Help when and where you need it

No more long wait times, or being afraid of catching COVID, or feeling ignored, rushed, and neglected.

As a Cityblock member, you can now receive 24/7 treatment for hospital-level concerns without having to leave home. Call us first and our fully licensed care team will come to your doorstep for non life-threatening* situations. And because we've partnered with your insurance, our services come at no out-of-pocket cost.**

Call us first

Reach us at **833–904–2273 (TTY: 711)**—we'll be right there.

You may notice Cityblock's new look but our commitment to you is still the same.

Please call 911 for life-threatening emergencies. The list to the right is just a sample of what we can help with. If you're not sure, call us and we'll help decide what you need.

**Most of our services under Medicaid Managed Care don't have a copay. If there are any fees, we have a financial assistance program for eligible members.*

Urgent care is a phone call away

Some of the services we are fully equipped to provide are:
