 2024

- Led a multi-year predictive-modelling project on weather patterns and London air pollution, delivering a validated model and evidence-based conclusions.
- Analysed 10,000+ hourly air-quality data points from five Greater London monitoring stations using advanced Excel and introductory Python, producing cleaned datasets and outputs used in the final model.
- Presented findings to ~400 students and teachers at a national research conference and facilitated Q&A, resulting in three additional variables being incorporated into the final model.

Creative Connections Initiative | *Co-founder* April 2024 – Aug. 2024

- Co-founded a community program to reduce elderly loneliness by organizing personalised card-making sessions with 200+ 11- and 12-year-old students.
- Partnered with local care homes and mobilized school volunteers, delivering 300+ handmade cards to residents.
- Managed logistics, supply procurement, and communication, demonstrating leadership and creative problem solving.

SKILLS AND INTERESTS

Skills: Microsoft Excel, Word, PowerPoint; Introductory Python; basic familiarity with Jupyter; Overleaf/LaTeX.

Languages: English, French (limited working proficiency).

Interests: Running, skiing, hiking, rowing; film, music, reading, travel

PROFESSIONAL EXPERIENCE

MAP x Deloitte – *Strategy & Innovation Fellow* | Remote

12/2025 – Present

- Selected as 1 of 50 NCAA athletes nationwide (10% acceptance rate from 500+ applicants) for a Deloitte-sponsored fellowship focused on AI product innovation, digital strategy, and client-facing problem solving.
- Delivered 10+ weekly strategy assignments covering AI use-case design, user-journey mapping, market research synthesis, feature prioritization, and prototype concepting — maintaining a 98% composite performance score and perfect submission record.
- Expected to serve on a five-analyst product team delivering 20+ analytical & creative outputs including research synthesis, AI feature ideation boards, wireframes, monetization models, and KPI dashboards.

Letters to Grandma – *Founder* | Dallas, Texas

06/2022- Present

- Founded and scaled a student-led pen pal program connecting youth with seniors in nursing homes, delivering 200+ letters in the first year to reduce social isolation.
- Organized multi-city letter drives and in-person visits while launching an online platform to expand participation beyond local communities.

Coppell District – *Nurse Shadow* | Coppell, Texas

03/2024 – 04/2024

- Shadowed clinical nursing staff to observe patient care workflows, interdisciplinary collaboration, and ethical decision-making in a healthcare setting.
 - Strengthened understanding of professional communication and patient advocacy, informing interest in healthcare systems and policy.
-

LEADERSHIP & COMMUNITY DEVELOPMENT

DFW Airport – *Ambassador* | Grapevine, Texas

08/2022 – 08/2025

- Assisted international travelers at DFW Airport by providing directions, gate information, and reassurance during stressful travel moments, resulting in smoother connections, reduced anxiety, and positive experiences for families, elderly passengers, and non-English speakers.
- Guided non-English-speaking travelers and families through complex situations, improving on-time connections and traveler confidence through clear communication.

Amherst College Division III Women's Swim – *Swimmer* | Amherst, Massachusetts

08/2025 – Present

- Competed as a Division III student-athlete while balancing daily training, competition schedules, and rigorous coursework, reinforcing discipline and time management.
- Contributed to a team-oriented competitive environment requiring consistent performance, accountability, and collaboration.

Foundations of Finance – *Member* | Amherst, Massachusetts

08/2025 – Present

- Participated in introductory workshops focused on finance recruiting, professional development, and networking with alumni in the financial services industry and developed familiarity with major finance career paths and internship opportunities through guided sessions and peer-led presentations.

Women in Finance – *Member* | Amherst, Massachusetts

08/2025 – Present

- Engaged in speaker events and peer discussions focused on finance career paths, recruiting timelines, and professional development.

Women in STEM – *Member* | Amherst, Massachusetts

0/8/2025- Present

- Participated in academic workshops, speaker panels, and peer discussions focused on STEM career pathways and research opportunities.
 - Engaged with mentors and peers to explore interdisciplinary STEM fields and professional development resources.
-

ADDITIONAL SKILLS

- Skills and Language(s): Spanish (working proficiency), Chinese (limited working proficiency)
- Interests: Surfing, rock climbing, nail designs, pacific islander art history, writing

Braden R. James

Expected Graduation: June 2029

Cumulative GPA: 3.40/4.0

- **Awards/Accomplishments:** Varsity Letter Football
- **Relevant Coursework:** Economics, Calculus III

PROFESSIONAL EXPERIENCE

Deloitte

MAP AI Innovation & Digital Strategy Fellow; Team Captain

Remote

Jan 2026 – Present

- Selected as 1 of 15 captains (~2%) from 654 fellows, leading a 5-person case team through ~5 research sprints/week to design an AI-Powered Olympic Fan Experience Strategy in 1.5 months & deliver final presentation live to Deloitte stakeholders on 3/23/26
- Analyzed LA28's cross-platform strategy across 5 major channels (X, Instagram, Facebook, NBCUniversal, YouTube), evaluating follower scale (1.5M+ on Facebook vs. <1M elsewhere) and media-rights concentration to flag potential digital leverage asymmetry
- Diagnosed ~5 structural gaps—U.S.-only media concentration, lack of a dedicated LA28 app, fragmented real-time data integration, and website navigation friction—translating findings into a centralized digital-hub hypothesis to improve engagement continuity

ShotTracker

Data Analytics Intern

Kansas City, KS

May 2024 – Aug 2024

- Analyzed 100+ large-scale datasets in Excel to identify performance trends across collegiate and professional teams, refining metrics that strengthened product strategy, improved operational clarity, and enhanced data-driven decision pathways for internal stakeholders
- Built 40+ analytical models to evaluate basketball efficiency metrics and player tendencies, translating outputs into actionable insights that supported feature enhancements and strengthened client satisfaction with ShotTracker's performance-analytics platform
- Evaluated emerging football analytics products by researching design features, market demand, and competitors across 10+ offerings, presenting a synthesis-backed market-entry proposal that improved leadership alignment on opportunity sizing and feasibility

City of Fairway, Kansas

Lifeguard and Swim Instructor

Fairway, KS

May 2022 – Aug 2023

- Taught swim lessons to 50+ children and adults across varying abilities by adapting instruction styles, emphasizing safety, and building stepwise skill development, strengthening participant confidence, technique consistency, and overall learning engagement
- Enforced safety rules across a high-traffic aquatic facility by monitoring swimmer activity, preventing hazards, and communicating clearly with diverse patrons, improving operational reliability, situational awareness, and the quality of community programming
- Executed daily facility checks and coordinated with a 5–8 person staff team to maintain equipment, manage rotations, and resolve real-time issues, strengthening workflow coordination, environmental readiness, and the consistency of guest experience

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Columbia University Division 1 Varsity Football

NCAA Division 1 Student-Athlete

New York, NY

Sep 2025 – Present

- Commit 30+ hrs/week year-round to an Ivy League championship program by executing training cycles, film study, and travel while balancing a rigorous academic load, strengthening endurance, discipline & the consistency needed to meet high-performance standards
- Collaborate within a large, high-ability roster by integrating coach feedback, adjusting techniques across multi-phase practices, and supporting teammates during weekly sessions, enhancing adaptability, communication flow, and shared execution in fast-paced setting

Pembroke Hill Black Student Union

President

Kansas City, MO

Aug 2023 – May 2025

- Led weekly BSU meetings with 40+ students discussing identity, belonging, and current events while guiding peer dialogue and planning agendas, strengthening cultural understanding, engagement & the overall cohesion of the school's Black student community
- Organized 4+ community-building events for current and incoming families by coordinating logistics, outreach, and messaging, improving inclusion, cross-grade connection, and the long-term sustainability of a supportive Black student network

Carriage Club Hockey

Volunteer Hockey Coach

Kansas City, KS

Nov 2022 – May 2025

- Dedicated ~10 hrs/week each winter season developing youth hockey players ages U8–U16 by teaching fundamentals, reinforcing teamwork, and tracking progress, strengthening confidence, skill development, and engagement across varied age groups
- Planned and executed age-appropriate practices across 15+ weekly drills by coordinating routines, adjusting instruction for ability levels, and supporting athletes through feedback, improving performance consistency and overall developmental readiness

EDUCATION

Tufts University – Medford, MA

Bachelor of Science in Engineering Bachelor of Arts in Economics | SAT: 1450

Awards/Accomplishments: Dean's List

Relevant Coursework: Entrepreneurship in Engineering, Intermediate Macroeconomics Theory, Differential Equations

Organizations: Tufts Investment Banking Club, Tufts Architecture and Design, Tufts Mountain Club

Expected Graduation: 2029

Cumulative GPA: 3.63

Charlotte Latin School – Charlotte, NC

Cumulative GPA: 4.31 (weighted)

Awards/Accomplishments: Commended Student, National Merit Scholarship Program; Spanish Honor Society; Head's List

Relevant Coursework: AP BC Calculus (5/5 on AP Exam), AP Microeconomics (5/5 on AP Exam), AP Macroeconomics (5/5 on AP Exam)

Graduation: 2025

PROFESSIONAL EXPERIENCE

John Emily Studio

Office Administrator

Charlotte, NC

Summers 2022 – 2024

- Managed company social media presence by initiating customer engagement, soliciting customer reviews and curating content, increasing client outreach from 0% to 100%.
- Oversaw office operations including appointment scheduling, file management, and customer support for ~30 clients, improving workflow efficiency.
- Created online process for tracking key operating metrics by reviewing ~2000 client records created in disparate systems, improving data visibility.

Stroll Magazine

Resident Reporter

Charlotte, NC

01/2021 – Present

- Created content featured in monthly neighborhood magazine with a circulation of ~4,000, expanding community engagement.
- Wrote 1-2 articles per month covering resident profiles, neighborhood news, and local nonprofit organizations, meeting recurring editorial deadlines.

EXTRACURRICULARS

Make-A-Play Foundation (MAP)

NXT Winter Fellow

Remote

01/2026 – Present

- Selected as 1 of 50 athletes nationwide (from 500+ applicants) for a Deloitte-sponsored fellowship focused on innovation, strategy, and client-facing problem solving.
- Competed in consulting style mock interviews simulating Deloitte recruiting environments, practicing structured behavioral frameworks and concise business reasoning under time pressure.
- Delivered 10+ weekly strategy assignments covering AI use-case design, user-journey mapping, market research synthesis, feature prioritization, and prototype concepting.
- Integrated structured feedback to refine storytelling, hypothesis-driven thinking, and executive-ready communication.

Tufts Investment Banking Club

Freshman Accelerator Program

Medford, MA

01/2026 – Present

- Selected as 1 of 15 students for competitive investment banking accelerator focused on technical skills, valuation, and interview prep.
- Developed accounting fundamentals and financial modeling skills through structured training and mentorship from upperclassmen.

Cross Country/Track and Field

Charlotte Latin Team Captain, Tufts/Charlotte Latin Team Member

Medford, MA/Charlotte, NC

08/2021 – Present

- Selected as high school Cross Country Team Captain (2023, 2024), Track and Field Team Captain (2025) for sustained leadership and performance.
- Organized student-led practices and team bonding activities for 30+ athletes, building team cohesion across competitive seasons.
- Committed ~20 hours per week to training and competition, balancing year-round athletic demands with academic responsibilities.
- Advised event coaches on competition entries to align athlete strengths with team scoring strategy.
- Earned All-State (2024) and All-Conference (2022, 2023, 2024) honors for individual athletic performance.

