A message from the President

Happy Holidays or Merry Christmas, Happy Hanukkah and a very Happy New Year. It is that time of year again. Wow, it seems like only yesterday was January 1, 2024. I guess time flies when you eat, see doctors and go to bed early.

If you haven't noticed the above picture, we have a new President. My name is Albert Fishman, and I have had the honor to have served on the board for over 10 years. I want to thank Jordan Smith for his leadership and hard work over the past years. He just retired and decided to step back and to travel and enjoy his free time. He brought a lot of new ideas and technology to Whispering Palms. We all hope he enjoys his newfound freedom.

We have our elections coming up in March. If you want to be on our Board of Directors, we have three slots open. We will need you to contact one of the Board Members to put your name on the ballot. You can also show up at the January Board Meeting and ask to have your name put on the Ballot. Elections will be held in February

and the votes will be tallied at our Annual Meeting in March. Being on the Board is a very rewarding job. It will get you involved with our community, and you will help with decisions to make this the best place in Hemet to live.

Winter is finally here, and the rain is starting. Now is a good time to turn off your sprinklers until it starts getting warm. There should be enough rain to keep your plants alive for a few months.

*The Board wishes all our
members a very Merry
Christmas and a very healthy
New Year.*

*Stay warm and I will talk to
you again next year!*

A message from **ARC**

The ARC completed the draft of the Architectural Standards on October 22, 2024 and it was distributed to the community for review. The ARC will be conducting community walk throughs every month beginning in November.

Homeowners will be given a discrepancy list of areas requiring attention. The ARC will attempt to do a friendly contact in person. If the homeowner is belligerent in any way then they will only be contacted through letter and a notice to appear before the board.

A big thank you to all homeowners that have been working on their homes and landscaping

maintenance issues. We still have some homes that are in need of attention especially power-washing and house painting. Help us help you keep our community one of the most desirable places to live in Hemet. We are very lucky to be in Whispering Palms. Let's all do our part.

If you have any questions on paint colors, changes to your front yards, etc. please contact a member of the ARC. We have arranged final details for \$1,000 off for house painting and \$200 power washing for homes.

The ARC members will be available on the same day as the Board meetings to make it easy to submit and get your requests approved quickly. ARC requests can be submitted anytime during the month. You may submit to any ARC member.

The ARC request forms can be found at the clubhouse, or printed directly from the community website, www.whisperingpalmshoa.org.

Thank You!

Curb Parking Rules and Regulations

DO NOT DOUBLE PARK – AVOID PARKING ON THE CURB for CORNER HOUSES

We must keep our streets clear so that emergency vehicles can access our homes. When access to a fire lane is impeded, emergency officials may be unable to reach their destination, thereby significantly delaying their response time.

The fire department may issue fines directly to the HOA if cars within the neighborhood are found to be blocking the fire lines (our community streets).

The Board will be revising the parking rules and posting no parking signs in the near future.

Please do not park your car within 2 car lengths of a car parked on the other side of the street. Guest Parking is in designated locations at the clubhouse. **Do not double park and DO NOT PARK ON THE CURB IN FRONT OF CORNER HOUSES.** Have guests use the parking spots at the clubhouse.

*Thank You for your cooperation
and for helping everyone stay safe!*
