Dave has made an international speaking and teaching career on the fact that he is raw, honest, and real – and totally committed to the Catholic Faith. Whether the crowds are men at a large national men's conference, a parish full of eager listeners, a college or young adult group, or his students every day in the classroom, he speaks truth, and does so in a dynamic way.

As a recovering pornography addict, a fallen-away and then returned Catholic, and a man striving to be a saint, Dave knows a lot about what people are going through. He graduated with a Master's degree in Theology concentrating in Evangelization & Catechesis from the Augustine Institute in Denver, CO and graduated from Benedictine College with a BA major in Business Administration and a minor in Theology. Dave is a Catholic husband and father of 4. He founded TrueManhood Men's Ministry in 2008 to spread the truths of authentic masculinity in the image of Jesus Christ – the TrueMan. TrueManhood works to teach virtue, while fighting pornography, and a term that Dave coined – “cultural manliness.” Cultural manliness is the world's view of masculinity – and clearly, they have it way wrong!
