GOALS

- Place 100% of our D-League Class into competitive internships
- Place 100% of our Training Camp Class into the D-League for 2021

Overall Vision

Increase the percentage of underrepresented executives in competitive industries by building a strong pipeline of diverse student-athletes with advanced skills for entry-level roles.

* We project to have **160 students** across our three different programs next year—all of whom will be eligible for Summer 2022 internships.
