

AVRIL M. WALTERS

[LINKEDIN PROFILE](#) • (203)508-5656 • AVRIL.WALTERS@YALE.EDU

EDUCATION

Yale University – New Haven, CT

GPA: 3.4/4.0

B.S. in Environmental Studies | Certificate in Energy Studies | ACT: 32

Anticipated Graduation: December 2025

- Relevant Courses: Ocean Conservation Policy, Sustainability Management, Topics in World Energy, Physical Science of Climate Change, Intro College Statistics

PROFESSIONAL EXPERIENCE

East Shore District Health Dept – *Intern* | Branford, CT

May 2025 – Aug 2025

- Identified and documented sources of elevated fecal bacteria contamination through utilization of EPA-approved protocols.
- Developed a set of targeted water contamination mitigation strategies and presented to key community stakeholders at town halls.
- Quantified water quality improvements through longitudinal analysis, demonstrating 40% reduction in bacterial contamination levels over 4-years.

Yale Biological Anthropology – *Lab Manager's Assistant* | New Haven, CT

Aug/2024 – Present

- Conducting comprehensive on-boarding of 5 human skeletons into the inventory, including pathological investigations.
- Performing precise age and sex identification using scientific methodologies such as the Suchey-Brookes scale.
- Establishing new standardized cleaning procedures that improve genetics laboratory biohazard safety compliance.

St.George's College School – *Rowing Coach* | London, United Kingdom

May/2022 – Jul/2022

- Coached 25 novice eighth-grade students into intermediate-level rowers through an intensive 8-week training program.
- Developed customized progression plans that accelerated skill acquisition and fostered athletic confidence and student engagement.
- Collaborated strategically with 5-member coaching team to design and implement 8 technically advanced 2-hour lessons.

Tick42 – *Business strategy Intern* | Remote, United Kingdom

May/2022 – Aug/2022

- Gathered information through one-on-one consultations with department leadership, translating diverse stakeholder needs into technical features.
- Developed a prototype SharePoint internal website that revolutionized departmental data management, reducing information retrieval time by 60%

LEADERSHIP & COMMUNITY DEVELOPMENT

Yale Oceanography Student Association – *Founder* | New Haven, CT

Sep/2024 – Present

- Spearheaded inaugural programming, including a Shark Anatomy Workshop and guided Peabody Museum Tours.
- Expanded membership to 40+ participants and secured official university organization status.

Yale Environmental Studies Dept – *Peer Mentor* | New Haven, CT

Sep/2024 – May/2025

- Met with students one-on-one to create goals and provide guidance within the major.
- Attended department events to share my experiences and provide guidance.

Athlete Ally Yale Chapter – *Co-President* | New Haven, CT

Aug/2022 – May/2024

- Expanded membership from 5 to 46 in first year while successfully integrating Athletic co-directors into leadership structure.
- Secured \$2,000 in funding to execute 10 events including networking sessions, academic discussions, and social gatherings.

NON-TECHNICAL SKILLS & INTERESTS

- Skills and Language(s): Intermediate French
- Programs: Microsoft, ArcGIS, Adobe Creative Suite
- Varsity rowing team; 3 years as part of a 38 person team, winning the Ivy League Rowing Championships in 2022, attended 25+ hours of scheduled training over 12 sessions each week.

PROFILE

Creative and results-driven senior with a passion for marketing and digital imagery, skilled in crafting compelling visual content and strategic campaigns. Proficient in Adobe Creative Cloud, Blender, Cinema 4D, and Unreal Engine, with a strong foundation in web design and programming languages like JavaScript and Python. Adept at combining technical expertise with artistic vision to develop innovative marketing solutions that engage diverse audiences.

WORK EXPERIENCE

Communications Specialist

John Hope Franklin Center, Duke University

January 2025 - Present

- Assisted in drafting and scheduling social media posts, newsletters, and blog entries highlighting events, initiatives, and community partnerships.
- Provided on-site assistance for events, including setup, live social media coverage, photography, and videography.
- Designed visually engaging graphics for digital and print materials using Adobe and Canva, adhering to branding guidelines.
- Monitored social media accounts by tracking engagement, responding to comments, and brainstorming content ideas.
- Edited photos and videos for social media posts and promotional materials.

