

HOW THE PEACOCK GOT ITS FEATHERS

TAYLOR

FLEMISH GIANT RABBIT

ABOUT

Retired from the textile industry. Expert in simple engineering principles in the manufacturing of natural fibers into fabric.

Takes afternoon naps after catching up on daily news and events. Council of the Birds member. Best friends with Quinn.

Possesses a gentle disposition. Has a mix of light gray and fawn colored fur. Wears pince-nez glasses and uses an ear trumpet.

LIKES

Cleanliness, quietude, reading, fresh vegetables, Timothy hay and filtered water.

@joelthepeacock

DISLIKES

The heat, pranks and disorder.

HOW THE PEACOCK GOT ITS FEATHERS

QUINN

GREAT HORNED OWL

ABOUT

As its founder, established the boundaries of the forest territory and is the resident who has lived the longest in the community.

Widower; former surveillance officer. Lead member of the Council of the Birds. Best friends with Taylor.

Wears pince-nez glasses. A bit of a food connoisseur.

LIKES

Photography, weightlifting and repurposing materials.

@joelthepeacock

DISLIKES

Wasting food.
