

**COUNTY LINE RV PARK
LEASE AGREEMENT**

This lease agreement "lease" is made on the _____ day of _____ (month) 20_____, between DOLLAR CUSTOMS LLC along with and including its owners, and the landowner, referred to herein as "landlord" and _____ referred to herein as "tenant."

Landlord leases to tenant and tenant leases from landlord, for the term of this agreement, Recreational Vehicle Space/unit # _____ and being hereafter referred to as the "RV Space" (whether one or more) at the County Line RV Park located at 17510 E. U.s 60 HWY (Your Unit Number), Amarillo, Texas 79108 (referred to as the premises), and pursuant to the following terms and conditions:

Rent and Lease Term: Tenant agrees to pay as rental \$ _____ monthly for the RV space beginning on the _____ day of _____ (month) 20 _____ through the _____ day of _____ (month), 20 _____ (the Expiration Date).

The lease automatically renews on a month-to-month basis unless tenant or landlord provides the other party with written notice of termination not less than thirty (30) days before the expiration date. Tenant's month-to-month tenancy shall be on the same terms and conditions as stated herein, with the exception of any changes made pursuant to law or otherwise stated in this lease (see "Rent Increases" below), until terminated. Time is of the essence for providing notice of termination and oral notice of termination is not sufficient under any circumstances.

The first month's rent and/or prorated rent amount of \$ _____ plus the \$100 rental deposit shall be due prior to move-in. Every month thereafter, tenant shall pay rent on or before the anniversary day of each month within three (3) days of grace period. If landlord does not actually receive a rent payment in the full amount by the fourth (4th) day of each month, the following late fees will apply for payments made after the grace period:

- 1) \$50 as an initial late charge; and
- 2) Additional late charges of \$20 per day thereafter until rent and late charges are paid in full.

Additional late charges for any one payment may not exceed more than thirty (30) days.

Notice: §92.019 of the Texas Property Code prohibits assessing a late fee until rent has remained unpaid for at least one full day after the date on which the rent is due.

Application of Funds:

Regardless of any notation or communication included with a payment, landlord may apply funds received from tenant first to any non-rent obligations of tenant, including but not limited to late charges, dishonored payment, repairs, fees and then to rent.

Method of Rent Payment:

Tenant must pay all rent timely and without demand, deduction or offset except as permitted by law for this lease. With the exception of the first month's rent and deposit, monthly rental payments must be paid by Venmo, CashApp, using provided link, or by cash in person.

A charge of \$25.00 (twenty-five dollars) will apply for every rejected payment plus the amount of any fees charged to the landlord (or its agent) by any financial institution as a result of a dishonored payment, plus any applicable late fee charges.

If rent is not paid on time, tenant is considered delinquent and all remedies under this lease will be authorized. The landlord reserves the right to increase the referenced \$50.00 late fee after the initial term of the lease has expired.

The total security deposit at the time of execution of this lease is \$100, due on or before the date this lease is signed. "Security Deposit" has the meaning assigned to that term in § 92.102 of the Texas Property Code.

Landlord will hold the security deposit for the term of the tenancy and, upon termination of the tenancy, reserves the right to use the security deposit, or portions thereof, to cover any charges related to tenant's performance of this lease, including, but not limited to, cleaning the RV space, repair of damages, unpaid rent, late fees, and dishonored payment fees.

Tenant must give landlord at least thirty (30) days' notice of surrender as defined herein before landlord is obligated to refund or account for the security deposit.

Notices About Security Deposits: § 92.108 of the Texas Property Code provides that a tenant may not withhold payment of any portion of the last month's rent on grounds that the security deposit is security for unpaid rent. Bad faith violations of § 92.108 of the Texas Property Code may subject tenant (or Tenant) to liability up to three times the rent wrongfully withheld and the landlord's (Landlord's) reasonable attorney's fees. The Texas Property Code does not obligate a landlord (or landlord) to return or account for the security deposit until the tenant (or tenant) surrenders the property and give the landlord (landlord)

a written statement of the tenant's (tenant's) forwarding address, after which the landlord (landlord) has 30 days in which to account.

Rent Increases:

There will be no rent increases through the initial term of the lease. Landlord may increase the rent that will be paid during any month-to-month renewal period by providing at least thirty (30) days written notice to tenant.

Utilities: Landlord shall pay for all water, electricity, and sewer. may not rely on an RV or other vehicle's internal generators for more than five (5) days after move-in except in the event of a power failure or similar unanticipated interruption of commercially provided electrical service.