Social Media Intern

Duke University Athletics

August 2023 – Present

- Coordinated and executed social media content for Duke University Athletics.
- Created compelling and visually appealing content, including graphics, videos, and written posts, to promote sporting events.
- Monitored analytics and implemented strategic adjustments for performance improvement.
- Captured high-quality photographs of sports events for marketing materials.

Multicultural Advancement Intern

Duke University

May 2023 – December 2023

- Created and organized department operating plans, external manuals, and internal toolkits.
- Assisted in brainstorming and setting up organizational systems.
- Supported fundraising initiatives and created visual content

Digital Collections Specialist

Duke University

May 2023 – July 2023

- Assisted with the digitization of rare manuscripts, letters, maps, and photographic prints.
- Edited images and created visual content for preservation projects.

Website Designer

Time Away Office, Duke University

June 2023 – July 2023

- Developed an independent, visually engaging website using WordPress.
- Created visual content and maintained consistency with branding guidelines.

VOLUNTEER EXPERIENCE

- City of Shreveport Teen Advocacy Committee
- Power Project Youth Tutor
- Victory and Praise Worship Center Youth Minister
- State of black Shreveport Youth Ambassador
- State of Black Shreveport Newsletter Columnist
- Athlete to Athlete Mentor
- BeWell DuWell House Course, Peer Teacher

HONORS AND AWARDS

- Shreveport Times Best of Preps Honoree
- 2019 Louisiana 4A Track & Field MVP Champion
- 2021 Louisiana 4A Track & Field MVP Champion

Emma R. Dornseif

[LinkedIn](#) | 612-300-4343 | dornseif@princeton.edu

EDUCATION

Princeton University, Princeton, NJ Cumulative GPA: 3.4
B.A. in Anthropology with a focus in Law, Politics, and Economics | Minor in Environmental Studies
Graduating May 2025

- Eastern College Athletic Conference All-Academic Team (2021, 2022, 2023, 2024)

PROFESSIONAL EXPERIENCE

Princeton University– *Climate Research Intern* | Princeton, New Jersey June 2024 – August 2024

- Working in the High Meadows Environmental Institute alongside Professor Gabriel Vecchi and PhD student, Maya Chung to analyze temperature-mortality relationships.
- Using Python to model temperature extremes and associated mortality during extreme cold and extreme heat events.
- Presenting research to groups of other student and faculty researchers to share my results.

Hallelujah Childcare Center– *Teacher's Aide* | Hermantown, Minnesota June 2023 - August 2023

- Using in-depth knowledge of developmental milestones and age-appropriate activities to enhance cognitive, social, and emotional growth in children.
- Designing and implementing creative and engaging lesson plans to align with educational objectives and individual learning styles.
- Communicating with parents and caregivers to provide regular updates on children's progress, behavior, and developmental milestones, fostering a strong home-school connection.

Skyline Social and Games– *Front Desk Manager* | Hermantown, Minnesota May 2022 - August 2022

- Managing daily front desk operations, including handling reservations, processing payments, and coordinating with staff to maintain smooth workflow and a positive customer experience.
- Addressing guest inquiries, concerns, and requests with professionalism and a positive attitude to ensure a high level of guest satisfaction.
- Learning the mechanics of bowling lanes and monitoring functionality of lanes to fix any problems that arose.

Old Navy– *Sales Associate* | Woodbury, Minnesota October 2020 - May 2021

- Providing thorough knowledge on Old-Navy products to engage with and offer assistance to customers when needed.
- Training new employees, teaching effective sales techniques and opening and closing procedures to support team preparedness and contribute to daily operations.
- Maintaining a neat and organized sales floor to create a comfortable and enjoyable customer experience.

LEADERSHIP AND COMMUNITY DEVELOPMENT

Princeton Women's Ice Hockey – *Service Committee* | Princeton, New Jersey January 2023 – May 2025

- Organizing volunteer efforts for the Princeton Women's Ice Hockey team to foster a tight-knit team and engage community members with our program.
- Meeting once a month to brainstorm ideas for community contributions.

- Volunteering several times a year to coach youth hockey, read to elementary students, and engage with the members of the Princeton community.

Save Pond Hockey– *Liaison* | Princeton, New Jersey

October 2023 – Present

- Learning about the effects of hockey on the environment to target and reduce the sport's carbon footprint.
- Presenting about the history of the sport of hockey and the environmental threats that may impact its future to brainstorm about the ways we can reduce the sports impact on a local level.
- Working with the Princeton Women's Ice Hockey team to take personal accountability and begin implementing strategies for reducing our own environment impacts.

