## CHAIRLADY'S MESSAGE

### Welcome to our 2019 rally brochure

This is my third year as Chairlady and I think I have got the role reasonably in hand now. Simon and I would like to thank you all for the support you have given us throughout the past year and for the year to come.

In 2018 we had 34 rallies which included 3 new rallies, 2 new Marshals plus 4 holiday rallies. There was certainly a lot to choose from and our thanks go to all those Marshals and helpers who helped make those rallies happen and to the land owners for allowing us to use their land.

If you have never tried a rally and think you could not survive without electric, you would be surprised how easy and cost efficient it is to have such a fun filled weekend. Check out our website rally pics to see what happens – [www.southyorkshicecentre.co.uk](http://www.southyorkshicecentre.co.uk) Then contact us to discuss any questions you may have.

In 2019 we have again new rallies plus new Marshals and some of the traditional rallies to choose from. We will be attending the carnivals again this year and the theme for our float is 'Scare Fest' so get out those scary Halloween outfits and be involved with the floats. All of you can join in the fun.

Before you book your 2019 rallies please be mindful to consider if you will actually attend the rally. Although, the rally may eventually get full and the Marshals may start a waiting list, when people cancel close to the date often those on the waiting list have already made alternative arrangements. It is disappointing to the Marshals when people make a late cancellation.

I would like to thank our Rally Secretary, Paula Oxby for putting together this brochure and for encouraging our advertisers. Please mention their advert in our brochure if you contact them as it encourages them to continue advertising with us.

Can I ask that you share your photos on our website and not just on our Facebook page? Email them to our webmaster on [webmaster@southyorkshirecentre.co.uk](mailto:webmaster@southyorkshirecentre.co.uk) Our web page is the first port of call for new members and I would like to show them the fun we have.

I would like to thank the Adult Committee and the Youth Committee for the hard work they did over the last year and in advance for the year ahead. They all work hard and help to make our centre the success we are.

May I also urge you to be mindful of your speed on the rally field. Keep our children safe by keeping to the 5mph (walking pace).

Finally, Simon and I wish you a safe tow at all times and we look forward to enjoying your company on the rally field soon.

Best Wishes  
Janet Elshaw

## RALLY SECRETARY'S MESSAGE

Dear Ralliers, Wow! What a year 2018 has been! Many great rallies and lots of memories made.

Special thanks to all of our marshals who show commitment and enthusiasm to create such a vast and varied programme with something to suit everyone. Without you guys, there would be no rally programme.

And thank you to new marshals and assistants joining the team. There is so much experience and support out there and I am positive you will enjoy running and organising your rallies. We are looking forward to new venues and new ideas.

This is my second year on the committee and as Rally Secretary. (Any mistakes in here are down to me.) Hopefully everyone will find the brochure as informative and useful as previous years.

As before our neighbouring Yorkshire centres rallies are listed in the back of this brochure. This year we are also hoping to add a section to the website to include all of the Northern Region's rally lists. This will make accessing rally information for other centres even easier, so watch out for this addition to the centre's website. I am sure that everyone will agree that James Atkinson does a fantastic job with the website. Thank you James!

When booking rallies, please be mindful to only book what you know you will attend. And equally, try and keep a track on what you have coming up. We all have increasingly busy lives. Late cancellations can be disappointing to the marshals after all the hard work in planning and organising and also to those on waiting lists that may have already made alternative arrangements.

More than ever I would like to thank the loyal advertisers continuing to support the centre and the brochure. There are some great and relevant businesses supporting us. If any of you use their services, please let them know where you found them, we really do appreciate them.

Finally, I would like to wish you all a safe and happy 2019 out on the rally field.

Happy rallying!

Paula Oxbey

## CHARITY CO-ORDINATOR'S MESSAGE

Dear Ralliers, WOW!! what a year we have had raising money for our 2018 charities and what fun we have had. All your efforts raised over £4000.00, so on behalf of the charities THANK YOU

As we get close to 2019 we have chosen 4 charities to support, these are:-

**Bluebell Wood Children's Hospice – Nominated by James & Carrie Atkinson**

Bluebell Wood helps to care for children and young adults whose lives are sadly just too short, helping both in their own homes and at their hospice in North Anston.