Student Athletic Leadership Team (SALT)

Cross Country Representative

Charlotte, NC

08/2023 – 05/2025

- Collaborated on school spirit and community service programs involving ~40 student leaders, supporting student engagement initiatives.

Spanish Club

Activities Leader

Charlotte, NC

08/2022 – 05/2025

- Organized monthly cultural events featuring Spanish lessons and cuisine, delivering consistent programming for club members.

SKILLS & INTERESTS

Skills: Microsoft Office (Excel, Powerpoint, Word), Communication, Leadership

Languages: Spanish

Interests: Art, Outdoor Activities (skiing and hiking), Photography, Reading

Programs: Charlotte Latin School Argentina Cultural Exchange

EDUCATION

University of California, Berkeley – Berkeley, California

GPA: 3.77/4.0

B.A. in Economics, Anticipated Graduation: June 2029

- **Accomplishments:** ACC All academic, (Cross Country Highest team GPA) High School Senior (North Coast Section), Presidents list (4.0 GPA).
Relevant Courses: UGBA 39E (AI Ethics for Future Leaders), submitted a 1:30-2-minute video every week on the most relevant ethical challenges with AI, along with my opinion on how we can address these issues—received lectures from experts in the AI field every week from OpenAI, Meta, Microsoft, Google, etc.
- Math 16A Calculus (Economic application relevance)
- UGBA 10X (Foundation of Business)
- EDUC 98 (Navigating the Scholar Athlete Experience) Worked on Presentation skills and teamwork, led my group in a presentation on the California Way Initiatives

PROFESSIONAL EXPERIENCE

University Of California, Berkeley Men's Cross Country and Track and Field – *Division 1 Student Athlete* | Berkeley, California

08/2025 – Present

- Balanced a full Berkeley course load with 30+ hours a week of training while maintaining a high level academic achievement, learning time management.
- Represented UC Berkeley athletics in hosting future Berkeley recruits, attracting top-tier talent from all over California, improving efficiency for our coach and recruitment team.

SABN (Student Athlete Business Network) – *Member* | Berkeley, California

09/2025 – Present

- Participated in the SABN Business Network Club at UC Berkeley, learning more about career interests.
- Approached structured info sessions and networking sessions with professionals from Bain & Company and Wells Fargo, learning how to excel in future Networking and internship applications
- Engaged in speaker-led workshops and professional development programming focused on consulting and financial services career pathways

LEADERSHIP & COMMUNITY DEVELOPMENT

Cal Athletics Career Roundtable – *Participant* | Berkeley, California

09/2025 – 09/2025

- Participated in a moderated career roundtable focused on pathways from alumni on career interests and industry exposure
- Networked with several UC Berkeley alumni working in Consulting and Investment Banking, who helped me explore my interests, educated on what to expect from each role
- Learned various Business industries and internship application strategies one-on-one, leading to real-world application

Deloitte Sponsored - Make A Play Foundation (MAP) – **2026 NXT Winter fellowship** – | Remote

01/2026 – 02/2026

- Selected as 1 of 50 NCAA athletes nationwide (10% acceptance rate from 500+ applicants) for a Deloitte-sponsored fellowship focused on AI product innovation, digital strategy, and client-facing problem solving.
- Expected to serve on a five-analyst product team delivering 20+ analytical & creative outputs including research synthesis, AI feature ideation boards, wireframes, monetization models, and KPI dashboards.
- Collaborate with student-athletes from 15+ Division I universities to produce research briefs, insights summaries, and slide deliverables that mirror entry-level consulting workstreams.
- Scheduled to deliver a board-style strategy presentation to Deloitte leadership on Monday, March 23, presenting recommendations supported by user research, commercial rationale, and implementation sequencing.

NICA(National Interscholastic Cycling Association) Mountain Bike Racing – Team Captain | Albany, California

02/2022 – 02/2024

- Achieved California Sophomore State Champion against ~550 competitors, learning resilience in tough environments.
- Represented as Team Captain, helping kids on the team learn technical skills, motivating them to compete at a higher level
- Participated in Community Engagement, maintaining the Tilden Regional Park trail system

NON-TECHNICAL SKILLS & INTERESTS

- Team collaboration in high-performance environments
- Time management and accountability
- Corporate strategy and decision-making
- Technology ethics and the future of work
- Active Deliverables – Interview & Skill Development

Yale University – New Haven, Connecticut

GPA: 3.75/4.0

B.A. in Economics and Cognitive Science | SAT: 1420 | Graduation Year: 2029

Accomplishments: Alleyn's Academic Sports Award (2025), England Hockey Teamship Award (2025),

Relevant Courses: Economics

PROFESSIONAL EXPERIENCE

THD Hockey Club – *Performance Hockey Coach* | London, England

09/2023 – 03/2024

- Coached a girls' team for 2 years, selecting squads for games and providing constructive feedback to players
- Organised and ran junior tournaments for over 60+ players, managing schedules and logistics to ensure exceptional operation.
- Managed game-day tactics, substitutions, and team motivation to ensure the perfect balance of performance and enjoyment for every player. This position allowed me to be a great role model to young female athletes.

Self-Employed – *Maths and Science Tutor* | London, England

09/2022 – 11/2024

- Designed and delivered tailored lessons for 20+ students weekly, adapting teaching methods to learning styles and improving test scores by 15–25%.
- Monitored progress and provided structured feedback to students and parents, ensuring preparation success for high-pressure entrance exams
- Fostered student independence and problem-solving skills, increasing engagement and confidence in STEM subjects

Hampstead and Westminster Hockey Club – *Coach* | London, England

03/2025 – 08/2025

- Led summer technical camps, adapting drills to 50+ participants of varying skill levels, enhancing skill retention and team cohesion.
- Applied first-aid training during sessions, responding to minor injuries and ensuring player safety in high-intensity environments.

LEADERSHIP & COMMUNITY DEVELOPMENT

England Hockey U18 – *Captain* | England

11/2022 – 07/2025

- Motivated and guided a 20+ player team, resolving conflicts and improving team culture to achieve peak competitive performance.
- Managed schedules, pre-game analysis, and post-training events, increasing team cohesion and operational efficiency.
- Acted as liaison between coaches and players, enhancing communication and fostering a collaborative environment.

Make A Play Foundation(MAP)

- Selected as 1 of 50 NCAA athletes nationwide (10% acceptance rate from 500+ applicants) for a Deloitte-sponsored fellowship focused on AI product innovation, digital strategy, and client-facing problem solving.
- Delivered 10+ weekly strategy assignments covering AI use-case design, user-journey mapping, market research synthesis, feature prioritization, and prototype concepting — maintaining a 98% composite performance score and perfect submission record.

Alleyn's academy – *Lead Coach* | London, England

09/2021 – 09/2023

- Planned and led weekly field hockey sessions for 20+ children identified by their teachers as having behavioural difficulties. I ran sessions that encouraged positive behaviour, and aimed to teach lessons in teamship, discipline, and hard-work through sport.
- Took part in safe-guarding training as part of this role and had the responsibility of applying these skills to identifying any safeguarding concerns and responding appropriately, prioritising each child's safety while showing respect for their family circumstances.

NHS – *Covid Clinic Assistant* | London, England

08/2022 – 12/2022

- Assisted 100+ patients per day at a Covid-19 Vaccination Centre, helping guide patients through the check-in process, answering questions, and offering reassurance, this strengthened my skills in communications and empathy. .
- Supported clinicians with data entry and supply management, improving organisational skills and attention to detail.

ADDITIONAL SKILLS

- Skills and Language(s): Intermediate French, Basic programming and coding skills
- Interests: Athletics, Psychology and Behaviour Studies, Food and Nutrition, Hockey

EDUCATION

Carnegie Mellon University | GPA: 4.0/4.0 **Aug 2025 – Present**
Pittsburgh, PA
B.S. Mathematical Science and B.S. Information Systems

St. Stephen's Episcopal School **Aug 2025 – Present**
Austin, TX
Salutatorian, Graduating with High Honors

Awards and Honors: 1570 SAT Score, Excellence in Machine Learning and AI, Excellence in Math Award, The Spartan Award, Four-time SPC All-conference selection, Sportsmanship Award, Svaughn Athletic Leadership Award.

Involvement: Varsity Soccer (Goalie), Founder and President of the Business and Entrepreneurship Club, VP of Athletic Council (elected), Student Government (elected rep), Model UN (Head Delegate), Writer for *The Bell* (school newspaper), Zero Day Club (Cybersecurity), Investment Club, and SSTX Math Club.

PROFESSIONAL EXPERIENCE

Momentous Sports **Dec 2025 – Present**
Remote
Analytics, Modeling, and Growth Intern

- Direct quantitative research and modeling initiatives to understand and predict growth for an investment portfolio consisting of professional sports organizations and real estate.
- Develop frameworks for evaluating risk and return across disparate asset classes, focusing on data-driven optimization.
- Directed the development of data-driven briefings for stakeholders, converting complex model findings into high-signal strategic roadmaps for professional sports and real estate assets.

BTA Sports **May 2026 – Sep 2026**
Austin, TX
Incoming AI/ML Intern

- Engineering predictive models to optimize sports betting lines by identifying and exploiting market inefficiencies using advanced Machine Learning.
- Applying ML frameworks to analyze high-frequency betting data and improve line accuracy.
- Collaborating on the development of algorithmic strategies to maximize expected value in volatile sports markets.

The ProFiles Podcast **Dec 2022 – Present**
Austin, TX
Founder and Host

- Created interview series exploring strategies of leaders across business, technology, sports, and innovation.
- Launched and produced 50+ episodes of long-form interview series featuring executives, NYT bestselling authors, founders, and world champion athletes, building an audience of 10,000+ listeners across 35+ countries.
- Directed end-to-end production, including guest acquisition, interviewing, editing, and multi-platform distribution (Spotify, Apple Podcasts, YouTube).

Electric Lawn **May 2024 – Jan 2025**
Austin, TX
Chief Executive Officer

- Acquired and revitalized Electric Lawn, Austin's first all-electric landscaping service, eliminating emissions and noise pollution while promoting community sustainability. Hired three individuals, tripled the company's monthly profit.
- Served the community by eliminating emissions, reducing noise, and creating a cleaner, healthier Austin.

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Men's Varsity Golf - Carnegie Mellon University **Sep 2025 – Present**
Pittsburgh, PA
NCAA Student Athlete

- Compete nationally while balancing 20+ hours/week of practice, training, and tournament travel with rigorous coursework.
- Demonstrate elite time management and performance under pressure, coordinating academics, athletics, and travel across multiple US tournaments.

Scottie Ventures **Sep 2025 – Present**
Pittsburgh, PA
Analyst

- Conduct due diligence and valuation analysis on early-stage startups in partnership with Pittsburgh venture capital firms.
- Evaluate investment opportunities through financial modeling, market research, and direct founder engagement to assess business viability and growth potential.

