ACTION YOUTH COALITION

*"Inspiring and encouraging our
next generation"*

CHECK US OUT!

WHO WE ARE

Action Youth Coalition (AYC) is a club open for all Johnson County youths ages 12 to 18. We are an inclusive, youth-led club that was formed to help kids engage in a healthy lifestyle!

WHAT WE DO

AYC values making healthy decisions so that our next generation can lead productive lives! To do this, we give our club the opportunity to learn new skills by coordinating fundraisers, events, educational opportunities, and attend youth conferences!

MAKING CONNECTIONS!

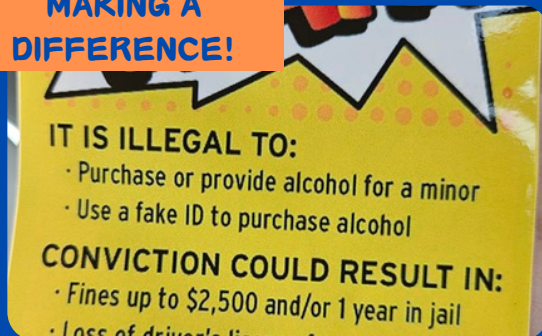

Our club kids competed in the comedy improv contest at the TNSTRONG Youth Summit and made new friends from around Tennessee! (Side note: they won the contest!)

WE WOULD LOVE TO HAVE YOU JOIN US!

Check out the back for info on how to join!

MAKING A DIFFERENCE!

Project Sticker Shock, where we put responsible drinking messages on alcohol products in a local grocery store!

FUNDRAISING!

We raised funds to attend the TNSTRONG Youth Summit by selling donuts and coffee to our community!

CULTIVATING HAPPINESS

Our #1 goal is to inspire our kids to lead by example and make the right decisions. We believe that this next generation has the power to make a change!
