- Crafts and publishes opinion pieces discussing relevant social and political issues to educate audiences and incite discourse.
- Conducts interviews, compiling stats and data to write compelling reporting and opinion pieces for the sports section.
- Researches current events with a focus on the intersections sustainability and the economy to help the student body be well informed.

Sanctuary Stewardship Committee – *Member* | Amherst, MA

02/2023 – Present

- Recommends priorities and policies to contribute to the long-term oversight and management of the Amherst sanctuary.
- Selected by the Senate and Appointment Board as one of only 2 student members on the committee to advocate for and represent the student body.
- Engage in conversations with members of the committee to determine the best management practices for utilizing and preserving the land.

NCAA Track & Field – *Athlete* | Amherst, MA

09/2022 – Present

- Commits 14+ hours/weekly to practices, lift schedules, and meets to contribute to the overall success of the program.
- Provides mentorship to younger teammates and facilitates communication between athletes and coaches to further develop a strong team culture.

Dean’s Advisory Council – *Member* | Amherst, MA

04/2024 – Present

- Develops actionable solutions with the Dean, aimed at addressing challenges within the student community
- Fosters effective and open communication with fellow council members in addition to engaging in conversations with Amherst College students and staff in order to create more open communication.

AECOM– *BeBOLD Planning & Communications Committee* | Honolulu, HI

05/2024 – 08/2024

- Coordinated events for BeBOLD, an employee resource group at AECOM that focuses on career advancement and building community for Black employees.
- Engaged in discourse with senior level employees within the company and external stakeholders to develop programming to be published.

NON-TECHNICAL SKILLS & INTERESTS

- **Interests:** Sustainability, podcasts, hiking, and free-diving.
- **Fun Fact:** I am the first Native Hawaiian & Chinese hurdler on the Amherst College Track & Field team.
- **Biggest Sports Lesson:** Every detail in your preparation matters. In track, victory is determined by thousandths of a second. Every little aspect of how you prepare has a significant impact; and I carry this lesson beyond track.

NOAH K HARRIS

[LINKEDIN PROFILE](#) • (808) 451-9926 • NKHARRIS26@AMHERST.EDU

EDUCATION

Amherst College – Amherst, MA

GPA: 3.3/4.0

B.A. in Environmental Studies |

Anticipated Graduation: May 2026

- **Accomplishments: Certifications:** “Corporate Finance: ESG” & “Master Microsoft Excel” (**LinkedIn Learning, 2024**).
- **Relevant Courses:** U.S. Environmental Policy, Intro to Political Theory, Legal Science Fiction, & Ecology.

PROFESSIONAL EXPERIENCE

AECOM – *Environmental Consulting & Planning Intern* | Honolulu, HI

05/2024 – 08/2024

- Utilized ArcGIS Pro to evaluate project areas and develop proposals for clients. Proposals were designed for use by clients including NOAA.
- Conducted research on federal triggers/permits and developed an understanding of National Environmental Protection Act regulations to assess project area qualifications.
- Developed and shared presentation materials for internal and external stakeholders; including organizations at the *2024 Hawaii Conservation Conference* with the goal of expanding the firm’s reach.

Amherst College Office of Sustainability – *EcoRep* | Amherst, MA

08/2023 – 05/2024

- Spearheaded a collaborative initiative to introduce compostable Earth Cups to the Amherst College school store and party scene. Thus promoting sustainability by replacing single-use cups.
- Developed and administered in depth education modules of various formats including lectures and powerpoints. The overall goal of these modules was to promote sustainability for Amherst College Students.

Marine Mammal Research Program – *Fieldwork Assistant* | Kona, HI

01/2024 – 01/2024

- Collected, managed, and processed data gathered during fieldwork. Ensured data accuracy throughout the process which was integral to the success of a Ph.D. project.
- Operated research vessel for offshore surveys. Navigated to the necessary areas to collect data while ensuring the team and equipment’s safety.

Hawaii Institute of Marine Biology – *Research Fellow* | Kaneohe, HI

06/2023 – 08/2023

- Facilitated collaborative research with Ph.D. students and M.D. individuals to complete a Ph.D. project regarding humpback whale energetics.
- Conducted an autopsy on a humpback whale which expanded databases, and was used for a Ph.D. project regarding humpback whale energetics.
- Learned and became adept at using various software including MATLAB. This software was used to process humpback whale data that was collected.