St. Stephen's Men's Golf Team **Aug 2021 – May 2025**
Pittsburgh, PA
Captain, 2023 Texas 3A State Individual Champion

- Captained the winningest team in school history, expanding program involvement from 6 players to over 40 during tenure.
- Served as captain all four years, guiding the team to its first-ever runner-up finish at the Texas 3A State Championship, including an individual State Championship and three SPC All-conference selections.

Make a Play Foundation x Deloitte – Strategy & Innovation Fellow | Remote

12/2025 – Present

- Selected as 1 of 50 NCAA athletes nationwide (10% acceptance rate from 500+ applicants) for a Deloitte-sponsored fellowship focused on AI product innovation, digital strategy, and client-facing problem solving.
- Expected to contribute to the AI-Powered Olympic Fan Experience Strategy Case, developing a 3–5 year transformation roadmap to increase global engagement and digital monetization.
- Expected to serve on a five-analyst product team delivering 20+ analytical & creative outputs including research synthesis, AI feature ideation boards, wireframes, monetization models, and KPI dashboards.

Handshake AI – *Model Trainer* | Bronx, New York

11/2025-Present

- Train several AI models by annotating image, audio, text, and chat data over hundreds of hours, helping improve overall model accuracy, reliability, and performance in real-world use cases.
- Follow detailed labeling guidelines while working across varied datasets, producing consistent, high-quality annotations that strengthened training data and led to clearer, more accurate model outputs.
- Review AI-generated responses to spot edge cases and errors, providing practical feedback that supported ongoing model improvements and improved response quality over time.

School of Swimming – *Team Leader, Instructor* | Rocky Hill, Connecticut

05/2023-Present

- Supervised a team of lifeguards and swim instructors during daily operations, enforcing safety protocols and ensuring consistent, high-quality instruction that maintained a safe environment and strong participant satisfaction.
- Led safety training, coordinated staff schedules, and mentored new hires while actively lifeguarding, improving team preparedness, coverage reliability, and overall operational efficiency during peak facility hours.
- Communicated clearly with swimmers, parents, and staff to address concerns, reinforce safety expectations, and foster a welcoming aquatic environment that built trust and encouraged continued program participation.

LEADERSHIP & COMMUNITY DEVELOPMENT

Highbridge Voices – *Tutor* | Bronx, New York

09/2025-Present

- Tutor students in grades 1-6 during weekly multi-hour sessions through athlete-outreach initiatives at Fordham University, providing individualized support across core subjects that improve classroom understanding, confidence, and academic engagement.
- Adapt instruction to different learning styles and grade levels in a community-based education program, helping students strengthen foundational skills and develop effective study habits.
- Build supportive relationships with students while collaborating with program staff, fostering a positive learning environment that encourages consistent attendance, participation, and measurable academic growth.

National Honors Society – *President* | Rocky Hill, Connecticut

09/2024-06/2025

- Led multiple fundraising initiatives supporting community organizations and charities, coordinating student efforts that increased participation, raised meaningful funds, and strengthened the chapter's impact beyond the school community.
- Organized and expanded schoolwide tutoring programs to include local middle schools, improving academic support access while fostering mentorship, leadership development, and stronger connections between students across grade levels.
- Presided over meetings and coordinated volunteer events, motivating members to stay engaged and organized while increasing overall participation, service hours, and the visibility of National Honor Society initiatives.

Fordham Hedge Fund Organization – *Member* | Bronx, New York

09/2025-Present

- Led equity research teams of 10 members, managing valuation models, peer comparisons, and DCF analyses to develop stock pitches, resulting in a 2nd-place finish out of 30 teams.
- Oversaw collaborative stock pitch projects across sectors including entertainment and communications, ensuring accurate data, strategic recommendations, and professional presentations that strengthened team performance and credibility with club leadership.

NON-TECHNICAL SKILLS & INTERESTS

Gabriele. Stasys

[linkedin.com/in/gabriele-stasys](https://www.linkedin.com/in/gabriele-stasys) • (815) 258-8655 • gabriele.stasys@yale.edu

EDUCATION

Yale University – New Haven, CT

GPA: 3.85/4.0

B.A. Undecided (Prospective Economics and Global Affairs) |

Graduation Year: 2029

- **Relevant Courses:** Introduction to Microeconomics, Calculus I, Introduction to International Relations, Introduction to Statistics
- **Accomplishments:** Ivy League Volleyball Tournament Finalist, All Tournament Team (3rd- Ranked Team Nationally), Graduated with Highest Honors, 3x Illinois Volleyball State Finalist, AP Scholar, Suburban Life Athlete of the Week

PROFESSIONAL EXPERIENCE

Naperville Yard – *Coach* | Naperville, IL

06/2025 - Present

- Developed strong problem-solving and decision-making skills through navigating unpredictable and fast-paced situations which helped ensure the kids I worked with always had a positive experience regardless of any inconveniences.
- Ensured the safety, well-being, and needs of 20-50 children at a time learning to be very vigilant and aware at all times; being trusted with the care of so many kids taught me a great deal of responsibility and accountability.
- Developed an entire new level of patience which helped me in my work as kids oftentimes were stubborn and wanting to do their own thing; I was able to stay collected and be a good role model to the kids.

Athlete to Athlete – *Athletic Mentor* | Online

12/2025 – Present

- Talk with younger athletes who want to strengthen their athletic mindset and talent; during these talks I mention strategies, drills, and habits they can use and through me sharing these insights I help these younger athletes feel more prepared for their sport.
- Share feedback, perspective and support to younger athletes to help them build confidence.
- Connect with other mentors to learn new ways to help the athletes we are working with; by talking with other mentors, like myself, I have been able to grow and help the athletes I work with so much more than before.

LEADERSHIP & COMMUNITY DEVELOPMENT

MAP x Deloitte — Strategy & Innovation Fellow

Remote | Dec 2025 – Present

- Developed interviewing skills through active deliverables produced.
- Collaborate with student-athletes from 15+ Division I universities to produce research briefs, insights summaries, and slide deliverables that mirror entry-level consulting workstreams.
- Integrated structured feedback from behavioral and technical evaluations to sharpen storytelling, hypothesis-driven reasoning, and executive-ready communication.

Yale University– *NCAA Division I Student Athlete* | New Haven, CT

08/2025 – Present

- Competed on the Women's Varsity Volleyball team at Yale where I devote 40+ hours a week to practice, condition, travel, scout and compete while maintaining a high academic performance.
- Strengthened time-management skills through balancing rigorous athletic and academic schedules.
- Collaborate with 20+ teammates, building communication, teamwork, and adaptability in high-pressure situations.
- Applied leadership and adaptability skills in high-pressure game situations.

Ateitis Foundation – *Member* | Lemont, IL

06/2016 – Present

- Participate in a Lithuanian Catholic youth organization that emphasizes leadership, service, and cultural identity.
- Present in community service projects, cultural events, and educational programs all of which promoted integrity and personal development.
- Collaborated with peers in strengthening community ties, organizing activities and volunteer initiatives supporting the organization's mission.

ADDITIONAL SKILLS

- **Skills:** Collaboration; Creativity; Work ethic; Time management; Critical thinking; Emotional intelligence
- **Language(s):** Seal of Biliteracy in Lithuanian; Studying Spanish
- **Interests:** Fitness; Cooking; Art history

Expected Graduation: June 2029

- **Cumulative GPA:** 3.68/4.0
- **Awards/Accomplishments:** Division 1 Student-Athlete, The Ruth and Paul Sadler '23 Cup (2025); Holleran Family Girls' Lacrosse MVP (2025); 2× U.S.A. Lacrosse All-American (2024, 2025); Highest Honors for 11 Academic Terms (2022–2025)

PROFESSIONAL EXPERIENCE

Deloitte

MAP AI Innovation & Digital Strategy Fellow; Team Captain

Remote

Jan 2026 – Present

- Selected as 1 of 15 captains (~2%) from 654 fellows, leading a 5-person case team through ~5 research sprints/week to design an AI-Powered Olympic Fan Experience Strategy & strengthen the analytical rigor behind Deloitte's 3–5 year AI transformation roadmap
- Structured Initiation Phase by mapping the Olympic fan journey across 4+ stages, synthesizing insights from 6+ stakeholder groups & framing core pain points into a master opportunity statement, strengthening alignment for final presentation to Deloitte on 3/23/26
- Diagnosed 3 core platform gaps across LA28's digital stack (i.e., access limitations, ecosystem fragmentation, and personalization constraints), translating insights into a structured issue tree that improved team's strategic focus for 4 critical downstream workstreams

Columbia University Lionsbridge: Financial Services Bootcamp

Lionsbridge Fellow

New York, NY

Jan 2026 – Present

- Selected for a competitive program led by industry alumni and collaborated in teams to analyze 3–5 company cases, structure models in Excel, and assess viability across key drivers, strengthening analytical discipline and the clarity of insight generation in team settings
- Engage in ongoing mentorship and applied exercises through 1:1 sessions and Wall Street Prep modules, developing foundational accounting, valuation, and modeling skills that enhance problem structuring, quantitative reasoning & readiness for multi-step projects

Varsity Tutors

Independent Tutor

Remote

Feb 2025 – Present

- Manage personalized instruction for 10+ recurring clients and 25+ group learners by structuring adaptable lessons across reading, writing, ELA, and French, strengthening comprehension, skill progression, and consistency of student performance across sessions
- Coordinate multi-level learning plans by diagnosing needs, tracking weekly progress, and providing targeted feedback, improving clarity, confidence, and overall learning outcomes across diverse academic profiles and instruction formats

Wannamoisett Country Club

Summer Banquet Staff/ Golf Caddie (Seasonal)

Rumford, RI

Jun 2024 – Present

- Support high-profile weddings, banquets, and golf events by coordinating 8–10 service workflows, anticipating guest needs, and maintaining pace under variable demand, strengthening operational reliability and the overall quality of event execution
- Provide polished, customer-focused service in a premier club environment by managing guest interactions and venue standards across daily shifts, improving atmosphere consistency, client satisfaction, and the team's ability to deliver seamless member experiences

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Columbia University, NCAA Division 1 Varsity Women's Lacrosse Team

Midfielder

New York, NY

Sep 2025 – Present

- Compete 20+ hrs/week as an NCAA Division I midfielder while balancing training, competition, academics, and community outreach across 3+ local programs, strengthening discipline, teamwork & the consistency needed to perform under high-pressure environments

Athletes Better Together

Student-Athlete Mentor

Greater Boston Area | Remote

Dec 2025 – Present

- Mentor high school athletes through panels, workshops, and 1:1 sessions across 5+ Boston-area schools, supporting goal-setting, resilience + performance habits while strengthening communication clarity & consistency of structured youth-development guidance

Morgan's Message

Co-Founder at Columbia University; Phillips Exeter Academy Ambassador

New York, NY

Sep 2023 – Present

- Co-founded Columbia's chapter of Morgan's Message by leading monthly meetings, managing finances across 5+ initiatives, and coordinating executive-board formation, strengthening organizational structure, community engagement & sustainability of advocacy

Phillips Exeter Academy | Females For Finance Club

Student-Athlete Mentor

Exeter, NH

Apr 2024 – Jun 2025

- Co-led a 25+ member finance club by organizing weekly sessions on investing and budgeting and managing event budgets across multiple activities, strengthening financial literacy, engagement, and the continuity of leadership development within the community

SKILLS & INTERESTS

- Language: French (Proficient); Honor: Second-Third Year French Prize for High Academic Achievement in French (2023)
- Instrument: Over 10+ years of cello study, quartet, and ensemble experience

HENRY W. CHEN

(650) 888-9265 | henwchen@gmail.com | henrychen.com

EDUCATION

University of Pennsylvania – School of Engineering and Applied Science

B.S.E Mechanical Engineering and Applied Mechanics (Planned Conc. Dynamics, Controls, and Robotics)

- **Activities:** Varsity Men's Golf Team, Wharton Undergraduate Entrepreneurship (Incubator), Hyperloop, Robotics Entrepreneurship, Combat Robotics, Penn Athletic Leadership Wharton Academy, Venture Lab

Philadelphia, PA

Expected May 2029

Crystal Springs Uplands School

GPA: 3.99

- **Activities:** Robotics, Varsity Golf Co-Captain, Math Club, Math Ambassador, Chess Club, Debate, Jazz Band, Chamber Ensemble

San Mateo, CA

Graduated May 2025

University of Pennsylvania – Jerome Fisher Program in Management and Technology

Earned Course Credit from the School of Engineering and Applied Science - EAS 0028

Philadelphia, PA

June – July 2024

WORK EXPERIENCE

Schematic AI | Mechanical Workflow Automation

Business Operations, Growth

- Engaged top industry leaders to identify opportunities to improve operational efficiency with Schematic AI's streamlined mechanical workflows.

