3. Rule Changes
4. **NON-CUE BALL FOULS:** If a player accidentally strikes a ball other than the cue ball and it moves on the table, the opposing player has the choice to move it back to its original position (best guess), or to leave it where it lies. Movement of a ball other than the cue ball can be with the cue stick, clothing, hair, fingers/hand/arm, chalk, etc.
 - a. If only one ball is moved and made the original called shot, the fouling player continues to shoot after ball moved is either replaced or left as is.
 - b. If more than one ball is moved, this is considered a foul just like a cue-ball foul, balls are either replaced to their original position or left as they lie. Opposing player receives ball-in-hand whether they made their called shot or not.
- c. Scoresheets: These will now be dropped off at The Platte Bar due to the Eagles Club closing early sometimes and teams not being able to drop off envelopes the night of play.
5. **Break & Runs – Please remember to mark these on your score sheet. If they are not marked and the signed scoresheet is turned in without them being marked, they will not be rewarded to that player. Please double check the scoresheet with the opposing team before signing it and having it turned in.**
