

It's that time of year again, we are seeking sponsors for this year's Jordan Buck Day which will be held on Saturday, September 27th 2025.

The Jordan Buck Committee began planning and preparing for this year's event in January. This year's event includes a parade, activities and prizes for the kids, craft fair, food vendors, bingo, live music throughout the day, horse drawn wagon rides, softball tournament among other activities.

We are so appreciative of all the generous past donations we have received. It's the generosity of the community that allows us to sustain this great event that attracts 3 thousand plus visitors to the

Danbury area. This year we are expanding out of area advertising to attract even more visitors. Please consider a donation of Titanium, Platinum, Gold or Silver below, however any amount is welcomed and appreciated.

Your sponsorship will be recognized on one or more banners like the one above – displayed before, during and after the event. We must receive your donation by August 20th to ensure inclusion on banner(s) due to printing deadline.

Yes, I want to be a sponsor for Jordan Buck Day 2025!

_____ Titanium, \$300+