Stanford, CA

September – November 2025

Penn Hyperloop | Not-a-Boring Competition

Business Operations, Fluid Systems Engineer

- Runs fluids calculations on slurry management and muck retrieval to specify design specifications for fluid systems on TBM.

Philadelphia, PA

September 2025 – Present

Munch Industries | Robotic Food Automation Startup

Mechanical Engineer

- Mechanical design engineer for Orble, an automated, modular machine capable of delivering freshly brewed bubble tea.
- Engineered space-constrained shielding system with motor, wiring, and MCU integration to isolate and protect cleaning operations.

Philadelphia, PA

October 2025 – Present

Elytra Robotics | Autonomous Robotic Infrastructure Startup

Mechanical Engineering Intern

- Designed custom swerve drivetrain for industrial rover designed for rotation-translation independent mobility across indoor and outdoor terrain.
- Modeled custom onboard trash compression mechanism optimized for tight packaging.

San Francisco, CA

May – June 2025

Gryphon Robotics | Robotics Organization

Senior Mechanical Engineer, Head of Operations

- Oversaw all mechanical components of research, design, manufacturing, and testing processes.
- Head of teleoperation of robot during competition, alliance coordination, and match strategy.

San Mateo, CA

May – June 2025

PROJECTS

Rubik's Cube Solving Robot

Project Lead - Independent

- Designed and fabricated a fully modular Rubik's Cube solving robot, integrating custom mechanical and electrical systems with software.
- Achieved sub-second solve times with optimal sub 20-move solutions by implementing the Kociemba algorithm.
- Coordinated and managed project timelines and budgets using Gantt chart, keeping total expenditures under \$150.

San Mateo, CA

January – May 2025

Pricing Financial Derivatives

Project Lead

- Interviewed Mathdi Kavian, independent quantitative researcher, gained insight into mathematically-based trading models
- Analyzed both closed-form and free boundary versions of Black-Scholes Model.

San Mateo, CA

May – June 2025

FitBox

Project Mechanical Lead

- Portable workout solution that allows users to experience variable, simulated weight through electromagnetic resistance
- Oversaw mechanical ideation, design, and fabrication of venture's MVP and assisted in developing GTM strategy

Philadelphia, PA

June – July 2025

AWARDS

All-American Scholar

Issued by Rolex

- Recognized as 1 of 50 junior golfers internationally in recognition of exceptional academic achievement

Braselton, GA

November 2024

Isabell R. Luo

[LINKEDIN PROFILE](#) • +1 (617) 301-3177 • ILUO@MIT.EDU

EDUCATION

Massachusetts Institute of Technology

Bachelor of Science in Business Analytics & Computer Science (AI & Decision Making)

Cambridge, MA

Expected Graduation: June 2029

- **Cumulative GPA:** 5.0/5.0 | **SAT:** 1560
- **Accomplishments:** Student-Athlete (Track & Field Team); Cum Laude (Phillips Academy); Start MIT 2026 Accelerator Program; Villars Fellow (Switzerland Global Systems Leadership); Make-A-Play Foundation x Deloitte (AI Innovation Fellowship)
- **Relevant Coursework:** Optimization Methods in Business Analytics, Corporate Financial Accounting, Principles of Microeconomics, Introduction to Computer Science Programming in Python, Multivariable Calculus, Linear Algebra

PROFESSIONAL EXPERIENCE

Deloitte

MAP AI Innovation & Digital Strategy Fellow

Remote

Jan 2026 – Present

- Collaborated with a 5-person case team to map LA28's digital architecture across Google Cloud, Snowflake, Autodesk, Cisco, and Comcast, synthesizing 40+ partner capabilities into a unified planning blueprint that highlighted key challenges in data integration
- Led Planning Phase analysis comparing LA28's digital maturity to NBA, NFL, and F1 benchmarks, quantifying gaps in real-time personalization, 5G density, and AR engagement to identify three highest-ROI pathways for AI activation ahead of the 2028 Olympics
- Structured a risk thesis on LA28's digital scalability by diagnosing legacy venue constraints, fragmented fan identity, and 1,000% traffic spike exposure, pressure-testing partner integrations to identify key risks that could impair projected AI workflows + fan experience

Geo@MIT

Lead Project Consultant

Cambridge, MA

Sep 2025 – Present

- Lead a 5-person team conducting techno-economic modeling and feasibility analysis for Vermont Community Thermal Networks, evaluating capex profiles, payback periods, and stakeholder constraints to guide school-district decarbonization decisions
- Manage cross-sector relationships with engineers, local officials, industry partners, and community groups, synthesizing technical and financial inputs into a geothermal proposal balancing feasibility, funding pathways, and public-impact priorities

MIT Learning Matter Lab

Undergraduate Researcher

Cambridge, MA

Sep 2025 – Present

- Benchmark and fine-tune ML Interatomic Potentials for reaction-mechanism prediction, diagnosing drift and accuracy gaps and generating next-step tuning experiments that guide the lab's 2026 model-improvement roadmap and validation protocols
- Automate MLIP evaluation in Python to reduce processing time across experiments, enabling the next wave of high-throughput testing the team will deploy for upcoming publications and model-comparison studies across catalytic systems

Scout Clean Energy

AI Strategy Consultant (via MIT Energy and Climate Club)

Remote

Sep 2025 – Dec 2025

- Mapped end-to-end EPC workflows and benchmarked AI use cases across leading renewables developers, identifying 8–10 automation opportunities that could streamline engineering throughput and improve execution for Scout's 16+ GW clean-energy pipeline
- Built financial and operational cases for targeted AI deployment by analyzing ROI levers, data-quality constraints, and integration risks, securing leadership approval to launch a pilot projected to deliver a 20–30% return through cycle-time reductions and cost avoidance
- Led weekly client working sessions with engineering, procurement, and IT teams while conducting diligence on external AI vendors, synthesizing technical requirements into a clear recommendation set that aligned product capabilities with Scout's digital roadmap

LEADERSHIP & COMMUNITY DEVELOPMENT

MIT Martin Trust Center for Entrepreneurship

Student Board Member

Cambridge, MA

Sep 2025 – Present

- Advise center leadership on venture programming and co-manage a Startup Career Fair for 50+ ventures, increasing cross-campus engagement across engineering and business and informing next-phase recruiting strategy for MIT's entrepreneurship ecosystem
- Collaborate within StartLabs to run TAM/SAM/SOM sizing and competitive analysis for an AI-powered personal CRM, applying Disciplined Entrepreneurship insights to shape product positioning and advance the team to the next pitch-competition round

MIT Varsity Women's Track & Field

Student-Athlete

Cambridge, MA

Sep 2025 – Present

- Balance 20+ hours of weekly collegiate training with MIT-level academics, leveraging teamwork, discipline, and performance habits developed during the Phillips Academy 2025 NEPSA Division I title run to sustain competitiveness at the varsity level

Citizens' Climate Lobby MA Youth & MA Youth Climate Coalition

Co-Founder & Co-Leader

Boston, MA

Sep 2022 – Jun 2025

- Built and led a 10-person organizing team to execute six statewide summits and mobilize 1,000+ youth lobbyists, contributing to S.2967's passage and earning the national John Goddard Prize while expanding civic engagement across Massachusetts
- Scaled operations to 30+ schools and NGO partners by developing SOPs for summits and lobby weeks, securing Boston Globe coverage, and establishing durable systems that strengthened continuity and amplified statewide climate-advocacy impact

ADDITIONAL SKILLS & INTERESTS

Skills/Language: AI Strategy, Market Research, Data Analysis, Stakeholder Mgmt., English & Mandarin (Native), Spanish (Advanced)

Programs: Python, PowerPoint, Excel, Replit, Adobe Creative Suite

Interests: Consulting, Global Business, AI/ML, Quantum Computing, Fitness, Gastronomy, Classic Literature, Fine Arts, Jewelry Making

ISABELLA M. FORMOSO

ISABELLA FORMOSO | LINKEDIN • (201) 985-7047 • IFORMOSO@ANDREW.CMU.EDU

EDUCATION

Carnegie Mellon University – Pittsburgh, Pennsylvania

GPA: 4.0/4.0

B.S. in Business Administration, Intended Concentration in Business Analytics

Anticipated Graduation: May 2029

- Accomplishments: Duquesne's Supply Chain Case Competition (3rd)
- Relevant Courses: Principles of Computing, Business Computing, Accounting, Business Science, Micro Economics

PROFESSIONAL EXPERIENCE

Carnegie Mellon University's Center for Diversity and Inclusion – Student Ambassador | Pittsburgh, Pennsylvania

08/2025 – Present

- Interact with students, families, alumni, and staff to route communication and address concerns to ensure a welcoming environment
- Represent the Center at campus events through tabling and panel participation to promote inclusivity and professionalism across the university
- Execute administrative and logistical tasks supporting inclusion and belonging programming to maintain organization and confidentiality

Prawdzik Properties – Finance and Operations Associate | Montclair, New Jersey

09/2024 – Present

- Manage and record over 2.5M in company expenditures from \$5 to \$100k transactions, ensuring accuracy and enabling informed budget decisions
- Evaluate and model acquisition and refinancing options using DCF and sensitive analysis to predict risk and compare projects for acquisition
- Collaborate cross functionally to lead onboarding and workflow integration for an intern and VA, improving operations and communication

LEND Center, Stony Brook University – Assistant Data Coordinator | Stony Brook, New York

08/2023 – Present

- Compile, clean, analyze, and manage faculty and trainee data for the National Information Reporting System to support compliance and tracking
- Generate analytical reports to support program evaluation to enable stakeholders to assess performance and identify trends across initiatives