For utilities supplied by landlord, landlord does NOT guarantee or warrant that there will be no interruption of service. Tenant shall be solely responsible for connection to all utilities, maintenance, and safety of all utility connections and any damages or losses caused by improper or negligently maintained utility connections. For sewer connections, a positive sewer seal at both ends of sewer hose is required. Texas law requires that a sewer hose must be fastened using a proper connector or a rubber donut.

Notice: Before signing this lease, tenant should determine if all necessary utilities are available to the property and are adequate for the tenant's use.

Use of Premises:

Tenant agrees to rent the RV space for use as a location to park one motorhome or recreational vehicle for private residential use only. No private business or enterprise, including but not limited to child care, is permitted on the premises.

No camping, tents, or other vehicles may be used for residential purposes in the RV space. Outdoor recreation equipment such as trampolines, hot tubs, spas, above ground pools, swing sets, and playhouses are prohibited.

The RV space may not be used for any other purpose unless specified in this lease. The RV space will be occupied exclusively by tenant and the following individuals, and none others (referred to hereafter as "occupants"): sign on last page.

In addition to tenant, the individual(s) listed above are the only other occupants of the RV space authorized to reside at the RV space. The individuals listed above are considered guests

of the tenant for all purposes and are fully subject to the terms and conditions of this lease. However, occupants are not tenants for purposes of any rights to own or acquire a leasehold interest or renew this lease. All occupants must follow the Rules of the County Line RV Park, as set out in this lease and as modified or amended during the term of the lease.

Landlord, at its sole discretion, may revoke the right of any guest, visitor, or occupant to enter or reside on the premises without notice to tenant.

Landlord makes no express or implied warranties as to the condition of the RV space or the premises. It is tenant's obligation to inspect the premises and the RV space and determine, before signing this lease, if all services, utilities, connections, schools, and transportation are accessible to or from the premises, if such services are sufficient for tenant's needs and wishes, and tenant is satisfied with the condition of the RV space and the premises.

By signing this lease, tenant certifies that he or she has inspected the RV space and accepts it AS IS.

Repairs:

All repairs (including emergencies) require a request from the tenant made through by calling the main number @ 806-231-3334 or 806-316-4211. During the entire duration of this lease, if the tenant or tenant's occupants are responsible for/at fault or their visitors or guests or pets are responsible/at fault on any single repair required, tenant may not repair or cause to be repaired any condition, regardless of the cause, without landlord's permission. All decisions regarding repairs, including the completion of any repair, whether to repair or replace the item, and the selection of contractors, will be at the landlord's sole discretion.

Parking:

Tenant and tenant's authorized occupants may not park more than two pickup or two passenger vehicles per RV space. All vehicles must be parked in designated parking spaces. Parking on the premises is at the tenant's own risk. Landlord may regulate the time, manner, and place of parking cars and pickups. Unauthorized or illegally parked vehicles may be towed at the owner's expense as permitted by law. Vehicles are prohibited from parking on the premises if they are inoperable, have no current license, take up more than one parking space, are blocking other vehicles from access to or exit from existing parking, are parked in a space not dedicated to parking including, but not limited to, grass, sidewalks, common areas or fire lanes.

Pets: Pets (including mammals, reptiles, birds, rodents, fish and insects) are allowed only if landlord has authorized their presence on the premises. Tenant must remove an illegal or any dangerous animal within twenty-four (24) hours written notice from landlord. Failure to remove the animal shall be considered a material breach of this lease. Following twenty-four

(24) hours written notice from landlord, if tenant fails to timely remove the illegal or dangerous animal, landlord may remove or cause to be removed the unauthorized or dangerous pet and deliver it to appropriate local authorities by providing at least twenty-four (24) hours written notice to tenant of landlord's intention to remove the unauthorized or dangerous pet and charge to the tenant the landlord's cost to remove the unauthorized or dangerous pet and the costs to repair any damage to the premises caused by the unauthorized or dangerous pet. With respect to pets, tenant and occupants must comply with "County Line RV Park Rule" as set forth in this lease and as amended or modified by landlord.

At its sole discretion, landlord may require tenant to purchase and provide verifiable proof of personal liability insurance at limits specified by landlord for any personal injuries or damages caused by authorized pets as a condition of this lease or during the term of this lease. If so required by landlord, tenant's failure to purchase and/or maintain personal liability insurance at limits specified by landlord for personal injuries or damages caused by the pets of tenant or tenant's occupants is an incurable breach of this lease and may result in termination of tenancy and eviction and/or any other remedies as provided by this lease contract or state law.

