INDEPENDENT AUDITORS' REPORT

Board of Directors
Gulf Coast Council of La Raza, Inc.
Corpus Christi, Texas

Members of the Board of Directors:

Opinion

We have audited the accompanying financial statements of Gulf Coast Council of La Raza, Inc. (a non-profit organization) which comprise the statement of financial position as of August 31, 2024 and the related statement of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Gulf Coast Council of La Raza, Inc. as of August 31, 2024, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Gulf Coast Council of La Raza, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Island Foundation, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Island Foundation, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Island Foundation, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The financial schedules noted as supplementary information in the table of contents are presented for purposes of additional analysis and are not required parts of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting procedures and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the financial schedules are fairly stated, in all material respects, in relation to the financial statements as a whole.

Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 17, 2025 on our consideration of Island Foundation, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Island Foundation's internal control over financial reporting and compliance.

NOTES TO THE FINANCIAL STATEMENTS

**GULF COAST COUNCIL OF LA RAZA, INC.
NOTES TO COMBINED FINANCIAL STATEMENTS
AUGUST 31, 2024**

Note 1. Organization

Gulf Coast Council of La Raza (the Council), a not-for-profit corporation established under the laws of the State of Texas was founded in 1980 as a charter affiliate of the National Council of La Raza in Washington, D.C. The Council is dedicated to promoting the social, educational, economic and physical well-being of disadvantaged youth and their families. The Gulf Coast Council provides these services in the South Texas area.

Note 2. Significant Accounting Policies

The accounting system is organized under the *Special Supplement to Financial Accounting and Reporting – Nonprofit Charter School Chart of Accounts*, a Module of the Texas Education Agency Financial Accountability Resource Guide. The significant accounting policies are as follows:

A. Basis of Accounting

The Council accounts for all transactions on the accrual method of accounting for year-end purposes.

B. Class of Net Assets

The financial statements report amounts by class of net assets. Accordingly, net assets of the Gulf Coast Council of La Raza, Inc. and changes therein are classified and reported as follows:

Net assets without donor restrictions are currently available for operating purposes under the direction of the board or invested in property or equipment.

Net assets with donor restrictions are stipulated by donors for specific operating purposes or for the acquisition of property and equipment or are time restricted. These include donor restrictions requiring the net assets be held in perpetuity or for a specified term with investment return available for operations.

C. Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents are comprised of cash on hand and in banks. Time deposits are considered as cash equivalents if the deposit has a maturity of three months or less.

D. Fixed Assets and Depreciation

In accordance with the Texas Education Agency-Resource Guide Supplement for Charter Schools, all assets acquired with a value of \$5,000 or greater are recorded as fixed assets and are valued at cost or estimated cost. Donated assets are reported at the fair market value at time of acquisition. Depreciation of building and improvements and equipment is provided over the estimated useful lives of the assets on a straight-line basis.

E. Revenues

Revenues are derived primarily from the operation of a Charter School and obtaining federal and state grants.

Revenues from the state's available school fund are based on reported attendance. Contributions received are recognized as revenue in the period received and are reported as either restricted or unrestricted support.

- Contributions with donor-imposed restrictions are reported as restricted support. Restricted support increases temporarily restricted net assets.
- Contributions without donor-imposed restrictions are reported as unrestricted support. Unrestricted support increases unrestricted net assets.

Governmental grant contracts are considered to be earned to the extent of expenses made under the provisions of the grant and accordingly, when such funds are received, they are recorded as deferred revenues until earned.

F. Donated Goods and Services

Donated goods and services that can be measured and meet certain other requirements are recorded in the financial statements as in-kind contributions and expenses of a like amount. No donated services have been recognized in the statement of activities because the criteria for recognition under ASC 958 has not been satisfied.