Camber Property Group – Market Research Intern | New York City, New York

06/2024 – 08/2024

- Conducted market and financial analysis to evaluate expansion opportunities beyond New York City to inform growth and high potential markets
- Assessed deal structures, key risk indicators, and competitive locations to forecast investment decisions and potential competitors for risk mitigation
- Implemented data collection initiatives to develop an ESG report to enhance credibility with future investors and improved funding opportunities

MAP x Deloitte – Strategy and Innovation Fellow | Remote

12/2025 – Present

- Selected as 1 of 50 NCAA athletes nationwide for a Deloitte fellowship focused on AI product innovation, digital strategy, and problem solving
- Serve on a five-analyst team delivering 20+ outputs including research synthesis, AI feature ideation boards, wireframes, and monetization models

LEADERSHIP & COMMUNITY DEVELOPMENT

Tepper Undergraduate Real Estate Club – Analyst | Pittsburgh, Pennsylvania

08/2025 – Present

- Participate in weekly financial and market teach-ins, strengthening analysis skills and applying market insights to current investment discussions
- Engage as a NAIOP member by attending monthly commercial real estate forums, expanding industry knowledge and building relationships

Tepper Women in Business Club – Associate | Pittsburgh, Pennsylvania

08/2025 – Present

- Attend 7 bi-weekly associate development trainings, translating professional development content into collaboration and workplace readiness
- Contribute to semester-long projects with non-profit organizations by collaborating with club members to deliver data driven, informed solutions
- Contributing skills developed in highschool equivalent club role which included spearhead inaugural conference and implement financial literacy

Navy Seal Foundation Trident Impact – Member | New York City, New York

11/2025 – Present

- Engage in young professionals network, attending leadership conversations with Special Warfare operators to strengthen community engagement
- Support initiatives by volunteering at fundraising events including NYC Marathon to contribute to increased awareness for veteran programs

All Together Club – President | Hackensack, New Jersey

09/2021 – 06/2025

- Expanded membership base from 7 to 50+ participants, increasing schoolwide engagement and awareness around individuals with disabilities
- Planned and initiated 6 field trips to elementary schools (grades 2 – 6) with real world application themes to promote life skills and collaboration
- Organized 3 self-advocates and professors as presenters for International Day of Acceptance, sharing diverse perspectives on advocacy to students

NCAA Athletics

Track and Field – Pole Vaulter | Pittsburgh, Pennsylvania

08/2025 – Present

- Train and compete as a collegiate athlete, executing plans and meet strategy to consistently perform under competitive, high stakes conditions
- Prior Achievements: NJ#3, NJ Group 4 State Champion, 1st Athlete to Win their Section for 3 Years in a Row since 2010, Varsity Captain

NON-TECHNICAL SKILLS & INTERESTS

- Skills and Language(s): Spanish (Basic), R Studio (Basic), Problem Solving, Interpersonal Skills, Leadership Development
- National Scholarships and Awards: Burger King Foundation (2025), Hispanic Scholar Fund (2025), New Jersey State Elks Most Valuable Student (2025), Bloomberg Terminal Certification (2023)
- Interests: Track and Field, Babysitting, Volunteering (Services for the Under Served and Special Olympics), Reading, Traveling, Podcasts

Jackson M. Meleney

[LinkedIn](#) • (951) 833-3467 • jackson_meleney@brown.edu

EDUCATION

- Brown University** – Providence, RI **GPA: 3.5/4.0**
B.S. in Computer Engineering | B.A. in Business Economics | SAT: 1410 Graduation Year: 2029
- Accomplishments: NCAA Division 1 Student-Athlete (Brown Water Polo)
 - Relevant Courses: Multivariable Calculus, Principles of Economics, Intro to Programming/Comp Sci, Intro to Engineering
- Santiago High School** – Corona, CA **GPA: 4.75/4.0**
High School Diploma Graduation Year: 2025
- Accomplishments: PAASAC Award Recipient, RCOE Student of the Month, 24-25 CBAADA Athlete of the Year

PROFESSIONAL EXPERIENCE

- MAP x Deloitte** – *Strategy & Innovation Fellow* | Remote **12/2025 – Present**
- Selected as 1 of 50 NCAA athletes nationwide (10% acceptance rate from 500+ applicants) for a Deloitte-sponsored fellowship focused on AI product innovation, digital strategy, and client-facing problem solving.
 - Collaborate with student-athletes from 15+ Division 1 universities to produce research briefs, insight summaries, and slide deliverables that mirror entry-level consulting workstreams.
 - Compete in three consulting-style mock interviews simulating Deloitte recruiting environments, practicing structured behavioral frameworks and concise business reasoning under time pressure.
- Summer Transition Engineering Program** – *Member* | Brown University **06/2025 – 08/2025**
- Completed an intensive pre-engineering curriculum covering physics, engineering concepts, MATLAB, and SolidWorks, designed to prepare students for engineering coursework
 - Collaborated on a team-based product design project, developing a functional bottle prototype from the concept to a presentation
 - Presented a product and technical analysis to a panel of engineering professors, staff, and upperclassmen, explaining design choices, data results, and tradeoffs
- Chino Hills Area Water Polo** – *Volunteer* | Corona, CA **08/2021 – 12/2024**
- Managed game timing, statistics, and scorekeeping for high school season and tournament matches, ensuring smooth event operations
 - Coordinated with referees and coaches to maintain a quick flow of schedule and compliance of league/club rules and regulations
 - Supported team events during offseason contributing to an outside organization while developing attention-to-detail skills and leadership

LEADERSHIP & COMMUNITY DEVELOPMENT

- Brown Water Polo** – *NCAA Division 1 Athlete* | Providence, RI **08/2025 – Present**
- Balanced the demands of Division 1 athletics while maintaining a strong academic performance
 - Commit 20+ hours per week to training, competition, film review, and recovery while managing coursework deadlines
 - Contribute to a team culture through consistent preparation, energy, and accountability while developing skills under pressure to lead to good performance
- Santiago Water Polo** – *Varsity Captain* | Corona, CA **06/2024 – 11/2024**
- Led three different levels of teams through practices, games, and tournaments, creating a good team environment while ensuring accountability
 - Mentored underclassmen to develop skills, promote a positive team culture, and instill discipline to result in improved season performance

ADDITIONAL SKILLS

- Skills and Language(s): Data Analysis, Java, Matlab, English(Native), Spanish(basic)
- Programs: Powerpoint/Slides, Word/Docs, GitHub
- Interests: NFL, NBA, Hip-Hop/R&B, Traveling, Food, Fitness, Water Polo, Movies

www.linkedin.com/in/jacqueline-zang • (914) 999-0551 • jacquelinezang10@gmail.com

EDUCATION

Carnegie Mellon University – Pittsburgh, PA

GPA: 4.0/4.0

B.A. in Information Systems | Minor in Artificial Intelligence | ACT: 36 | Graduation Year: 2029

- **Accomplishments:** Trenton AOH Division 1 Golf Outing Committee Scholarship 2025, AJGA Rolex Scholastic Junior All-America 2024
- **Relevant Courses:** Principles of Computing, Methods for Statistics & DS, Demystifying AI for Everyone: Concepts and Applications

PROFESSIONAL EXPERIENCE

MAP x Deloitte – *Strategy & Innovation Fellow* | Remote

12/2025 – Present

- Selected as 1 of 50 NCAA athletes nationwide (10% acceptance rate from 500+ applicants) for a Deloitte-sponsored fellowship focused on AI product innovation, digital strategy, and client-facing problem solving
- Completed 3-week training centered on structured problem framing, presentation delivery, and client-facing communication frameworks — maintaining a 98% composite performance score and perfect submission record.
- Expected to serve on a five-analyst product team delivering 20+ analytical & creative outputs including research synthesis, AI feature ideation boards, wireframes, monetization models, and KPI dashboards.

Springdale Golf Club – *Part-time Instructor* | Princeton, NJ

07/2025 – 08/2025

- Evaluated individual performance patterns and translated complex concepts into clear, actionable feedback
- Designed and customized drills and training plans specialized for individual ability levels and learning type

LEADERSHIP & COMMUNITY DEVELOPMENT

Carnegie Mellon University Women's Golf – *Athlete* | Pittsburgh, PA

08/2025 – Present

- Developed time management and prioritization skills through balancing 25 hour per week athletic commitment, a full academic workload while missing class time for tournaments; maintained a 4.0
- Performed consistently in high pressure, competitive environments
- Communicated and coordinated with coaches and teammates to deliver feedback and build team environment

Carnegie Mellon University SUDS – *Project Member* | Pittsburgh, PA

09/2025 – 12/2025

- Analyzed 100+ survey responses about job fairs and events with a 3 person consulting team to extract multiple demographic insights for the client, Davis Consulting Solutions
- Developed data visualizations using R for statistical analysis to quantify key trends and support client decision making, and delivered findings to non-technical stakeholders in Davis Consulting Solutions through infographics and charts

Carnegie Mellon University 15-110 – *Student developer (project)* | Pittsburgh, PA

11/2025 – 12/2025

- Parsed and cleaned larger text corpora to construct vocabularies and compute bigram probabilities
- Developed 20+ Python functions for text processing, probabilistic modeling, and pattern extraction
- Visualized and compared language patterns and text distributions using matplotlib

Princeton High School Girl's Varsity Golf – *Co-Founder & Co-Captain* | Princeton, NJ

03/2022 – 05/2025

- Founded and launched a Girl's Varsity Golf team from scratch with Director of Athletics and Coaches
- Recruited and led a team of 10+ girls, resulting in a sectional and state championship title
- Mentored team members to improve overall team performance

Polygence – *Research Student* | Princeton, NJ

03/2022 – 05/2025

- Designed and executed an independent environmental data analysis project involving data collection and analysis in R
- Published synthesized results in a formal research paper in the Research Archive of Rising Scholars

ADDITIONAL SKILLS

- **Skills and Language(s):** Data structures, research synthesis, data visualization & structures, Communication, Problem-Solving, Teamwork, Time Management
- **Programs:** Python, R, SQL, Microsoft Office, Google Workspace
- **Interests:** Biology, reading, puzzles, traveling, rock climbing, hiking, skiing, exploring different cuisines

Jared M. Vilcina-Brown

EDUCATION

Cornell University – Ithaca, NY

GPA: 3.525/4.0

B.A. in Economics | Minor in Psychology | Graduation Year: 2029

- Accomplishments: Division I Student-Athlete (Football)
- Relevant Courses: Psychology, Microeconomics

PROFESSIONAL EXPERIENCE

Recycle Boston – *Sales and Marketing Representative* | Boston, Massachusetts

01/2023 – 01/2026

- Developed and delivered targeted outreach campaigns to local businesses and residents,
- Locked in 5 new partners for monthly contracts, increasing overall revenue.

Martins Landscaping – *Project Manager* | Kingston, Massachusetts

06/2023 – 06/2025

- Directed an 8-person team in the design of landscape installations, which increased client satisfaction scores by 30%
- Developed and implemented new cost-effective material sourcing and successfully reducing project costs by 15%

V12 Elite – Brand Ambassador | Boston, Massachusetts

06/2024 – 08/2024

- Served as a primary brand representative, utilizing official apparel and products to drive consistent visual recognition
- Collaborated directly with business owners on strategic initiatives, facilitating alignment between leadership vision.