Eco-Athletes –*Team Member*

March 2024 - Present

- Joining a team of eco-conscious athletes to advocate for greater climate consciousness across the globe.
- Catalyzing the athlete platform and network of Professional, Olympic, and Division I athletes to inspire greater environmental awareness and stewardship.
- Meeting monthly to learn about technical environmental processes, obtain new methods for promoting green spaces, and hear from inspiring eco-advocates.

Let Her Play– *Liaison*

January – December 2023

- Providing mentorship to improve connections between women and young girls in sport to grow female participation and build a next generation of leaders.
- Establishing a connection between Let Her Play and the Princeton Varsity Club to cultivate a program that brings women from all sports together.
- Organizing group events and gathering volunteer participation to carry out Let Her Play events at Division I games.

ADDITIONAL SKILLS

PRESENTATIONS

Princeton University– *Discovery Day & Summer of Learning Symposium*

- Showcasing research findings with Princeton professors, research faculty, and students in the discipline of Environmental Studies.
- Displaying interactive oral communication skills through sharing ideas, inquiries, and feedback.

RESEARCH AND DATA ANALYTICS

Princeton University– *Senior Independent Project*

- Investigating how media and public bias towards global warming influences preparedness and ability to adapt to changing climates.
- Climate and health data modeling and analysis to assess levels of vulnerability across different sociodemographics.

WRITING

Princeton University– *Senior Thesis*

- Wrote *Degrees of Vulnerability: An Exploration of the Health Impacts of Both Hot and Cold Temperatures in a Warming World* for my senior capstone project.

PROGRAMMING

- Proficient in Python, with experience in scripting and data modeling.

Gavin E. Shipman

EDUCATION

- Harvard University** – Cambridge, MA **GPA: 3.1/4.0**
B.A. in Neuroscience | Graduation Year: 2024
- Accomplishments: Graduated in 3.5 years | Varsity Football team member | 2x All-Ivy League Selection
 - Relevant Courses: Intro to Macroeconomics | Intro to Microeconomics | Neurobiology of Perception and Decision Making | Neurobiology of Behavior
- UNC-Charlotte, Belk College of Business** — Charlotte, NC **GPA: 4.0/4.0**
Master of Business Administration | Graduation Year: 2026
- Relevant Courses: Entrepreneurial Organizing | Design Thinking and Innovation

PROFESSIONAL EXPERIENCE

- Evonik** – *Intern* | Birmingham, AL **06/2024 – 08/2024**
- Shadowed microbiologists and additive manufacturing operators to gain better insight into company operations.
 - Gained knowledge of specialty chemical development, manufacturing, and distribution to further understand pharmaceutical developmental processes
- 3G Chemical Solutions** – *Logistics and Operations Intern* | Bessemer, AL **09/2019 – 07/2023**
- Managed incoming and outgoing shipments and coordinated local deliveries to customers
 - Supported warehousing manager with invoicing, inventory, and customer complaints
 - Presented quarterly KPI data and collaborated in R&D and budgeting for warehousing
- Crawford Clinic** – *Job Shadowing* | Anniston, AL **03/2023 – 07/2023**
- Completed over 50 hours of clinical and surgical shadowing with the general surgeon.
 - Gained experience in patient communication and general/ bariatric procedures.

LEADERSHIP & COMMUNITY DEVELOPMENT

- Harvard University** – *Varsity Football Team Member* | Cambridge, MA **08/2021 – 12/2024**
- Committed 20+ hours weekly practices, games, team meetings, and community service
- Thompson High School** – *Varsity Football Captain* | Alabaster, AL **09/2019 – 06/2020**
- Led team while balancing 25-hour weekly training and full academic load
- Charlotte University** – *Varsity Football team member* | Charlotte, NC **01/2024 – Present**
- Committed 20+ hours weekly to team activities including practices and community events
- Mentor Program** – *Mentor* | Remote **04/2024 – Present**
- Mentored youth athletes via Zoom, offering tailored support to each mentee

ADDITIONAL SKILLS

-
- Skills and Language(s): Spanish, Microsoft Office, R, Python
 - Programs: Matlab, GIS, Posit Cloud, Miro
 - Interests: Healthcare, Sports, Public Health

