NICK BRADLEY

Welcome to the latest Nick Bradley Racing Newsletter

This week we have the latest news on shares available, some great owner testimonials and the latest news on owner restrictions during the second national lockdown.....

3 GROUP WINS FOR BELARDO

High-flying first season sire BELARDO is enjoying an amazing start to his stallion career, with 3 Group winning fillies in the last month alone. The victory of LULLABY MOON at Chantilly, equals the mark of Pride Of Dubai among leading freshmen on individual Pattern winners.

The Kildangan Stud-based Belardo, a son of Lope De Vega and the seventh foal out of the Danehill mare Danaskaya, hails from the family of Kistena, the winner of the Prix de l'Abbaye, and currently stands for a fee of €10,000 in Ireland. He has sired the winners of 15 races and more than £282,876 in prize-money.

We have some shares available in our daughter of BELARDO (pictured below) to be trained by Marco Botti in Newmarket. [Click here](#) for more details.

POCKLEY WINS AGAIN AT NEWCASTLE

The Roger Fell trained POCKLEY won his second race from three starts at Newcastle last night, having been beaten just a head on his other run. Under a fine ride from Ben Curtis, the son of SHALAA hit the front 2 furlongs out and stayed on too strongly for the well backed William Haggas trained favourite in second place.

POCKLEY, who cost £35,000 at the Goffs Breeze-Up sale in July, is our third Roger Fell trained 2yo winner of 2020 from just 2 horses to run. With MAX OCLOCK scoring at Ayr at 10/1 in August.

We have one share remaining in our daughter of BRAZEN BEAU who is already in pre-training at Roger's yard. A yearling that Nick Bradley describes as "a strong, powerful filly and one I expect to be running in May next year."

The 1% share costs just £399 and includes all training fees for the 2021 season. Click below for further details.

NBR Owner Testimonials

We received some excellent feedback from some of our happy owners last week. A big thank you for all of you that took time out to contact us.

Winners galore: Ben Curtis on a 'fantastic' year from all-weather to Royal Ascot

Regular NBR jockey Ben Curtis, spoke at length to the Racing Post about his amazing 2020. Curtis has ridden 160 winners this year, not only a career-best but, also the most winners any jockey has ridden in Britain this year.

Our very own Dandalla was ridden to victory by Curtis in the Group 3 Albany Stakes, and he said: "It's any jockey's dream to have a Royal Ascot winner. It's not easy to do, it's so competitive so ticking that one off the bucket list was one of the highlights of the year."

New BHA Owner Protocols

With the return of nationwide government restrictions, the BHA announced on Thursday last week that the following additional measures would be in place until December 2nd:

- A maximum of two owners (or representatives) per horse, complying with the restriction that limits social

mixing
between
households.

Owners
must
not
pass
their
unused
badges
to
owners
without
horses
competing
that
day
or
to
other
racegoers

- Owners' time on course will be limited, as was the case when they returned to the racecourse in July. Owners are requested to arrive at the racecourse no more than 45

minutes
before
their
first
horse
is
due
to
run
and
leave
the
racecourse
as
soon
as
they
can
after
the
last
race
in
which
they
have
a
confirmed
runner.

- Racecourses
will
not
be
able
to
provide
hospitality
or
alcohol,
in
line
with
the
government's
decision
to
close
hospitality
settings
including
restaurants,

cafes
and
bars.

- Owners should travel directly to and from the venue without stopping where possible, and must not car share with anyone outside their own household or support bubble, or with anyone who will be in the Green Zone during the meeting.
- Face coverings must be worn at all times,

unless
specific
exemptions
apply.
