PJ Anderson is a Catholic Worship Artist based in Nashville, TN. PJ has led thousands in worship at events worldwide, including World Youth Day in Panama City, Panama and Krakow, Poland as well as the Mass for Life in Washington, DC. He has released 5 full length albums and multiple EPs, which have been featured on Spotify Playlists and at the top of iTunes. For the past 10 years, he has spent his summers with Catholic Heart Work Camp, offering his musical talents and serving as a director, giving students meaningful opportunities to serve and minister in cities across the US and abroad. Amidst these opportunities, the recent years have been a time of immense growth for PJ as a worship artist and storyteller.

As a worship artist, he is concerned not only with the responsibility of humbly leading worship, but also for generating new songs that draw people nearer to Our Lord. Reflecting on this, PJ said, “I want to remind people through my songs that we all have flaws and burdens, but we can bring that brokenness to the Lord. And at the same time, we must lift each other up, not tear each other down.” He goes on to say that his “main goal is to write lyrics and melodies that carve out a place where others can be in the presence of the Lord.”