Service Animals:

Service animals are permitted as authorized by applicable local and state law. If requested by landlord, tenant agrees to provide to landlord a written statement from a qualified professional verifying the need for the service animal within seventy-two (72) hours of such written request by landlord to tenant.

At the sole discretion of the landlord or in the event of a mandatory evacuation due to any anticipated hazardous weather event, landlord may require tenant to remove the RV, motorhome and all other vehicles and belongings from the premises within forty-eight (48) hours after written notice by landlord. If the evacuation is mandatory as a result of governmental or law enforcement action or order, tenant is obligated to follow the mandatory evacuation requirements and landlord shall not be liable for loss of use of the RV space or be obligated to prorate, rebate or refund any rental payment to tenant.

Default:

If landlord fails to comply with this lease, tenant may seek any relief provided by law. Any failure by tenant to pay rent or other charges promptly when due or to comply with any other term or condition of this agreement shall, at the option of landlord, promptly terminate this tenancy and forfeit all rights of tenant under this agreement. In the event of tenant default, all unpaid rents which are payable during the remainder of this lease or any renewal period will be accelerated without notice or demand. Tenant will be liable for any lost rent; landlord's cost of reletting the RV space, including but limited to leasing fees, advertising fees, utility

charges and other fees reasonably necessary to relet the RV space. Tenant shall also be responsible for repairs to the RV space beyond normal wear and tear; landlord's costs associated with eviction of the tenant, including but not limited to attorney's fees, court costs, costs of service, witness fees and pre-judgment interest; all landlord's costs associated with collection of amounts due under this lease, including but not limited to collection fees, late charges, dishonored payment fees, returned check fees and any other recovery to which landlord may be entitled by law. Tenant understands that in the event of an eviction or unpaid amounts owed by tenant, the eviction and amount outstanding will be reported to all credit bureaus and a judgment may be filed with the courts and credit bureaus. Landlord will attempt to mitigate any damage or loss caused by tenant's breach by attempting to relet the RV space to acceptable tenants and may reduce tenant's liability accordingly. Notice to vacate under this section may be by any means permitted by §24.005 of the Texas Property Code.

Effect of Holding Over:

The parties agree that any holding over by tenant under this lease, without landlord's written consent, shall be a tenancy at will which may be terminated by landlord in accordance with applicable law. If tenant fails to vacate the RV space at the time this lease ends, tenant will pay landlord rent for the holdover period and indemnify landlord and prospective tenants for damages, including but not limited to lost rent, lodging expenses, cost of eviction, and attorney's fees. Rent for any holdover period will be three (3) times the monthly rent, calculated on a daily basis, and will be immediately due and payable daily without notice or demand.

Maintenance and Redelivery of RV Space:

Tenant shall keep and maintain the RV space in a clean and sanitary condition at all times, and on the expiration or early termination of the tenancy shall surrender the RV space to landlord in the same condition as when received, ordinary wear and tear and damage by the elements excepted. Surrender occurs when tenant and all occupants have vacated the RV space and the premises in landlord's reasonable judgment and the date tenant specifies as the move-out or termination date in a written notice to landlord has passed.

Insurance: Landlord does not maintain insurance to cover tenant's or occupants' personal belongings or personal injury. Landlord recommends and tenant is urged to obtain insurance coverage for losses to personal property or injuries due to theft, fire, weather, water damage and the like.

Security: Landlord does not provide private security, security monitoring, or guards for the premises. Tenant is solely responsible for the safety and security of the RV space, tenant's RV or motorhome occupying the RV space and the personal safety of tenants, occupants, visitors and guests.

Any proceeds, payment for damages, settlements, awards or other sums paid because of a casualty loss to the premises and/or RV space will be landlord's sole property. Landlord is not liable to tenant or any occupant, guest or visitor for personal injury or damage or loss of personal property for any cause, including, but not limited to: fire, smoke, rain, flood, water or pipe leaks, hail, ice, snow, lightning, wind, explosions, earthquake, interruptions of utilities, theft, vandalism, or civil unrest unless otherwise required by law. For purposes of this lease, any condemnation of any or all of the premises is a casualty loss.

Representations: Tenant's statements in this lease and any application for rental are material representations. Each party to this lease represents that he or she is of legal age to enter into a lease or contract. If tenant makes a misrepresentation in this lease or in an application for rental, tenant is in default and has breached the lease.
