Houston, TX 77068

To whom it may concern,

05/27/2021

It is with much enthusiasm that I am writing to recommend the services of Capitol Professional.

LKQ Automotive has used Capitol Professional for 10 years plus and we have been completely satisfied with their performance. They do an outstanding job, are always punctual and flexible and offer great rates of service.

We have hired them on occasion for additional jobs other than cleaning such as waxing our floors. They are very flexible with our day-to-day schedules and always do precisely what we ask of them.

I am pleased to recommend the services of Capitol Professional. If you have any questions, please feel free to contact me.

Sincerely,

Holly Villanueva