**GULF COAST COUNCIL OF LA RAZA, INC.
NOTES TO COMBINED FINANCIAL STATEMENTS
AUGUST 31, 2024**

Note 2. Significant Accounting Policies (continued)

G. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

H. Budgets

Gulf Coast Council of La Raza, Inc. prepares an annual operating budget based on expected revenues and expenses for certain special revenue funds. These budgets are reviewed and approved by the Board of Trustees.

I. Income Taxes

The Council is exempt from federal income taxes under Sec. 501 (c) (3) of the Internal Revenue Service code and therefore has made no provision for Federal income taxes in the accompanying financial statements. Unrelated business income tax is paid on net proceeds from Bingo Operations. The effect of any taxes related to Bingo Operations is not considered material. In addition, Gulf Coast Council of La Raza, Inc. has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509 (a) of the Internal Revenue Code. Years subject to examination by federal taxing authorities for non-profit tax revenues are 2020, 2021 and 2022.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization and recognize a tax liability if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Organization and has concluded that as of August 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdictions.

J. Functional Allocation of Expenses

The costs of providing the Council's various programs and supporting services have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

K. Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual receivables from grants, contracts and other. Amounts are charged off after reasonable collection efforts have been exhausted.

L. Inventories

Inventories consist primarily of food supplies and are stated at the lower of cost or fair market value.

M. Right to Use Assets and Liabilities

The new lease accounting standard consists of the statement ASC 842 which changed the way leases are documented on financial statements to ensure that financial statements are more transparent for leases. The lease standard effective date is fiscal years starting after December 15, 2021, for non-profit organizations. ASC 842 classifies leases as either operating or finance leases. The term "finance lease" replaced "capital lease" in ASC 842 as well as the criteria that defined each. On balance sheets, lessees are required to recognize the assets and liabilities for both operating and finance leases. The lease liability is calculated as the present value of lease payments. The right-of-use asset is the lease liability.

Note 3. Property and Equipment

Depreciation of physical properties is calculated on the straight-line method over the following estimated useful lives:

Building	20 years
Furniture and equipment	5-10 years
Automobiles	5 years
Leasehold improvement	10-20 years
Right to Use Asset	Length of the lease

A summary of assets is as follows:

Land	\$ 266,771
Building and equipment	6,190,792
Right to Use Asset	1,082,796
Construction in Progress	93,047
	7,633,406
Less: Accumulated depreciation	(4,128,769)
	\$ 3,504,637

Depreciation for the year ended August 31, 2024, totaled \$409,932.

GULF COAST COUNCIL OF LA RAZA, INC.
NOTES TO COMBINED FINANCIAL STATEMENTS
AUGUST 31, 2024

Note 4. Ownership in Property and Equipment

As of August 31, 2024, the following disclosure of ownership interests in property and equipment is provided to address certain requirements discussed in House Bill 6, 77th Legislature (2001).

	Date Acquired	Ownership Interest		
		Local	State	Federal
Land	Various	\$ 266,771	\$ -	\$ -
Buildings and improvements	Various	5,441,050	-	-

Construction in Progress	Various	93,046	-	-
Total Property and Equipment		\$ 5,896,825	\$ 1,503,386	\$ 233,195

Assets purchased with state or federal funds may revert to the grantor if the Organization ceases to exist.

Note 5. Compensated Absences

The Council allows its employees vacation and sick leave as part of fringe benefits. These benefits, if not used, expire at the end of the Council's fiscal year end. As a result, no liability exists for compensated absences as of August 31, 2024.

Note 6. Interfund Transactions

The following is a summary of amounts.

	Due From (Receivables)	Due To (Payables)

Total Interfund Receivables/Payables	\$ 194,583	\$ 194,583

Note 7. Grants and Contracts Receivable and Payable

Gulf Coast Council of La Raza, Inc. operates within the South Texas area as an affiliate of the National Council of La Raza and provides services for disadvantaged youth. A Charter School is additionally operated by the Organization. Funding for the programs is derived from Federal and State grants and Texas Education Agency Foundation funds. Revenues received directly from Federal and State grantors totaled \$685,701 for the fiscal year ended August 31, 2024. Amounts received as Texas Education Foundation funds totaled \$1,757,446 Grants and contracts receivable are deemed to be fully collectible by management and totaled \$92,555.