GRACE TAYLOR

16 Warren Road, Dedham, MA | 617-653-0822 | gtaylor@college.harvard.edu

Education

HARVARD UNIVERSITY

Cambridge, MA

Class of 2025

- GPA: 3.8. BA: Environmental Science and Public Policy (Honors), specialization: Business & Technology
- Minor in Global Health and Health Policy; citation in Spanish
- Relevant courses: Quantitative Analysis I & II, Innovation in Engineering, Big Data, Economics
- Thesis: Quantified the impact of commercially driven deforestation on Ebola outbreaks using epidemiological and spatial data

NOBLE AND GREENOUGH HIGH SCHOOL

Dedham, MA

Class of 2021

- GPA 3.95. Highest distinction every semester. AP scholar award
- Academic All-American athlete. Lacrosse and field hockey captain. Math and biology peer tutor

Experience

HARVARD SCHOOL OF ENGINEERING and APPLIED SCIENCE

Cambridge, MA

Fall 2024

Teaching Fellow: "Innovation in Science and Engineering"

- Led undergraduate teams in breaking down complex challenges, like food insecurity in Boston, into strategic, actionable solutions and prepared them to pitch to a venture capital firm
- Provided guidance and critical evaluation on students' technical innovations, including mobile apps, websites, and engineering prototypes, assessing their feasibility, real-world impact, and potential valuation

VERISK ANALYTICS

New Jersey City, NJ

Summer 2024

Business Analyst

- Identified client needs through data analysis and client interviews then collaborated with the software engineering team through solution creation and implementation to satisfy those needs
- Presented software updates to senior leadership in 50 person meetings
- Nominated by peers to represent interns on social media and lead social events as an "intern-fluencer"

COACH FOR COLLEGE

Ho Chi Minh City, Vietnam

Summer 2023

Physics Instructor and Coach

- Taught physics (thermodynamics and wave calculations) to 150 under-privileged students
- Demonstrated the conquerable nature of these concepts to inspire continued education and improve test scores

Leadership & Activities

HARVARD VARSITY LACROSSE

2021- Present

- 2x All-Ivy League Honorable Mention. All-Ivy tournament team.
- Honda Inspiration Award finalist (1 of 3), recognizing athletes who overcame extreme adversity
- Selected to the 2025 Allstate NACDA Good Works Team for outstanding leadership in community service

ATHLETES IN ACTION LEADER

2021-Present

- Lead faith-based leadership and service initiatives for student-athletes, delivering weekly speeches and facilitating discussions that engage 20–30 peers in personal development, team building, and community impact

MASS GENERAL HOSPITAL VOLUNTEER ADVISOR

2022- Present

- Applied personal experience to advise a team of physicians on restructuring waiting rooms, rewriting visiting hours and changing hospital policies to enhance the patient experience for 18–30-year-olds

TEAM IMPACT FELLOW

2023-Present

- Selected to serve as a representative of Team Impact at Harvard where I assist with support of matched teams, plan and execute community events for children with life-threatening illnesses

HARVARD PEER ADVISING FELLOW

2022-2024

- Utilize social media to market PAF events, interview industry experts in a webinar series
- Advise 30 freshman based on their interests and deep knowledge of the University's offerings

Skills & Interests

- Technical: Power BI, Excel, PowerPoint, GIS, R, big data analysis, Google Sheets, ChatGPT
- Languages: English (native), Spanish (professional working proficiency), Vietnamese (elementary proficiency)
- Interests: Risk modeling, sustainable finance, climate tech investment, reading, baking, Boston sports

Jordan A. Hardy

[LinkedIn](#) • (757) 303-0307 • hjf3xy@virginia.edu

EDUCATION

University of Virginia – Charlottesville, Virginia

GPA: 2.627/4.0

B.A. in African American and African Studies | Minor in Biology

Graduation Year: May 2025

- Accomplishments: Roger and Barbara Calvert Scholarship Recipient, Virginia Athletics Foundation (2023)
- Relevant Courses: Introduction to Entrepreneurship, Introduction to Statistics, Statistics for Biologists, Survey of Calculus I, Advanced Research Seminar in History and African American Studies

PROFESSIONAL EXPERIENCE

Pembroke Animal Hospital – *Veterinary Assistant* | Hampton, Virginia

05/2022 – 08/2022

- Assisted with exams by restraining animals and preparing medical spaces, supporting a productive clinical environment.
- Conducted various lab tests and recorded treatments to maintain accurate patient records.
- Communicated with clients about post appointment care under veterinary supervision, improving follow up compliance and client understanding.

