

### ***DMLGG Administrative School District COVID-19 Recommendations & Procedures***

The school district “**highly recommends**” that students and staff members that are **not** eligible to be vaccinated wear masks. Also the school district “**highly recommends**” that those students and staff members that are eligible to receive a COVID-19 vaccine do so before the beginning of school. In addition to these recommendations, the school district will be implementing the following procedures to mitigate the transmission of the COVID-19 virus:

- a. ***We expect parents to do a self assessment of each child every day before they come to school. If your child is sick and running a fever, please contact our office and keep them home. (A COVID-19 Student Protocol to return to school is posted on our website. This protocol addresses vaccinated & unvaccinated students.)***
- b. The district has installed state of the art Air Purifiers throughout the campus. These units remove viruses in the air and all of the surface areas in each of the classrooms, cafeteria and library creating our own atmosphere in our building.
- c. Campus staff will be disinfecting classrooms and other parts of our facility before, during and after the school day.
- d. Masks and hand sanitizer are available for our students and staff members.
- e. Wall mounted Infrared Thermometers are installed throughout the building including the central office area in order to take temperatures on a daily basis.
- f. Individual (*clear*) student desk barriers will be in place for every student.
- g. Students are **NOT** allowed to share food, school supplies, etc. during the instructional day.
- h. Students must have their own water bottle(s).
- i. Contactless hand washing faucets have been installed in each of the restrooms.
- j. The district will have a secured entrance and exit plus all doors will be kept locked at all times. Only visitors with legitimate business will be given access to the building. Once inside, specific isolated areas will be in place in order to conduct school business.
- k. We encourage our parents and guardians to communicate with instructors via email, phone or ZOOM/Skype, etc.
- l. ***Other:*** The district will adhere to TEA guidelines and CDC guidelines. We must report any COVID-19 cases to the Texas Department of State Health Services & Corpus Christi-Nueces County Public Health District/Department.