Note 8. Concentration of Credit Risk for Cash Held in Bank

Financial instruments, which potentially subject the Council to concentrations of credit risk, as defined by Statement of Financial Accounting Standards ASC 825, consist principally of cash. The Council maintains its cash in various bank deposit accounts, which are monitored to determine that deposits do not exceed federally insured limits. The Council has not experienced any losses in such accounts.

At August 31, 2024, the book balances were \$3,550,293 and bank balances were \$4,011,639. Of these balances, \$250,000 was insured by federal depository insurance. Securities were pledged to adequately collateralize the Organization's deposits. Pledged securities held by the Organization's financial institution totaled \$4,476,680 on August 31, 2024.

Note 9. Pension Disclosure

A. Plan Description

The Charter School participates in a cost-sharing multiple-employer defined benefit pension that has a special funding situation. The plan is administered by the Teacher Retirement System of Texas (TRS). TRS's defined benefit pension plan is established and administered in accordance with the Texas Constitution, Article XVI, Section 67 and Texas Government Code, Title 8, Subtitle C. The pension trust fund is a qualified pension trust under Section 401(a) of the Internal Revenue Code. The Texas Legislature establishes benefits and contribution rates within the guidelines of the Texas Constitution. The pension's Board of Trustees does not have the authority to establish or amend benefit terms. The plan is different from a single-employer plan in that the charter schools are legally separate entities from the state and each other. The assets contributed by one charter or independent school district (ISD) may be used for the benefit of an employee of another ISD or charter and there is no withdrawal penalty for leaving the TRS system. There is no collective bargaining agreement and a funding improvement plan or rehabilitation plan is not applicable.

All employees of public, state-supported educational institutions in Texas who are employed for one-half or more of the standard work load and who are not exempted from membership under Texas Government Code, Title 8, Section 822.002 are covered by the system.

2. Accumulated Benefit Obligations	\$ 255,860,887	\$ 243,553,045	
3. The plan is funded	73.15%	75.62%	

B. Benefits Provided

TRS provides service and disability retirement, as well as death and survivor benefits, to eligible employees (and their beneficiaries) of public and higher education in Texas. The pension formula is calculated using 2.3 percent (multiplier) times the average of the five highest annual creditable salaries times years of credited service to arrive at the annual standard annuity except for members who are grandfathered, the three highest annual salaries are used. The normal service retirement is at age 65 with 5 years credited service or when the sum of the member's age and years of credited service equals 80 or more years. Early retirement is at age 55 with 5 years of service credit or earlier than 55 with 30 years of service credit. There are additional provisions for early retirement if the sum of the member's age and years of service credit total at least 80, but the member is less than age 60 or 62 depending on date of employment, or if the member was grandfathered in under a previous rule. There are no automatic post-employment benefit changes; including automatic COLAs. Ad hoc post-employment benefit changes, including ad hoc COLAs can be granted by the Texas Legislature as noted in the Plan description in (A) above.

C. Contributions

Contribution requirements are established or amended pursuant to Article 16, section 67 of the Texas Constitution which requires the Texas Legislature to establish a member contribution rate of not less than 6% of the member's annual compensation and a state contribution rate of not less than 6% and not more than 10% of the aggregate annual compensation paid to members of the system during the fiscal year. Texas Government Code section 821.006 prohibits benefit improvements, if as a result of the particular action, the time required to amortize TRS' unfunded actuarial liabilities would be increased to a period that exceeds 31 years, or, if the amortization period already exceeds 31 years, the period would be increased by such action.

Employee contribution rates are set in state statute, Texas Government Code 825.402. Senate Bill 12 of the 86th Texas Legislature amended Texas Government Code 825.402 for member contributions and established employee contribution rates for fiscal years 2022 thru 2025.

