**Newcomers Activities**

Newcomers hosts monthly meetings and activities. Activities offered are dependent upon level of interest and willing volunteer organizers. Several activities meet via Zoom\* and out of area members can participate in these groups. A complete description of activities and when they are held can be found in our newsletter. **Members receive a newsletter monthly via email.** Mark the activities that interest you.

**Out and About** is a one-time activity organized by various members. The organizer selects the event, date, time & place. Ideally it is an activity that does not require advance reservations or ticket purchases and would be fun for a small or large group. Ideas include: museums, festivals, outdoor concerts and events that are free or where admission is paid at the door.

I am interested in planning one (1) Newcomers Out & About this year