Bay Rivers Boarding and Daycare – *Room Attendant* | Yorktown, Virginia

06/2020 – 04/2021

- Supervised open play groups of 15 - 20 dogs, reinforcing safe play behavior and managing conflict among animals.
- Performed routine grooming and administered medications, supporting overall pet hygiene and wellness.
- Created photo progress reports for clients, increasing transparency and customer satisfaction.

City of Hampton – *Summer Camp Counselor* | Hampton, Virginia

06/2019 – 08/2019

- Led indoor and outdoor recreational activities for children aged 6 - 12, promoting teamwork and creativity.
- Maintained clean and organized camper areas and taught campers responsibility through structured tasks.
- Ensured camper safety by adhering to protocols and providing supervision at all times.

LEADERSHIP & COMMUNITY DEVELOPMENT

CASPCA – *Volunteer* | Charlottesville, Virginia

03/2025 – present

- Sorted and organized pet food and supplies in the community pantry to support local pet owners facing financial hardship.
- Maintained inventory of donated goods and restocked shelves, helping improve service efficiency and client satisfaction.

University of Virginia Track and Field Team – *Student-Athlete* | Charlottesville, Virginia

08/2021 – present

- Balanced a rigorous athletic schedule with a full academic load, demonstrating time management and resilience.
- Collaborated with coaches and teammates to set performance goals, contributing to a culture of accountability, discipline, and support.
- Mentored first year teammates by sharing strategies for academic success and time management, fostering an inclusive environment.

Run Charlottesville – *Student Coach* | Charlottesville, Virginia

03/2023 – 05/2023

- Assisted with weekly event coordination to ensure a smooth, safe, and inclusive experience for all participants.
- Encouraged youth participation through mentorship, helping to build confidence and teamwork.
- Helped lead weekly running events for children across Charlottesville, promoting physical activity and positive youth development.

Black Athlete Sister Circle – *Member* | Charlottesville, Virginia

09/2021 – 05/2023

- Participated in monthly group discussions and mentorship activities designed to support Black women athletes in navigating college life and athletics.
- Contributed to a peer network that focused on mental health, empowerment, and identity among underrepresented student-athletes.

ADDITIONAL SKILLS

- Skills and Language(s): Strong written and verbal communication; Team collaboration and leadership; Time management and organization; Community engagement; Fluent in English; Intermediate proficiency in American Sign Language
- Programs: Microsoft Office Suite (Word, Excel, PowerPoint); Basic programming in R; Introductory experience in Python
- Interests: Sports performance and wellness, Public health and social equity, Community based initiatives; Youth development

JOSEPHINE A. MAJOWKA

WWW.LINKEDIN.COM/IN/JOSIE-MAJOWKA • (832) 865-0628 • JMAJOWKA@UCHICAGO.EDU

EDUCATION

University of Chicago – Chicago, Illinois

GPA: 3.63/4.0

B.A. in Biological Sciences, Specialization in Endocrinology | SAT: 1550

Anticipated Graduation: June 2025

- Accomplishments: UAA All-Academic Honors (2021-2024), Alex's Lemonade Stand Cancer Foundation POST Program Scholar, Delta Gamma Eta Zeta Chapter Scholarship.
- Relevant Courses: Cell Biology, Ecology Biology, Developmental Biology, Genetics, Quantitative Biology, Chemistry, Organic Chemistry, Physics.

PROFESSIONAL EXPERIENCE

Applebaum Lab, UChicago Medicine – *Undergraduate Research Assistant* | Chicago, IL

01/2023 – Present

- Generate 5hmc libraries from patient cell-free DNA samples to enable downstream bioinformatic analysis investigating neuroblastoma gene regulation and clinical risk factors.
- Support pediatric oncology research by creating data to identify novel therapeutic targets, collaborating with postdocs, researchers, and principal investigators to interpret experimental results, aiming to contribute to manuscripts exploring epigenetic mechanisms in neuroblastoma.

Comer Children's Hospital, UChicago Medicine – *Research Assistant* | Chicago, IL

01/2024 – Present

- Conduct qualitative interviews with women and community healthcare workers to assess healthcare access and barriers surrounding maternal and congenital syphilis treatment, as well as other common STIs.
- Manage data collection and transcription to support thematic analysis aimed at informing intervention strategies for rising congenital syphilis rates.