LEADERSHIP & COMMUNITY DEVELOPMENT

Fellowship of Christian Athletes – *Member* | Ithaca, NY

08/2025 – Present

- Contributes to the delivery of thousands of meals and supporting long-term food security programs for vulnerable youth.
- Participate in leadership huddles to align community needs align mission-driven initiatives with long-term outreach goals.

MOCA (Men of Color in Athletics) – *Member* | Ithaca, NY

08/2025 - Present

- Participate in weekly workshops aimed at refining leadership, ethical decision-making, and professional communication skills.
- Coordinate peer-led campaigns to recognize faculty contributions, fostering a positive campus during high-pressure periods.

First Generation Student Union – *Member* | Ithaca, NY

08/2025 – Present

- Participate in peer-led workshops and networking sessions to assist first-generation students in navigating elite academia

ADDITIONAL SKILLS

- Skills and Language(s): Driven, Focused, Responsible, Spanish Speaker
- Programs: CSAS – Cornell Student-Athletes for Sustainability, MOCA – Men of Color in Athletics, FCA – Fellowship of Christian Athletes, FGSU – First-Generation Student Union
- Interests: Data Analysis Data Science, Behavioral Data

EDUCATION

University of Chicago– Chicago, Illinois
Bachelor of Arts in Economics, Bachelor of Science in Computer Science

Expected Graduation: 2029
Cumulative GPA: 4.0/4.0

Awards/Accomplishments:

Relevant Coursework: Principles of Microeconomics

Organizations: Varsity Track and Field, Blue Chips Investment Club, Kappa Theta Pi Fraternity, Oracle Trading Group

PROFESSIONAL EXPERIENCE

Charta Health

Software Engineer Intern

Chicago, Illinois

10/2025 – Present

- **Designed and built** a production-grade Python and TypeScript LLM system to execute custom medical-coding analyses across thousands of patient documents, **improving coding accuracy and supporting revenue integrity** for healthcare enterprise clients.
- **Implemented** backend infrastructure and workflow orchestration using Temporal, S3 ingestion, and YAML/Pydantic pipelines to enable scalable document processing and real-time analytics, **supporting reliable production deployment at enterprise scale**.
- **Served** as on-call engineer diagnosing and resolving live production incidents across backend services, **reducing incident resolution time and improving platform reliability** for mission-critical healthcare operations.

Houston Grand Opera

Business Intelligence Intern

Houston, Texas

05/2025 – 08/2025

- **Automated** survey data cleaning and structuring for CRM ingestion by building a custom analytics tool, **saving the Business Intelligence team 15–20 hours annually** and improving data accuracy for downstream reporting.
- **Collaborated** with the Manager of Data and Analytics to design a no-code donor propensity platform, **identifying key drivers of giving and presenting insights** to support increased quarterly donor contributions.
- **Led** end-to-end development of the platform using Python-based analytics workflows, integrating predictive models and preprocessing logic, **and deployed the tool for business testing and operational integration**.

Fleet Feet Sports

Sales Associate

Menlo Park, California

01/2025 – 05/2025

- **Advised** 75+ customers using in-store gait analysis and data-driven fitting tools to deliver personalized footwear recommendations, **generating over \$10,000 in sales** and improving customer purchase conversion.
- **Analyzed** customer movement and product performance data to align recommendations with individual needs, **enhancing customer satisfaction** while supporting higher-value sales and repeat purchases.
- **Managed** inventory tracking and store operations to ensure accurate product availability and timely replenishment, **supporting smooth daily operations and minimizing stock discrepancies**.

MAP x Deloitte

Strategy & Innovation Fellow

Remote

Dec 2025 – Present

- Expected to contribute to the **AI-Powered Olympic Fan Experience Strategy Case**, developing a 3–5 year transformation **roadmap** to increase global engagement and digital monetization.
- Expected to serve on a **five-analyst product team** delivering 20+ analytical & creative outputs including **research synthesis, AI feature ideation boards, wireframes, monetization models, and KPI dashboards**.
- Delivered a **board-style strategy presentation** to **Deloitte leadership**, presenting recommendations supported by user research, commercial rationale, and implementation sequencing.

EXTRACURRICULARS

University of Chicago Track and Field: National Collegiate Athletics Association

Varsity Athlete

Chicago, Illinois

06/2025-Present

- **Committed** over 20 hours per week to structured training, competition, and recovery as a University of Chicago Track & Field athlete, **demonstrating discipline, time management, and sustained performance** alongside a full academic course load.
- **Competed** as part of a consistently nationally ranked NCAA Division III program, **contributing to team performance in high-pressure competitive environments** and upholding elite standards of preparation and execution.
- **Balanced** rigorous athletic commitments with demanding coursework and professional responsibilities, **developing resilience, accountability, and the ability to perform under sustained time and performance constraints**.

SKILLS & INTERESTS

Skills: Financial Modelling (DCF), Financial Statement Analysis, M&A Analysis, Accounting (Income Statement, Balance Sheet, Cash Flow), Valuation, Microsoft Excel, Python, Linux, Data Structures and Algorithms.

Languages: English (Native), Mandarin (Fluent).

EDUCATION

Boston College University – Chestnut Hill, Massachusetts

GPA: 3.5/4.0

B.A. in Management (Finance)

Anticipated Graduation: May 2029

- Accomplishments: NCAA Division I Student-Athlete, Women's Golf Team, Academic Honor Roll
- Relevant Courses: Business Statistics, Excel for Business Analytics, Financial Accounting

PROFESSIONAL EXPERIENCE

Core Threads Start-up - *Global Marketing & Partnerships Associate* | U.S & Shanghai

12/2025 - Present

- Developed investor-ready pitch decks and sales presentations for prospective partners and stakeholders
- Conducted market research and competitive analysis to inform go-to-market strategies and partnership outreach
- Led international sales and marketing initiatives across the U.S. and Shanghai, supporting global product positioning and market expansion

Boston College Women's Golf Team – *Student-Athlete* | Chestnut Hill, MA

08/2025 – Present

- Compete at the NCAA Division I level while balancing academic and athletic responsibilities.
- Collaborate closely with teammates in a high-performance environment that emphasizes accountability, effective communication, and shared goals.

BayView Golf Club – *Assistant golf coach* | Milpitas, CA

02/2023 – 08/2025

- Provided one-on-one and group golf lessons to beginner-level junior golfers, coaching students based on each golfer's skills and needs
- Designed engaging practice drills to improve technique and performance, resulting in increased player improvement
- Communicated regularly with parents and staff to track progress and create a supportive learning environment

LEADERSHIP & COMMUNITY DEVELOPMENT

MAP x Deloitte – *Fellow* | Remote

PROFESSIONAL EXPERIENCE

Deloitte

MAP AI Innovation & Digital Strategy Fellow

Remote

Jan 2026 – Present

- Led execution of a 3–5 year LA28 AI roadmap across 10+ deliverables by sequencing foundational data integration, automated content engines & global fan-platform expansion, aligning dependencies/feasibility to strengthen Deloitte’s LA28 transformation plan
- Modeled KPI projections for DAUs (+25–40%), session time (+20–35%), sponsor CPM lift (+15–30%), and multilingual engagement (+30–50%), conducting impact × feasibility scoring and scenario analysis to prioritize initiatives and quantify value for Deloitte leaders
- Synthesized milestones, risks, and mitigations into a client-ready presentation for 3/23/26, highlighting Year-2 platform go-live, Year-4 predictive engine deployment, and Year-5 global fan identity activation to elevate decision quality and roadmap confidence

Onelife Fitness – Front Desk Associate

Front Desk Associate

Arlington, VA

Feb 2025 – Aug 2025

- Managed 50+ member transactions per shift and coordinated dozens of daily court reservations, ensuring accurate scheduling, POS reconciliation, and customer flow to prevent conflicts and maintain high service reliability during peak operating hours
- Supported front-of-house operations by verifying member check-ins, resolving 20+ inquiries per shift, and coordinating facility access, improving operational efficiency and strengthening overall guest experience across a high-volume fitness environment

Reiser Field Hockey Training – Field Hockey Coach

Field Hockey Coach

Arlington, VA

Nov 2023 – Aug 2025

- Designed and delivered weekly training plans for up to 6 athletes, tailoring drills, film notes, and technique feedback to improve game IQ and individual skill progression while tracking development milestones with parents across multiple training cycles
- Coached athletes toward competitive readiness by reinforcing mechanics, conditioning, and decision-making, contributing to 3 athletes earning varsity/JV roster spots, increased playing time, and enhanced tournament selection opportunities

Arlington Field Hockey – Recreation League Coordinator, Coach and Referee

Recreation League Coordinator, Coach & Referee

Arlington, VA

Oct 2022 – Oct 2024

- Coached 70+ athletes (ages 7–12) across seasonal practices and games, teaching core fundamentals, fostering confidence, and driving long-term player retention through structured instruction and consistent developmental feedback throughout multiple league cycles
- Managed league-day logistics—including field setup, safety checks, scheduling, and officiating—to deliver organized, high-quality events for 100+ families, improving program reliability and ensuring smooth game flow throughout each season

Self-Employed Tutoring Service

Private Academic Tutor

Arlington, VA

Jun 2024 – Aug 2024

- Tutored middle-school students in math weekly, adapting instruction and practice plans to strengthen foundational skills and support improved performance on statewide assessments and classroom benchmarks across 5+ targeted instructional units
- Developed personalized study routines and tracked student progress across multiple units, helping learners improve accuracy on targeted concepts and increasing confidence through consistent, skill-building reinforcement across 10+ cumulative tutoring sessions

LEADERSHIP & COMMUNITY DEVELOPMENT

Georgetown NCAA Division I Field Hockey

Varsity Student-Athlete

Washington, DC

Sep 2025 – Present

New York, NY

Aug. 2025 – Present

La Jolla High School

4.92 GPA, 1560 SAT

La Jolla, CA

Aug. 2021 – May 2025

PROFESSIONAL EXPERIENCE

Electrical Engineering Hardware Intern

Extreme Waves

June 2025 – August 2025

San Diego, California

- Engineered and constructed a custom anechoic chamber with microwave absorptive materials. Validated its performance on phased-array systems with experiments, allowing engineers to produce data for future innovation.
- Conducted hardware testing with oscilloscopes, multimeters, bench power supplies, spectrum analyzers, and basic network analyzer measurements, while logging and organizing results that were used by the engineers.
- Utilized Excel to record payments and track expenses by project, reporting to a senior accountant.

Team Member

American Pizza Manufacturing

May 2023 – August 2025

San Diego, CA

- Provided a welcoming and personalized customer experience by greeting guests, engaging in conversation, and guaranteeing satisfaction throughout their visit, ensuring their return to the restaurant.
- Demonstrated strong sales abilities by upselling menu items, memorizing a dynamic and evolving menu to promote new offerings, and guide customers through purchase decisions, creating an additional \$100 in revenue per shift.
- Collaborated with team members in front of house and back of house and managed multiple leadership responsibilities under pressure, resulting in smooth day-to-day operations and no errors in customer's orders.