LEADERSHIP & COMMUNITY DEVELOPMENT

The Amherst Student Newspaper – *Staff Writer* | Amherst, MA

02/2023 – Present

Current Address:
Charlottesville, Virginia

EDUCATION

University of Virginia, Charlottesville, VA
McIntire School of Commerce

Expected May 2026

- Bachelor of Science in Commerce, Concentrations in Finance and Management with a Track in Real Estate
- GPA: 3.60 / 4.0
- Dean's List (Spring 2023, Fall 2023, Spring 2024)

Relevant Coursework

- Financial Analysis, Strategy & Systems, Corporate Finance, Intermediate Accounting, Marketing, Business Communication, Statistical Analysis, Calculus 1

EXPERIENCE

Run Charlottesville, Charlottesville, Virginia

Co-President

September 2022 - Present

- Originally served as the Chief Financial and Logistics Officer by budgeting and recording expenses
- Manages and teaches 8 personnel by dividing up roles and responsibilities
- Increased participant and volunteer turnout by 40% at events by spreading flyers
- Formed meaningful relationships with over 30 kids from low-income families and encouraged running and exercise

Rover & Wag, Richmond, Virginia & Charlottesville, Virginia

Dog walker/sitter

December 2022 - Present

- Completed over 100 walking and house-sitting services for over 80 clients, for pets at a variety of ages with differing needs and obtained 80+ five-star reviews with over 40 repeat clients
- Communicating with current customers before and during services to assure the best possible care for one's dogs

Department of Forensic Science, Richmond, Virginia

Fiscal Technician

May 2024 – August 2024

- Worked among 5 co-workers to assist in the process of paying vendors and accounting for services
- Assembled and coded invoices to align with accounting specifications
- Managed the inbox and contacted vendors and purchasers to ensure purchase orders were correct, and services were received
- Assisted in monthly reconciliations through excel to ensure payments were correctly recorded

LEADERSHIP

University of Virginia Track and Field, Charlottesville, Virginia

Student-Athlete

August 2023 - Present

- Consistently medaled at the ACC Track and Field Championships; placed top 3 during other season competitions
- Enhance time management skills through balancing 20+ hour weeks of practice, lift, competition, and recovery
- Build effective communication skills through communicating with coaches and teammates
- Earned ACC Academic Honor Roll (2023, 2024) All-ACC Track and Field Academic Recipient (2023/2024) USTFCCCA All Academic (Spring 2023), CSC Academic All-District (2024), and 4x All-ACC in the Pole Vault

Athletics Leadership Academy, Charlottesville, Virginia

Participant

September 2023 - Present

- Engaged with 30 student athletes to improve leadership capabilities and discussion
- Learned from UVA speakers representing administration professors and athletics
- Worked with student athletes to review grants for non-profits through researching, presenting, and analyzing financial statements

Make A Play Foundation (MAP), Winter Fellow (Phase 1) | Remote

Participant

January 2025 - Present

- Selected to participate in an exclusive fellowship for high-achieving college athletes, competing against 200+ others in weekly mock interviews to proactively implement learnings from 3 modules with 10 hours of instruction on interview preparation.
- Analyzed mock interview results each week from Fortune 500 HR professionals, dissecting the personalized feedback to make improvements for future interviews
- Attend weekly virtual recruiting events with MAP's diverse rolodex of partners (Evercore, NFL, Microsoft, Morgan Stanley), learning how to transform my experience as a student-athlete into a successful post-playing career at a leading company.

SKILLS

Excel, Problem Solving, Communication, Financial Analysis, Accounting, Managing, Adobe, Event Planning, Statistical Analysis

SARA I. PEREZ

ALBUQUERQUE, NEW MEXICO • [LINKEDIN.COM/IN/SARA-I-PEREZ](https://www.linkedin.com/in/sara-i-perez) • (505) 347-9544 • SARA_PEREZ@BROWN.EDU

EDUCATION

Brown University – Providence, Rhode Island

GPA: 3.63/4.0

A.B. in International and Public Affairs | Minor in Economics | SAT: 1480

Anticipated Graduation: May 2026

- **Accomplishments:** NCAA Division I Student-Athlete on Cross Country and Track & Field, HSF Scholar, MAP Fellow, Tillman Leadership Fellow
- **Relevant Courses:** Management of Industrial Organizations, Intermediate Macroeconomics and Microeconomics, Single Variable Calculus, Policy and Governance