	<u>Contribution Rate</u>	
	<u>2024</u>	<u>2023</u>
Member	8.25%	8.0%
Non-Employer Contributing Entity (State)	8.25%	8.0%
Employers	8.25%	8.0%
Employer Contributions	<u>2024</u>	<u>2023</u>
Employer Surcharges	\$ 18,752	\$ 21,388
Member Contributions	\$ 24,836	\$ 28,314
Non-Employer Contributing Entity (State)	\$ 81,422	\$ 95,056
	\$ 11,525	\$ 25,212

Contributors to the plan include members, employers and the State of Texas as the only non-employer contributing entity. The State is the employer for senior colleges, medical schools and state agencies including TRS. In each respective role, the State contributes to the plan in accordance with state statutes and the General Appropriations Act (GAA). The School's contribution does not represent more than 5 percent of total contributions to the TRS plan.

Note 9. Pension Disclosure (continued)

As the non-employer contributing entity for public education and junior colleges, the State of Texas contributes to the retirement system an amount equal to the current employer contribution rate times the aggregate annual compensation of all participating members of the pension trust fund during that fiscal year reduced by the amounts described below which are paid by the employers. Employers (public school, junior college, other entities, or the State of Texas as the employer for senior universities and medical schools) are required to pay the employer contribution rate in the following instances:

- On the portion of the member's salary that exceeds the statutory minimum for members entitled to the statutory minimum under Section 21.402 of the Texas Education Code.
- During the new member's first 90 days of employment.
- When any part or all of an employee's salary is paid by federal funding sources, a privately sponsored source, from non-educational and general, or local funds.
- When the employing district is a public or charter school, the employer shall contribute 1.5% of covered payroll to the pension fund beginning in fiscal year 2022. The contribution rate called the Public Education Employer Contribution will replace the Non(OASDI) surcharge that was previously in effect.

In addition to the employer contributions listed above, when employing a retiree of the Teacher Retirement System the employer shall pay both the member contribution and the state contribution as an employment after retirement surcharge.

There have been no significant changes that would affect the comparison of employer contributions from year to year. Information regarding the plan may be found at the TRS website at wwwTRS.state.tx.us. The TRS posts the Comprehensive Annual Financial Report (CAFR) every year on its website.

The charter school did not contribute to any other defined benefit pension plans.

Note 10. Health Care Coverage

During the year ended August 31, 2024, employees of the charter school were covered by TRS Active Care. The Charter School contributed \$350 per month per employee. Employees, at their option, authorized payroll withholdings to pay contributions or premiums for dependents. All premiums were paid to TRS Active Care.

Note 11. Right to Use Liability

The charter holder entered into a lease on January 24, 2021 with the Gulf Coast of La Raza, Inc. in the amount of \$1,066,602 to lease a school building. The interest rate of the note is 2.65% with a maturity date of August 31, 2026. The balance as of August 31, 2024 was \$443,650.

The charter holder entered into a lease on May 31, 2024 with Dex Imaging, Inc. in the amount of \$16,194 to lease a copier. The interest rate of the note is 8.5% with a maturity date of August 28, 2029. The balance as of August 31, 2024 was \$15,575.

Note 12. Related Party Transactions

Related party transactions consisted of rental payment from the Charter School to Gulf Coast Council of La Raza, Inc. for rental of classrooms and various office spaces as explained in Note 11.

Note 13. Litigation

The Council is contingently liable in respect of lawsuits and other claims in the ordinary course of its operations. Should such contingencies become a real liability, funds would have to be appropriated in future budgets for settlements.

