

MAP x BOFA PARTNERSHIP

MAP ("Make A Play" Foundation) is **the first professional development sports league designed to scale the national athlete-to-analyst pipeline across Wall Street** through a competitive, team-based career development model for NCAA scholar-athletes.

Since launching in 2020, MAP has helped drive 1,000+ Summer Analyst and full-time Analyst outcomes across Investment Banking, Global Markets, and Asset & Wealth Management at many of the nation's top banks — **including 100+ at Bank of America since 2021.**
