Words from the Principal

Happy New Year 2023!

I hope that all of you had a wonderful winter break and enjoyed some quality family time. The beginning of the new year is an exciting time to energize ourselves with fresh ideas and goals for the future.

For this year's goal, we are going to focus on ATTENDANCE. A student is required to attend school for at least 95 percent of the days the class is offered in order to pass to the next grade level.

Saturday School will begin in the month of January for those students who are currently not meeting the attendance requirements. More information in regards to Saturday School will follow at a later date.
