

List of Helpful Websites for Current Information on the COVID vaccination

1. facebook.com/PayneCHD/ -- This site has good information about Payne County Health Department
2. https://oklahoma.gov/covid19/vaccine-information/vaccine-faqs.html?fbclid=IwAR0qYKLHAIv1GDXmw4t-nyl1rSL_6k3ghx2-tk62rn0DzRi4GsZ2kWv_eO4 -- This site answers many of the common questions that have been asked about the vaccine.
3. <https://vaccinate.oklahoma.gov/> -- This is the site you will use to set up a time to get the vaccine.

I encourage everyone to get the vaccine as soon as possible. Don't forget that it is a two-part vaccine. You will have to get two shots. The time frame in between will depend on which vaccine you receive.

If you do not have access to the internet or need help with completing the Vaccine Scheduler Portal, let the office know and we will help you.

As excited as we are about the vaccine, please remember that not everyone will get the vaccine. Continue to wash your hands often, wear your mask when out in public, social distance when out in public. We want to keep everyone safe.
