The Pro's Choice

Supreme[®] AR, Supreme & Classic[®]

1999 Traditional Series Shingles

When you need to balance beauty, performance and value, choose Owens Corning Supreme AR, Supreme or Classic Traditional Series shingles. These three-tab shingles offer reliable performance and a beautiful selection of colors to choose from.

- Constructed of durable weathering-grade asphalt and a tough Fiberglas[®] mat core.
- Supreme AR and Supreme shingles offer a 25-year* warranty. Classic shingles offer a 20-year* warranty. Both warranties cover the prorated replacement cost of new shingles and labor.
- Supreme AR shingles are specially treated to resist roof discoloration due to algae growth, and carry a separate 10-year algae-resistance warranty.*
- UL Class A Fire Rating and 60 mph Wind Resistance Warranty.
- Enhanced warranty protection and extended period of non-proration of 5 to 7 years available with optional System Advantage[™] Limited Warranty.*

†Owens Corning strives to accurately reproduce photographs of shingles. Due to manufacturing variances, the limitations of the printing process and the variations in natural lighting, actual shingle colors and granule blends may vary from the photo. The pitch of your roof can also impact how a shingle looks on a home. We suggest that you view a roofing display or several shingles to get a better idea of the actual color. To accurately judge your shingle and color choice, we recommend that you view it on an actual roof with a pitch similar to your own roof prior to making your final selection.