La Rabida Children's Hospital – *Child Life Inpatient Volunteer* | Chicago, IL

02/2024 – 12/2024

- Collaborated with Child Life staff to create and facilitate therapeutic play activities for pediatric patients with complex medical conditions and developmental disabilities.
- Promoted a child-centered care environment by adapting strategies to meet diverse patient needs and supporting during hospitalization.

University of Texas Health Science Center, McGovern Medical School – *Visiting Scholar* | Houston, TX

06/2022 – 08/2022

- Shadowed clinical microbiologists during hospital rounds to understand diagnostic testing workflows for infectious diseases and antimicrobial resistance.
- Assisted in organizing various antimicrobial surveillance studies, compiling and conducting lab data to support research on local epidemiology trends in hospital-acquired infections.
- Prepared and distributed monkeypox specimen collection kits for the Memorial Hermann Hospital System to facilitate early outbreak detection and patient diagnosis.

LEADERSHIP & COMMUNITY DEVELOPMENT

University of Chicago Recreational Facilities – *Visitor Control Attendant* | Chicago, IL

09/2022 – Present

- Manage the front desk check-in process at UChicago's athletic facilities, operating computer software to create visitor passes and event reservations.
- Developed rapport with members to improve client retention and increase membership enrollment.
- Maintained safety protocols to ensure compliance with university policies, contributing to a positive and secure recreational environment.

University of Chicago NCAA Varsity Soccer Team – *Student-Athlete* | Chicago, IL

08/2021 – Present

- Competed as a recruited athlete for UChicago's top Division III ranked soccer program, participating in 3 NCAA tournament appearances.
- Scored 10 goals, 4 assists, and 24 points over collegiate career, helping the team reach the NCAA Elite Eight in 2021 and 2024.

Delta Gamma Fraternity – *Vice President: Foundation, Director of Sisterhoods* | Chicago, IL

01/2023 – 12/2024

- Led fundraising efforts for Delta Gamma's national philanthropy by organizing Anchor Slam and Sweet Paradise events, driving chapter service engagement, and supporting visually impaired communities.
- Tracked and managed chapter service hours to ensure members met national service requirements and promoted a culture of consistent community involvement.
- Organized sisterhood event schedules to enhance chapter-wide participation, aiming to create stronger relationships and overall chapter retention.

Maria Shelter – *Childcare Volunteer* | Chicago, IL

06/2023 – 12/2024

- Provided childcare during free clinic hours at a women's shelter, enabling mothers to access medical services and consultations.
- Observed attending physicians and medical students as they diagnosed and treated patients, gaining early clinical exposure to healthcare access challenges in underserved communities.

NON-TECHNICAL SKILLS & INTERESTS

- Skills and Language(s): Conversational Spanish
- Programs: Microsoft Excel, RStudio (basic) and REDCap (basic)
- Interests: Travel, Soccer, Running, Animal Welfare

KALI O. LONG

EDUCATION

Columbia University | Barnard College – New York, NY

GPA: 3.5/4.0

B.A. in Computer Science and Anthropology- Archeology

Anticipated Graduation: May 2025

- Accomplishments: NCAA Division I Student-Athlete (Columbia University Track & Field)
- Relevant Courses: General Chemistry I & II, Anthropological Theory, Forensic Osteology, Physics, Chemistry Lab, Science of Psychology

TECHNICAL SKILLS

- **Advanced PowerPoint**: used MECE & Pyramid Principles to design business presentations for Fortune 500 companies
- **HubSpot Market Expansion**: implemented the MARACA model to evaluate growth opportunities for new UHG plan
- **Organizational Redesign**: strategized around the 7 key elements in McKinsey's 7-S model to evaluate two orgs.
- **Project Management Professional (PMP) Training**: initiated, planned, executed, monitored & closed a project
- **Scrum Methodology**: worked in sprints to coordinate project activities and track goals, milestones, and OKRs

EXPERIENCE

JMI Equity – Business Technology Consultant | Remote

07/2024 – 09/2024

- Led Scrum team of 10 people to determine impact of a technological implementation for C-Suite executives of a non-profit
- Oversaw all-hands meetings & managed a portfolio of initiatives required to consult multiple Fortune 500 companies

Long on Language – Web Developer | Cambridge, MA

06/2023 – Present

- Addressed critical website configuration and connectivity issues, with a focus on improving communication functionalities.
- Diagnosed and resolved complex technical problems, ensuring seamless website operation and optimal performance.
- Created informational flyers for clients, demonstrating creativity and attention to detail in marketing material design via WordPress.