LEADERSHIP & EXTRACURRICULARS

Varsity Rowing | Columbia University — New York, New York

August 2025 – Present

- Committed 20+ hours per week to training and competitions while maintaining a course load of 17 credits.
- Demonstrated discipline, perseverance, and consistency in both individual and team settings.
- Developed time management, goal-setting, and leadership skills transferable to professional environments.

Make A Play Foundation (MAP) |

December 2025 – Present

- Selected as 1 of 50 NCAA athletes nationwide (10% acceptance rate from 500+ applicants) for a Deloitte-sponsored fellowship focused on AI product innovation, digital strategy, and client-facing problem solving.
- Deliver 10+ weekly strategy assignments covering AI use-case design, user-journey mapping, market research synthesis, feature prioritization, and prototype concepting — maintaining a 98% composite performance score and perfect submission record.
- Expected to serve on a five-analyst product team delivering 20+ analytical creative outputs including research synthesis, AI feature ideation boards, wireframes, monetization models, and KPI dashboards.

Columbia University Lending Core | Financial Junior Analyst

August 2025 – Present

- Participating in workshops, educational sessions, and speaker events focused on private credit and consulting
- Conduct financial analysis on real and simulated lending portfolios, evaluating credit risk, cash-flow projections, and portfolio performance to support data-driven lending decisions, building a strong foundation in analytical skills.

Columbia University Fundraising MITA Project | Financial Team

September 2025 – December 2025

- Managed financial tracking for fundraising efforts, maintaining records of donations in Excel, raising \$3200.
- Monitored follow-ups by recording outreach status and coordinating call-backs to support fundraising efficiency.

La Jolla High School Finance Club | Vice President

August 2023 – June 2026

- Initiated an investment in NVIDIA for the club's investment portfolio, utilizing personal background knowledge in electrical engineering to evaluate the company's innovation and pitch a dashboard to the club.
- Led fundraising initiatives through charity events and conducted market research to identify growth opportunities.

PROFESSIONAL EXPERIENCE

Deloitte

MAP AI Innovation & Digital Strategy Fellow

Remote

Jan 2026 – Present

- Led development of a 5-year LA28 AI roadmap across 10+ deliverables, integrating fan-data sources, broadcast feeds, and historical Olympics inputs to build a centralized cloud model that clarified sequencing logic and strengthened Deloitte's long-term LA28 strategy
- Analyzed automated highlight, multilingual, and predictive-moment use cases for Years 3–4, scoring each initiative by impact × feasibility and modeling KPIs (DAUs +150–250%, session time +50–80%, CPM +10–50%), improving the prioritization of AI pilots
- Synthesized ~5 scenario outcomes & risk frameworks into a final 3/23/26 client presentation, producing decision-ready materials for Deloitte leaders that elevated confidence in testing cadence, mitigations, and launch readiness ahead of LA28's peak global engagement

Sports Business Workshop with Dave Gardi

Research Assistant

Garden City, NY

Jul 2025 – Aug 2025

- Led 10+ hrs/week of independent research and dataset reviews on league operations and player-valuation themes, synthesizing findings into structured insights that sharpened weekly workshop discussions and strengthened the analytical rigor of project debates
- Developed presentation-ready briefs and 2x/week summary reports by translating qualitative interviews and quantitative trends into clear narratives, improving content clarity for group sessions + supporting higher-quality strategic conversations across the workshop

Traditional Lacrosse Program

Coach

Garden City, NY

Sep 2022 – Aug 2025

- Led skill-development sessions for 20+ youth lacrosse players, analyzing individual performance trends and tailoring weekly training plans across 3 seasons, reinforcing discipline, confidence, and decision-making to strengthen long-term growth and team readiness
- Coordinated 5+ hrs/week of coach collaboration to diagnose team needs, redesign practice workflows, and implement structured progression plans for 3+ age groups, improving clarity of instruction and elevating overall player performance under extreme pressure

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Kappa Kappa Gamma

Philanthropy & Campus Engagement Member

Berkeley, CA

Sep 2025 – Present

- Support weekly philanthropy events by coordinating venue setup, managing materials, and aligning logistics with chapter goals, improving event readiness + enhancing the overall efficiency of KKG's community-impact efforts across campus/local communities
- Promote chapter fundraising events and engage participants to drive donations, strengthening outreach efforts and enhancing the visibility and effectiveness of KKG's philanthropic programming within broader university and community networks

Garden City Girls Lacrosse

Volunteer Coach

Garden City, NY

Sep 2022 – Aug 2025

- Led twice-weekly practices and game-day sessions for 15+ youth athletes, providing structured feedback and fostering an inclusive team culture that improved confidence, communication & overall on-field performance across the season through consistent support
- Designed 2+ hrs of pre-practice drill planning and age-specific development programs, tailoring progression to player skill levels and enhancing technical growth, consistency, and long-term engagement for the full roster through structured weekly routines

National Honor Society

Member

Garden City, NY

Sep 2024 – Jun 2025

- Completed 30+ hrs of school and community service projects, coordinating peer involvement and supporting outreach events that strengthened local engagement while advancing NHS's commitment to leadership and civic responsibility across multiple initiatives
- Maintained a 95+ academic average while upholding NHS standards of character and scholarship, modeling strong work ethic and academic discipline to reinforce the chapter's culture of high achievement and integrity through consistent daily commitment

The National Charity League

Member

Garden City, NY

Sep 2020 – May 2024

- Led 50+ hrs of volunteer service across 5+ local nonprofits, coordinating philanthropy projects and adapting support to each organization's needs, strengthening community impact & deepening service engagement through consistent, mission-aligned outreach
- Organized 3x/month community initiatives—including food drives, shelter support, and fundraising events—streamlining volunteer workflows and improving event execution to elevate NCL's capacity to serve partner organizations more effectively

EDUCATION

University of California, Berkeley

GPA: 3.7/4.0

B.A. in Economics Anticipated Graduation: May 2029

- **Accomplishments:** Division I Women's Lacrosse student-athlete competing in a top-tier academic and athletic environment requiring sustained discipline and time management. Distinguished Graduate of Carmel High School (Top 2% of 1,390-student class).
- **Relevant Courses:** Introduction to Economics, Personal Financial Management, Analytic Geometry and Calculus, Leadership and Social Change.

PROFESSIONAL EXPERIENCE

MAP's NXT Fellowship (sponsored by Deloitte) – *participant* | Remote

01/2026 - 03/2026

- Selected as 1 of 50 NCAA athletes nationwide (10% acceptance rate from 500+ applicants) for a Deloitte-sponsored fellowship focused on AI product innovation, digital strategy, and client-facing problem solving.
- Competing in three consulting-style mock interviews simulating Deloitte recruiting environments, practicing structured behavioral frameworks and concise business reasoning under time pressure.
- Scheduled to deliver a board-style strategy presentation to Deloitte leadership on Monday, March 23, presenting recommendations supported by user research, commercial rationale, and implementation sequencing.

Holiday Farms Country Club – *Server* | Zionsville, Indiana

05/2025 - 08/2025

- Delivered high-volume service in a fast-paced private club environment, ensuring accurate orders, timely execution, and consistent member satisfaction during peak hours and large events.
- Coordinated closely with kitchen and service teams to maintain service flow, contributing to smooth operations during high-pressure shifts.
- Supported onboarding of new staff and assumed additional responsibilities during staffing gaps, reinforcing team reliability and service standards.

Baseline Social Boutique – *Sales Associate* | Carmel, Indiana

08/2024 – 05/2025

- Delivered personalized, high-quality customer service in a fast-paced retail environment by actively listening to clients, providing styling recommendations, and building strong relationships that enhanced customer satisfaction and brand loyalty.
- Contributed to the boutique's social media presence by assisting with in-store content creation, promoting new arrivals and brand identity, and supporting marketing efforts to increase engagement and visibility.

Private Lacrosse Coach | Carmel, Indiana

05/2023 – 08/2025

- Led individualized training sessions for athletes across skill levels, delivering clear technical instruction and structured skill development plan.
- Built trust with athletes and parents through consistent communication, contributing to improved performance and athlete confidence.

LEADERSHIP & COMMUNITY DEVELOPMENT

University of California, Berkeley – Division I Women's Lacrosse Student-Athlete | Berkeley, California

08/2025 – present

- Compete at the Division I level while managing rigorous academic coursework, demonstrating discipline, resilience, and sustained performance under pressure.
- Collaborate with coaches and teammates to execute game strategies, incorporate feedback, and maintain accountability in high-stakes competitive settings.

Student-Athlete Business Network (SABN) – *Member* | Berkeley, California

08/2025 – present

- Participate in professional development programming connecting student-athletes with leaders in finance, consulting, and corporate strategy.
- Attended employer-led sessions with organizations including Wells Fargo and Alpine Investors, building foundational exposure to industry pathways.

Alpha Phi International Sorority – *Active Member* | Berkeley, California

08/2025 – present

- Contribute to a values-driven campus organization focused on leadership development and community engagement.
- Support national philanthropy centered on women's heart health through fundraising and awareness initiatives.

Carmel Dance Marathon – *Vice President* | Carmel, Indiana

08/2022 – 05/2025

- Led corporate outreach and sponsorship strategy, securing partnerships with local and regional businesses to support large-scale fundraising initiatives.
- Collaborated with executive leadership to plan and execute year-round events, contributing to \$1.5M+ raised over three years for Riley Children's Hospital.

NON-TECHNICAL SKILLS & INTERESTS

- **Skills and Language(s):** Leadership & Team Development; Client & Relationship Management; Corporate Outreach & Sponsorships; Fundraising Strategy; Verbal & Written Communication; Public Speaking; Problem Solving; Time Management; Collaboration; Adaptability Under Pressure.
- **Programs:** Microsoft Excel; PowerPoint; Word; Google Docs, Sheets & Slides; Canva; Instagram (Content & Engagement).
- **Interests:** Consulting & Strategic Problem Solving; Sales & Client Engagement; Business Management; Marketing & Brand Strategy; Sports Business; Women's Leadership; Health & Wellness; Philanthropy.