PROFESSIONAL EXPERIENCE

Office of Residential Life at Brown University – *Community Coordinator* | Providence, RI

August 2024 – Present

- Foster community and wellbeing among 115 dorm residents. Responsibilities include event planning and budget management, performing building and dorm safety inspections, attending weekly meetings, and hosting weekly office hours.
- Facilitated conversations, called Bear Talks, with each of my residents to see how they are doing, how we as Community Coordinators can best support them, and find out what sort of programming they'd like us to plan. Completed 38 such conversations over 10 weeks with each of my residents, and worked with my fellow CCs to cover the whole building of 115 people, and planned a total of 9 events which had attendance from over 40% of the building.

CIC Photonics, LLC – *Administration and Manufacturing Intern* | Albuquerque, NM

May 2024 – August 2024

- Participated in technical training sessions to deepen understanding of FTIR technology and its applications. Gained insights into supply chain management and procurement, including the organization of purchase orders and vendor management.
- Assembled and tested FTIR gas analysis systems to contribute to successful system delivery and functionality. I was responsible for cabling and wiring tasks to ensure efficient and accurate system assembly, and I was able to assemble 2 complete systems over the course of two months, something that would have regularly taken over 4.

Northwest Youth Corps – *Conservation Corps Member* | Eugene, OR

June 2022 – July 2022

- Led a team of 8 crew members during a 2-day trail restoration project in southern Oregon, successfully rehabilitating 2 miles of trail by efficiently assigning roles and responsibilities as Leader of the Day.
- Managed budget and meal planning for a crew of 8 members and 2 leaders during a week-long project, effectively allocating \$350 per week to ensure each person had sufficient and nutritious food at \$5 per day.
- Fostered an open communication environment within the crew by facilitating regular discussion sessions, allowing crew members to voice concerns and resolve conflicts, resulting in a cohesive and engaged team throughout the project.

LEADERSHIP & COMMUNITY DEVELOPMENT

BrunoCares at Brown University – *Peer Support Counselor* | Providence, RI

February 2024 – Present

- Attended weekly training to become a peer counselor to provide mental health support for athletes.
- Plan and present to varsity teams about how to have and de-stigmatize discussions about mental health in a variety of capacities: this includes conversations about handling grief, loss of identity, sexual assault, and how to promote positive talk about fueling and deal with more negative talk.

Bread 'n' Blessings – *Server* | Albuquerque, NM

January 2011 – Present

- Serve hungry patrons and clean up after them in a soup kitchen in Downtown Albuquerque. After the pandemic, I involved myself in the planning of how to re-open the soup kitchen in a safe and sanitary way by turning it into a brown bag pick-up line. We serve between 80-120 hungry people each Sunday this way.

Make-A-Play Foundation (MAP) – *Winter Fellow (Phase 1)* | Remote

January 2025 – Present

- Selected to participate in Phase 1 of an exclusive fellowship for high-achieving college athletes, competing against 200+ others in weekly mock interviews to proactively implement learnings from 3 modules + ~10 hours of instruction on behavioral/technical/hybrid interview preparation.
- Analyzed mock interview results each week from Fortune 500 HR professionals, dissecting the personalized feedback to make improvements for future interviews, submitting a self-evaluation form afterward to demonstrate my eagerness to continue learning.
- Attend weekly virtual recruiting events with MAP's diverse rolodex of partners (Oliver Wyman, Morgan Stanley, Guggenheim, Bank of America, UBS), learning how to transform my experience as a student-athlete into a successful post-competing career at a leading company.

NON-TECHNICAL SKILLS & INTERESTS

- **Skills and Language(s):** Spanish (professional working proficiency), Microsoft Office Suite, Adobe Creative Cloud
- **Interests:** Cooking for friends and family, running with friends, reading

SOPHIA C. STELLABOTTE

<https://www.linkedin.com/in/sophia-stellabotte> • (646) 407-2393 • scs2277@columbia.edu

EDUCATION

Columbia University – New York, NY **GPA: 3.94/4.0**

B.A. in Chemical Engineering | SAT: 1540 | Graduation Year: Spring 2026

- **Relevant Courses:** Humans & The Carbon Cycle, Transport Phenomena, Engineering Separations, Reactor Kinetics, Chemical Engineering for Humanity, Sustainable Water Treatment and Development

