Meet our customers

McCall's Meat and Fish Co.

"We've used [LegalZoom] for quite a few things over the years, and overall it's gone very smoothly. They've been easy to work with and very affordable."

Karen Yoo, LLC customer

Bravium

"Without LegalZoom, I probably would have not felt comfortable, from a time and money and effort standpoint, establishing as many brands as I did. And that would have been a bummer because those are the brands that are really keeping the lights on, and helping our business grow."

Derek Rohlfis, trademark customer

Nell C.

"I needed to update my will. I'd heard of LegalZoom. And when I had to update some documents, I looked online at some other companies, but felt comfortable using LegalZoom. The website was very helpful. And having access to a lawyer to make sure that everything was correct made it really doable."
