

Insure yourself against a Personal Guarantee

An innovative insurance solution designed to give Directors financial protection when signing a Personal Guarantee.

When you sign a Personal Guarantee, we understand it's more than just your signature on the line.

According to independent research* 74% of SMEs would be more likely to sign a Personal Guarantee if they could insure against the risk of providing it.

As a Director, you can protect yourself and your family by putting Personal Guarantee Insurance in place, ensuring you are covered should any business failure take place.
