HOW THE PEACOCK GOT ITS FEATHERS

MAMA BEAR

BLACK BEAR

ABOUT

A single mother who enjoys preparing organic vegetarian and pescatarian meals. Skilled in using herbal remedies, particularly honey, for wellness and illness. Council of the Birds member.

Although wary of strangers and is often misunderstood, takes initiative in welcoming new residents to the forest community. Makes care packages which are well-known among the forest animals.

LIKES

Balance, structure, gardening and astronomy.

@joelthepeacock

DISLIKES

Excessive noise and unruly behavior.