The Armory Foundation – Marketing Assistant | New York, NY

02/2022 – Present

- Managed media logistics and credentialing processes for the Millrose Games, ensuring seamless operations.
- Coordinated press conference logistics, facilitating effective communication across stakeholders.
- Supported USADA in implementing doping control measures, ensuring compliance and maintaining standards.

United Health Group – MAP Corporate Strategy Student Consultant; Development Team Member (Planning Phase) | Remote

12/2022 – 02/2023

- Designed a national “doula program” for UHG to positively impact 10k+ BIPOC mothers for Black Maternal Health Week between ’23-26
- Owned the ‘planning phase’ to expand UHG’s 2022 regional plan into national channels to execute a \$1.5M budget
- Analyzed market availability, real-time analytics & customer addressability to drive program into 5+ new markets by 2026

Morgan Stanley – Firmwide Strategy Student Consultant | Remote

07/2022 – 08/2022

- Created a multi-channel financial wellness program for Strategy & Operations team to enhance employee relationships post-COVID
- Introduced several initiatives (i.e., digital financial portal) to assess & address the financial concerns of Black/Hispanic workers at the bank
- Developed a 3-year action plan to reduce Black/Hispanic workers financial stress around future earnings from 61% to <50% by 2025

Credit Suisse – HBCU Recruiting Student Consultant | Remote

06/2022 – 07/2022

- Created a 3-year redesign roadmap to increase the percentage of HBCU applicants to summer internships and entry-level roles
- Outlined the long-term vision needed to achieve the strategy by establishing S.M.A.R.T. goals to provide clarity for each year of the plan

LEADERSHIP & SPECIAL ACTIVITIES

Society of American Archeology - Symposium Chair & Presenter

- Managed logistics and coordination for a symposium, overseeing speaker recruitment and event planning.
- Facilitated workshops to guide participants through abstract development and presentation preparation.
- Developed a platform addressing diversity and inclusion within archaeology

Parkour Generation Boston - Lead Coach

07/2019- Present

- Certified as a Level 1 Parkour Coach, and led private & group sessions, tailoring solutions to meet individual needs and optimize outcomes.
- Created and edited digital educational content, enhancing user engagement and learning experiences.
- Managed apparel logistics for major events, oversaw inventory line operations to ensure efficiency and alignment with brand standards.

Picuris Pueblo Tribe - GIS Analyst, Archeological Field Assistant, CRM | Picuris Pueblo, NM

07/2023 – Present

- Collaborated with tribal leaders and experts to deliver data-driven solutions addressing critical environmental challenges
- Led a GIS project analyzing historical watershed data to support the Picuris Pueblo Tribe’s water rights legal case
- Developed presentations and legal documents from complex GIS data to support environmental and legal initiatives

Make A Play Foundation (MAP)

- Advanced Placement D-League Fellow (Team Crossover) | Remote
12/2022 – Present
 - o Led Scrum team of 10 people to determine impact of a technological implementation for C-Suite executives of a non-profit
 - o Oversaw all-hands meetings & managed a portfolio of initiatives required to consult multiple Fortune 500 companies
 - o Selected as 1 of 96 high-achieving sophomores to participate in a professional development fellowship for minority athletes
- Training Camp Summer Scholar (Gold Team) | Remote
06/2022 – 08/2022
 - o Received 35+ hours of targeted interview prep., professional development coaching & industry-specific training for F500 roles
 - o Collaborated with a 6-person scrum team to consult Credit Suisse and Morgan Stanley on financial wellness + HBCU initiatives

Oliver Wyman – Introduction to Consulting 101 Participant | Remote

06/2022 – 08/2022

- Met with OW’s “EMPOWERED” ERG to receive technical training for case interviews, written case interviews & behavioral interviews
- Developed business acumen through exposure to firm-wide functions including Business Services, Industrial Products, Private Capital, etc.
- Learned about OW’s history and culture and the range of different projects the firm undertakes (i.e., automotive, energy, healthcare, travel)

Kamsi N. Nwogu
