WELCOME WARRIOR

**A 501(c)(3) Public Charity
providing hope for those
needing Grace.**

Giving back through life-
changing experiences.

Our Team

Our amazing team of seasoned veterans, first responders and part-time volunteers are committed to helping others. We take our convictions and turn them into action. Think you would be a good fit? Get in touch for more information!

Our History

Seeing a need for energetic, nonprofit work in this area, we formed our organization to provide sensible solutions. We've consistently grown since then, all thanks to the helping hands of this amazing community!

WHY GRACE

Grace is most needed and best understood in the midst of sin, suffering, and brokenness. We live in a world of earning, deserving, and merit, and these result in judgement. That is why everyone wants and needs grace.

Support Our Mission

Your support and contributions will enable us to meet our goals and improve conditions. Your generous donation will fund our mission and is deductible under IRC Section 170.

Our Mission

Helping our **“Warriors”, veterans and first responders**, grow their **physical, mental, spiritual, and financial success**. We do this by having them commit to **“The Experience”**. A program that focuses on the four core areas, **inspire, educate, empower, impact**.

COUNSELING & DISCUSSION

Providing a place for our Warriors to turn to for counseling and discussion, whether they're needing someone to talk with, or need guidance getting on the right path. Open to Veterans and First Responders.

COACHING & EDUCATION

Providing a place for our Warriors to turn to for coaching and education. We do this by helping our Warriors find the path that they're on. Topics are not limited and will be focused on growth, body, and mindset. Open to Veterans and First Responders.

PHYSICAL FITNESS & TRAINING

Providing a place for our Warriors to turn to for fitness and training. Through guidance and “The Experience” we will focus on physical health. Areas of focus will be growth, body, and mindset. Open to Veterans and First Responders.

Find more ways to help!

A nonprofit is as strong as the community that holds it up. Together, we can do more than we can do alone. Let's bring our abilities and passions together to affect real change.

There are many ways to join us and support our mission. Contact us to find out more about volunteer opportunities, fundraising events, and ways that you can get our message to your friends and family.

Our Leaders

Matt Neelley

"No one really showed me how to be SUPERIOR, achieve massive success or create ABUNDANCE in my life. I had to learn how and now it is my purpose in life to help guide others down their own path of freedom."

Majority of my life, I was on the path of destruction, sedation, and self-sabotage. I was unaware, unconscious, selfish and disconnected from my own reality. I was clearly not living up to my full potential or maximizing my results. I was getting by and every day was the same, my body hurt, my mind was weak, and my relationship with my son was good, but not great!

My first shift happened the day I became a father. I made a promise to myself and my family I would provide for them at all cost. It was the next 13 years of my life that changed everything. I lost my brother at the young age of 20. I watched him take a shotgun to his chest and held him as he died in my arms. The next day I looked at my uncle lie on the floor of my grandma's house blue in the face from a drug overdose. Two

funerals back-to-back. I enlisted in the Army in May of 2006 and served my country honorably till September 2009. I graduated from M.M.I. in Orlando, Florida in 2012. I started my own company that supported the law enforcement and Veteran community across the nation. I was divorced in May of 2013. I moved to Arizona in the same month and year, May 2013. This was a new start, and I could leave all my troubles and worries behind. Wrong! I could not have been more wrong.

My second shift happened in 2014 when I met a now friend of 6 years, Luke Kayyem. Creator of the Fathers of the Future Movement, and Crucible. In 2017 I lost my father. I went downhill fast after his passing. I was ready to give up. I reached out to Luke in 2018 and asked for help. It was not till July 4th of 2019 when I submitted to my lies and showed up to his house that morning at 4 a.m., ready to make a change. That day I started down my own path. The weight of my past slowly began to lift off my shoulders. I spent the next 18 months re-wiring my brain, my lifestyle, and my spirituality.

Today I am still committed to growing my physical, mental, spiritual, and financial success. I do this by living by a code: SHOW UP, DON'T QUIT, DO THE WORK, LEAD WITH LOVE, TRUST THE PROCESS.

Never Quit, Find a Way

"No one showed me how to be a SUPERIOR MAN, achieve massive success or create ABUNDANCE in my life. I had to learn how and now it is my purpose in life to lead men down their own path of freedom."

Just 13 years ago, I was on the path of destruction, sedation, and self-sabotage. I was unaware, unconscious, selfish and disconnected from my own reality. I was clearly not living up to my full potential or maximizing my results. I was getting by and every day was the same, my body hurt, my mind was weak and my relationship with both my wife and my young son was good, not great!

My first shift happened the day I became a father. I made a promise to myself and my family I would not do or become what my Father was to me... a Phantom, a Ghost and a man I never met.

This program is for you if you are a Man, Husband or Father. You are Coachable, Hungry and ready to take action towards becoming a greater, more powerful version of yourself. You are stuck, frozen

or anchored to your current results and are looking to change your pattern by KILLING your EGO and destroying your limitations.

This program is not for you IF you have more reasons than results, you are not willing to intentionally suffer and dive deep into you're conscious, or you are afraid of developing new skills and bridging the GAP between where you are and where you want to go!

We have all inherited the History of Mankind. Break the Pattern, Rewrite History.

After spending 18 years in the Health and Fitness industry, opening the first CrossFit gym in Arizona, immersing myself in intense coaching programs like SealFit KOKORO, Warrior Week, the Way of the Superior Man. Climbing Mt. Kilimanjaro, swimming Alcatraz, completing a 24-hour obstacle course race, 12 years of sobriety and countless other crucibles I designed a course, outline, program, and awakening like nothing else on the planet.

For the first time, the CRUCIBLE is available to any man willing to live by a CODE.

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

Sincerely,

Stephen A. Martin

THE PROBLEM THAT WARRIORS FACE IS THAT THEY OFTEN BECOME STUCK, TRAPPED AND FROZEN IN A PATTERN OF FEAR, SCARCITY, AND ISOLATION. DISCONNECTED FROM THEIR FAMILY, FAITH, AND CONSCIOUSNESS.

Join a movement of Warriors committed to growing their physical, mental, spiritual, and financial success.
