What's New: Forever starts at Kick Back

It isn't a secret that Kick Back has gorgeous views. But besides just the exquisite scenery, KB has the ability to transform any space on the property into a bride's dream. With indoor and outdoor venue spaces, delicious catering options, and cozy cabins for friends and family to stay the night in, this is exactly where your forever needs to start.

Our outdoor Social Deck is perched perfectly to overlook Kick Back Lake. Great for the fall with the everchanging leaves or for watching the moon's glow on a summer night. The Social Deck is also attached with our Dining Hall, an indoor option, available with light stained hardwood tables and benches. Every one of our venues can be transformed to exactly what each individual bride envisions. A short stroll down the social deck and you will find yourself standing in front of Kick Back Lake. A picture perfect frame to say your nuptials. We want to do everything in our power to make this day the best day of your life.