EDUCATION

University of California, Davis

Bachelor of Arts in Business

Davis, CA

Expected Graduation: June 2029

- **Cumulative GPA:** 3.30/4.0
- **Accomplishments:** NCAA Division 1 Athlete (Field Hockey), Make-A-Play Foundation x Deloitte (AI Innovation Fellowship)
- **Relevant Coursework:** Microeconomics, Macroeconomics, Calculus for Data-Driven Applications

PROFESSIONAL EXPERIENCE

Deloitte

MAP AI Innovation & Digital Strategy Fellow

Remote

Jan 2026 – Present

- Led the Planning Phase with a 5-person case team to map LA28's fragmented digital stack across Google Cloud, Snowflake, Autodesk, and broadcast partners, synthesizing 40+ capabilities into a unified current-state baseline that surfaced gaps in fan-identity integration
- Diagnosed platform gaps by benchmarking LA28 against NBA, NFL, and MLB digital ecosystems, quantifying shortfalls in unified fan ID, real-time personalization & AI-enabled content delivery, creating a demand-backed case for a next-gen Olympic digital ecosystem
- Transformed insights into clear, student-friendly recommendations by shaping an AI-enabled personalization roadmap—chat interfaces, predictive event discovery & 3DAT replay integration—giving LA28 a practical blueprint to elevate fan engagement across

Davis Women in Business (DWIB)

Board Associate

Davis, CA

Sep 2025 – Present

- Coordinated logistics for UC Davis's largest women's leadership conference and wellness festival, supporting 400+ attendees while managing 20+ sponsor relationships that contributed to a \$15K budget + elevated visibility, operational execution/overall impact
- Led recruitment and performance scheduling for 3 student entertainment groups, streamlining run-of-show operations and strengthening attendee experience through smooth program flow, partner communication, and proactive real-time issue resolution

Earls, Beach House Restaurant

Hostess

West Vancouver, British Columbia

May 2025 – Jul 2025

- Managed reservations and guest flow for a 200-seat waterfront restaurant in West Vancouver, coordinating seating strategy and host-server communication to maintain efficient table turnover and service pacing during consistently high-volume peak hours
- Delivered consistent guest interactions that reinforced brand standards while onboarding and training 4 new hosts on communication protocols, seating procedures, and service-quality expectations to improve team cohesion, shift consistency, and overall service

Collingwood Business Organization

Director of Communications

West Vancouver, British Columbia

Sep 2024 – Jun 2025

- Led top-down communications strategy for a 500+ member business organization, executing campaigns, announcements, and outreach that boosted engagement across conferences, leadership programming, student initiatives & district-wide community events
- Hosted a city-wide business conference and alumni networking event while driving \$44K+ in fundraising revenue and allocating \$3K to community partners, strengthening Collingwood's career-readiness ecosystem and long-term external stakeholder relationships

LEADERSHIP & COMMUNITY DEVELOPMENT

UC Davis Field Hockey

NCAA Division 1 Student-Athlete

Davis, CA

Sep 2025 – Present

- Balance 20+ weekly Division I training hours with a full academic load, strengthening discipline, resilience, and on-field execution while collaborating with 23 teammates and coaches in a high-performance program competing across the Big West conference
- Engage in community outreach through Shriners Children's Hospital visits, introducing kids to field hockey and building meaningful athlete-to-youth connections that extend team visibility, promote campus engagement & reinforce UC Davis Athletics' service mission

Student-Athlete Advisory Committee (SAAC)

Field Hockey Representative

Davis, CA

Sep 2025 – Present

- Represent UC Davis Field Hockey within SAAC, partnering with 40+ student-athletes to shape initiatives improving wellness, resources, and equity across all 25 Division I programs while communicating feedback between athletes and administrators
- Lead service and engagement efforts including blanket-making for UC Davis Children's Hospital, coordinating 10+ teammates to support local families and expand department impact through recurring community-based outreach initiatives

Collingwood School Athletics

Athletics Executive

West Vancouver, British Columbia

Sep 2024 – Jun 2025

- Direct a 40+ student athletics committee by delegating roles and coordinating multiple high-visibility events (including the No Regrets Basketball Tournament & Boys Rugby Provincials), elevating school spirit + operational execution in the process across the entire year
- Run athletics communications through Instagram and weekly PA announcements while launching spirit leaders and bus programs that boosted game attendance by engaging 200+ students and increasing visibility for girls' teams across major competitions

ADDITIONAL SKILLS & INTERESTS

Programs: 2025 DWIB Certificate of Career Advancement and Professional Engagement, 24-25 Wharton Global High School Investment Competition Participant, 2024-2025 DECA International Career Development Conference Qualifier

Interests: Athletics, NHL and NFL operations, Startup Development and Innovation, Investing and Finance, Podcasts, Travel, Live Music

PROFESSIONAL EXPERIENCE

Deloitte

MAP AI Innovation & Digital Strategy Fellow

Remote

Jan 2026 – Present

Selected Case Experience

- LA28 Olympic Games — *AI-Powered Fan Experience Transformation (Digital Strategy / Olympic Advisory Simulation)*
 - Owned Control Phase strategy workstream delivering 10+ outputs across 2.5 months, building a three-pillar investment thesis (AI fan engagement, sponsorship monetization, operational efficiency) to justify pre-LA28 AI investment and strengthen plan
 - Synthesized market evidence including 56% fan demand for AI insights, 70% sponsor demand for digital content, and 33% interest in real-time translation, positioning LA28 as a global AI-enabled sports platform and reinforcing strategic timing early
 - Evaluated 5+ risks including broadcast rights constraints, fan data privacy exposure, and system reliability at Olympic-scale traffic while proposing governance controls, partner alignment frameworks, and redundancy protocols to ensure reg. compliance

Carnegie Mellon University

Swim Lesson Instructor

Pittsburgh, PA

Sep 2025 – Present

- Instruct 10+ children in structured swim lessons each week, adapting drills and teaching methods to varied skill levels while reinforcing water safety fundamentals and improving stroke proficiency, confidence & lesson progression across progressive sessions
- Design skill-based practice plans and provide individualized feedback across multiple sessions, helping young swimmers build technique consistency and measurable progress in foundational strokes/endurance through structured developmental swim instruction

Glenmoor Gardens Homeowners Association

Assistant Head Guard (Seasonal)

Fremont, CA

May 20223 – Present

- Ensure safety for 100+ daily pool patrons by actively monitoring swimmers, enforcing facility rules, and administering first aid when necessary, maintaining a secure environment during high-traffic summer hours through vigilant supervision & rapid incident response
- Support lifeguard team operations by assisting with shift coverage, coordinating deck supervision, and reinforcing safety protocols, helping staff manage peak attendance periods and respond quickly to potential hazards across 5+ lifeguard rotation shifts

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Carnegie Mellon Varsity Swimming

NCAA Division 1 Student-Athlete

Pittsburgh, PA

Aug 2025 – Present

- Train 15+ hours weekly in a Division III varsity program while balancing rigorous academic demands, maintaining performance across 5+ weekly practices, strength sessions, and competitions that reinforced discipline, endurance, and long-term athletic development
- Collaborate with 20+ teammates and coaching staff to prepare for meets through film review, race strategy, and daily training execution, strengthening communication, accountability, and competitive readiness across 10+ meets during the season

Washington High School Varsity Swimming

Team Captain

Fremont, CA

Sep 2023 – Jun 2025

- Led team bonding initiatives and coordinated meet-day logistics including snack tables and team activities across 10+ competitions, strengthening morale, athlete engagement, and overall team cohesion and trust during high-pressure and intense championship meets
- Served as liaison between coaches and 25+ athletes, coordinating schedules, relaying expectations, and resolving concerns to improve communication flow, streamline meet preparation, and strengthen overall team organization and alignment across the season

Washington High School Chemistry Club

Co-President and Tutor

Fremont, CA

Sep 2023 – Jun 2025

- Organized and led weekly chemistry tutoring sessions for 20+ students, designing targeted worksheets and concept reviews that addressed learning gaps and strengthened understanding across 15+ structured meetings leading up to several major school exams
- Coordinated tutoring plans with club officers and instructors while creating structured practice problems and study guides, helping 20+ members reinforce core chemistry concepts and improve academic confidence across multiple academic grading periods

SKILLS & INTERESTS

Skills/Language(s): Microsoft Office Suite (Excel, Powerpoint, Word), Google Office Suite, Python, SketchUP, AutoCAD, MATLAB

Interests: Project Management, Structural Engineering, Sustainable Infrastructure, Data Analysis, Strategy Consulting

PROFESSIONAL EXPERIENCE

Deloitte

Remote

MAP AI Innovation & Digital Strategy Fellow

Jan 2026 – Present

- Led execution of 10+ deliverables by structuring a Year 1–5 LA28 AI roadmap, outlining data-unification, personalization logic, and global scalability foundations that positioned the platform to deliver high-impact fan experiences at LA28 traffic and complexity
- Analyzed Year 3–4 automation levers—auto-highlights, multilingual content, 40–60% faster turnaround, and forecasting models—and assessed impact × feasibility to project 15% engagement gains, improving Deloitte’s prioritization of cost-efficient AI content engines
- Synthesized Year-5 backbone features (i.e., lifetime fan profiles, cross-cycle retention, off-season storytelling, and 2–3× KPI lift) into executive-ready materials, strengthening Deloitte leadership’s confidence in long-term monetization, sponsorship & platform durability

Nail Business Startup

Austin, TX

CEO & Founder

Sep 2021 – Present

- Built and operated a manicure business serving 20+ community clients, managing end-to-end service delivery, scheduling, and quality control to strengthen client retention and drive consistent weekly demand across 12+ recurring customer appointments
- Marketed offerings through weekly social media content and peer referrals, increasing visibility across local networks and expanding the customer base through targeted, low-cost outreach that generated 30%+ month-over-month inquiry growth

YMCA

Austin, TX

Swim Instructor

Jun 2025 – Aug 2025

- Taught 20+ children swim technique and in-water safety fundamentals, adapting instruction to varying skill levels to improve confidence and core aquatic ability across sessions spanning 8+ weekly instructional blocks
- Applied prior competitive swimming knowledge to reinforce safety habits and motor-skill development, strengthening youth athletes’ readiness for ongoing training with measurable progress shown across 5+ key skill areas

Old Navy

Austin, TX

Brand Associate

Jun 2024 – Aug 2024

- Delivered customer service across sales floor, register, and fitting rooms, supporting 50+ daily interactions and improving shopper experience through efficient assistance during peak hours covering 5–7 major store zones
- Processed transactions and maintained organized store appearance, reinforcing merchandising standards and enabling smoother customer flow during high-traffic periods across 20+ product displays and rotating floor sets

LEADERSHIP & COMMUNITY DEVELOPMENT

DECA

Austin, TX

Member

Sep 2023 – May 2025

- Prepared 6 consulting-style case studies for competitive events, analyzing business scenarios under timed conditions and strengthening presentation clarity, strategic thinking, and decision-making across multiple competitions spanning 3+ annual DECA circuits
- Achieved 2× District roleplay medals and qualified twice for State competition, demonstrating consistent performance under pressure and advanced proficiency in structured problem-solving and business communication across 15+ judged event rounds

National Honor Society

Austin, TX

Member

Sep 2023 – May 2025

- Completed 30+ hours of volunteer service supporting local community events, contributing to youth-oriented sporting and crafting fairs and enhancing outreach impact through reliable participation across 10+ recurring service initiatives
- Elected “Miss Westwood” by peers and faculty for exemplifying leadership, character, and academic excellence, reinforcing chapter values and setting a positive standard for student engagement among 200+ eligible student leaders

Westwood High School Athletics

Austin, TX

Varsity Athletics (Swim & Dive + Track & Field)

Sep 2021 – May 2025

- Led a combined roster of ~60 athletes as senior captain while competing as a 2× 6A State qualifier and medalist in Swim & Dive and a 4× MVP Sprinter and 6A State qualifier in Track & Field, elevating team culture, performance, and multi-sport competitiveness
- Earned 7 All-American titles, multiple Junior Olympic medals, and 4 years of national travel experience with the Leander Spartans Track Club while creating and posting team social media content, strengthening program visibility and community engagement