Case Western Reserve University – Cleveland, OH **GPA: 3.90/4.0**

Attended from August 2021–May 2024

- **Accomplishments:** Dean's High Honor List, Van Horn Society, AIChE Outstanding Leadership Award, Last Engineer Standing Competition Winner (2nd place)
- **Relevant Courses:** Economics, Chemical Laboratory Methods, Introduction to Circuits, Calculus I–IV, Physics I & II, Thermodynamics

PROFESSIONAL EXPERIENCE

Nexus Engineering Group – *Engineering Consulting Intern* | Cleveland, OH **Summer 2025, 09/2023 – 05/2024**

- Assisted Process Team for 40 hours per week with 15+ projects for clients in the renewable energy, oil/refining, and chemical manufacturing sectors
- Recognized for key achievements including: reviewing and organizing 250+ isometric drawings to build an accurate hydraulic model, categorizing thousands of mechanical parts in Excel, assembling 15 multi-component document packages, and completing 10 pressure safety valve (PSV) pressure drop calculations for a renewable energy plant
- Learned how time and resources drive engineering outcomes for multi-million dollar projects

Manhattan SC – *Soccer Coach* | New York, NY **05/2021 – Current**

- Manages conflicts, coordinates large groups of up to 30, and adapts to unpredictable circumstances while teaching children ages 6-15 soccer fundamentals

NBC News – *TODAY Show Production Assistant/Runner* | Paris, France **07/2024 – 08/2024**

- Transported Olympic athletes and TODAY talent around Paris; communicated their whereabouts and ensured timely arrivals on set
- Secured props, organized more than 50 American fans on Trocadero Plaza for live coverage, and assisted TODAY producers and crew with live broadcasts and taped segments
- Connected Olympic medalist Stephen Nedoroscik, a men's gymnast, with a young American fan who shared the same rare eye condition as him (coloboma). Pitched the story to NBC, a moment that ultimately made national news headlines (including coverage in People Magazine)

E3 Scholars – *Academic Tutor* | New York, NY **05/2022 – 09/2023**

- Helped high school students learn and understand Calculus I and Chemistry coursework via Zoom

Starbucks – *Barista* | New York, NY **05/2023 – 08/2024**

- Ensured customer satisfaction, crafted high quality beverages, and maintained store cleanliness

LEADERSHIP & COMMUNITY DEVELOPMENT

Make-A-Play Foundation (MAP) – *Winter Fellow (Phase 1)* | Remote **January 2025 – Present**

- Selected to participate in Phase 1 of an exclusive fellowship for high-achieving college athletes. Competes against 200+ others in weekly mock interviews to proactively implement learnings from 3 modules + ~10 hours of instruction on behavioral/technical/hybrid interview preparation
- Learning how to transform student-athlete experience into a successful post-playing career at a leading company

Varsity Women's Soccer – *Student-Athlete* | New York, NY & Cleveland, OH **08/2021 – Current**

- Devotes 30-40 hours per week to practices, competition, injury rehabilitation, and team meetings while balancing a full academic course load
- Walked-on to Columbia's Women's Soccer Team; currently serves as the team's mental health representative
- Helped Case Western Women's Soccer achieve its three most successful seasons in program history, including NCAA National Championship runner-up in 2022
- Persevering through injuries while mentoring younger players and fostering a positive team environment

American Institute of Chemical Engineers (AIChE) – *President* | Cleveland, OH **04/2023 – 05/2024**

- Led biweekly executive board meetings. Managed an annual budget of \$8,000 to plan, organize, and delegate work for 50+ person events such as the Adler Banquet, AIChE Holiday Party, and Fall Social
- Expanded engagement with underclassmen as well as other Case Western engineering clubs and fraternities through organizing mixers

Civic Center For Engagement and Learning (CCEL) – *CCEL Scholar* | Cleveland, OH **08/2021 – 05/2023**

- Honors students with outstanding commitment to civic engagement; requires 30+ hours of volunteering each academic year
- Mentored and developed meaningful relationships with underprivileged Cleveland highschoolers through weekly meetings

NON-TECHNICAL SKILLS & INTERESTS

- **Skills:** Microsoft Office, Excel, Aspen HYSYS, Navisworks, Bluebeam Revu, AFT Fathom, Matlab, & RStudio
- **Programs:** Wall Street Trek (faculty-selected for introductory program to careers in business and finance)
- **Interests:** Soccer, Sports, Travel, Restaurants, Baking, Thrifting, Long Walks, New Experiences
