# *Faithful*

*With Faith*

*Sourced from God*

*Peace, Justice and Love*

*No detours*

*Obstacles but challenges*

*A community of Faith soars*

*Avalanches, sinking sands, inequities subside*

*On Faith so very powerful*

*for 138 years we rise*

*We rise*

*We take flight,*

*Yet we rise*

*The light is not at the end of the Tunnel*

*The path has no stumbling blocks that God*

*Can't move aside*

*Only stepping stones,*

*stepping steps*

*That Our*

*God Provides*