**GULF COAST COUNCIL OF LA RAZA, INC.
NOTES TO COMBINED FINANCIAL STATEMENTS
AUGUST 31, 2024**

Note 14. Commitments and Contingencies

The Council participates in several federally assisted grant programs, all of which are subject to federal regulations and guidelines. Should any of the grant program expenditures be disallowed by any of the respective grantor agencies or should any other contingency become a reality, funds would have to be appropriated in future Council budgets for settlement. Additional assets purchased with federal or state program funds may revert back to the grantors at the expiration of the program.

Note 15. Maintenance of Effort

The amount paid for charter school employees for health care premiums was as follows:

A)	Total annual premiums paid for health care 2023 - 2024	\$ 83,650
B)	Subtract any non-medical expenditures:	
	Life insurance	-
	Dental insurance	-
	Vision insurance	-
	Long-term disability	-
	Short-term disability	-
	Alternate plans	-
	COBRA expense	-
	Retirement expense	-
	2023 - 2024 Maintenance of Effort	<u>\$ 83,650</u>

Note 16. Net Assets With Donor Restrictions

Net assets were released from grantor requirements by incurring expenses satisfying the purpose or time restrictions specified by the grantors as follows:

Purpose restriction accomplished:	
Texas Education Agency Foundation	\$ 1,757,446
State and Federal Titles	<u>685,728</u>
Total Restrictions Released	<u>\$ 2,443,147</u>

Note 17. Subsequent Events

The Organization's management has reviewed financial information for possible events subsequent to its year end. This evaluation was performed through February 17, 2025, which was the date financial statements were available to be issued.

Note 18. Texas Occupational Protection Program

The Organization participates in the Texas Occupational Protection Program for the employees of Gulf Coast Council of La Raza, Inc. The program complies with State and Federal laws and generally is designed to provide medical treatment to eligible employees for work related on-the-job injuries. Premiums are based on a percentage of employee wages which are recalculated annually.

Note 19. Bingo Operations

Gulf Coast Council of La Raza, Inc. uses its bingo license to conduct bingo activities through an operator and as such, receives funds. Net distributions received totaled \$0 for the fiscal year ended August 31, 2024.

**GULF COAST COUNCIL OF LA RAZA, INC.
NOTES TO COMBINED FINANCIAL STATEMENTS

Note 20. Financial Assets

The organization is substantially supported by grant contributions, some of which are donor restricted. Because donor restrictions require resources to be used in a particular manner, Gulf Coast Council of La Raza, Inc. must maintain sufficient resources to meet those responsibilities to donors. Thus, financial assets may not be available for general expenditures. As part of the organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

Financial Assets at August 31, 2024	\$ 6,374,669
Less Amounts Unavailable for General Expenditures	303,809
Within One Year Due to Donor Imposed Restrictions	
Charter School Program	<hr/>
Financial Assets Available to Meet Cash Needs for General Expenditures Within One Year	<u>\$ 6,678,478</u>

Note 21. Revenue Recognition

During the current year, the School adopted Accounting Standards Update (ASU) No. 2014-09, Revenue from Contracts with Customers (Topic 606), which requires the School to recognize revenue when it transfers control of promised goods or services. Revenue is recognized in an amount that reflects the consideration the School expects to receive in exchange for those goods or services. The ASU also requires School to disclose sufficient quantitative and qualitative information to enable users of the financial statements to understand the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. Management has determined that this ASU did not impact the School's financial statements.

Note 22. Prior Period Adjustment

A prior period adjustment of \$23,157 was made to the beginning of the year net position to adjust the net effect of correcting liabilities. The net effect increased the net position.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
*GOVERNMENTAL AUDITING STANDARDS***

To the Board of Directors
Gulf Coast Council of La Raza, Inc.
Corpus Christi, Texas

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the Gulf Coast Council of La Raza, Inc. (a nonprofit organization), which comprise of the statement of financial position as of August 31, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report on them dated February 17, 2025.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Gulf Coast Council of La Raza, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Gulf Coast Council of La Raza, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Gulf Coast Council of La Raza, Inc.'s internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of control deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we considered to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Gulf Coast Council of La Raza, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