**Cathedral Archer Project – Nominated by Janet Elshaw**

The Sheffield based project helps homeless people to lead a fulfilling and stable life by supplying 1-1 support, provision of in-house nurse and dental clinics and access to hot food and showers. They also supply essential equipment such as sleeping bags, deodorants, underwear, and basic food.

**Rotherham Friends Of Young Onset Dementia – Nominated by Andress Osborne**

The group hold weekly classes to provide cognitive stimulation therapy for people who have been diagnosed with Alzheimer's and Dementia diseases. They raise funds to build libraries of equipment to loan out free of charge to their members and families.

**Sheffield Animal Centre – Nominated by Alison Wharin**

The centre rehabilitates and rehomes unwanted, neglected and abandoned cats and dogs. They neuter, vaccinate and microchip every dog and cat that arrives at the Centre, prior to adoption. The centre has to generate all of its own operating costs themselves through local fund raising. They are in need of dog/cat baskets, blankets, food etc....

Once again in 2019 we have the usual Horse Race, Duck Race and May Day Rallies arranged, as well as the Harvest Festival Rally at Chatsworth House. We look forward to seeing you on the rally field.

**Wayne Langford**

Charity Co-Ordinator

## SPORTS OFFICER'S MESSAGE

Dear Ralliers, I have enjoyed my first year as sports officer on the committee. We all had a successful time at Mayday, everyone got involved and had a great time.

It has been nice to see the SYC netball team make an appearance on the carnival floats throughout the year!

Again, I would like to invite any marshals to let me know if they would like me to organise any sporting activities on their rallies, or if they need any equipment just to ask, I will be more than happy to help. I look forward to another great year for The South Yorkshire Centre!

Thank you **Gav Smith**

# YOUTH COMMITTEE 2018-2019

## YOUTH CHAIRPERSON'S MESSAGE

**Dear Ralliers,** My name is Olivia Oxby and I have been selected to be the Youth Chair, which means this is my second year taking on the role. I have been on the youth committee for 3 years now. The 2018-2019 committee has 14 members. The new committee will be helping to run two rallies next year; the youth rally in the summer at Willow Fields and the AGM. You will also see us out and about running tuck shop, bonus ball and sporting activities on many of the rallies throughout the year. We are a great team and look forward to meeting you all on the rally field.

## SOUTH YORKSHIRE CENTRE QUEEN

### **Hello South Yorkshire Centre Members,**

Since being chosen to be the Centre Queen at the Valentine's rally in February, it was a very busy time to prepare for my crowning at Mayday.

At Mayday, the centre came together to make my crowning on the Sunday a special day, everyone put on their best clothes, even the boys put on their suits, despite the boiling hot sun!

The next time we all got dressed up and represented the centre was at Bakewell carnival. We had perfect weather once again. Everyone helped to put the float together and the finishing touch with the path made the float look extra perfect. Alongside my beautiful attendants Libby Bamber, Evie Barton and my handsome pageboys Riley Weaver and Isaac Bamber, we all had a carnival to remember when we got first place Visiting Queen.

At Barlow carnival, the weather was on our side as we won first place for Visiting Queen. Along with second place for Queen and Retinue and princess Libby and pageboy Riley both receiving third place. Barlow carnival was definitely a highlight from the year.

Following Barlow, we represented the centre at Eyam carnival. We won first again for float, Isaac

got third and Riley won first for the pageboys. Through all the carnivals we have been so lucky with the weather and at all three carnivals to win three first places. Along with having centre members in the crowd cheering for us, it has definitely made this opportunity memorable for us all.

I would like to thank everyone who helped put the float together and make the carnivals as memorable as possible; my mum and dad, my nan and grandad John and Barbara Oxy, Auntie Karen and Uncle Wes, Paul and Vicky Weaver, Tim and Joanne Bamber and Karen and Neil Barton. We have had a fantastic year and thoroughly enjoyed representing the centre. Thankyou to the whole centre for your support, it really is what makes SYC simply the best!

I would like to thank South Yorkshire Centre for allowing me this opportunity to be Centre Queen, it has been a fun unforgettable year and has allowed me to gain confidence. I can not stress enough how wonderful an opportunity it has been for me and what a wonderful tradition the centre Queen is!

**Your 2018-19 Centre Queen Olivia x**

They will do their best to accommodate this and ensure you are able to avoid the area being photographed/filmed.' Where images including clearly identifiable people are submitted by the Centre to the Club for publication, the individuals must have given the Centre permission to take and use images in all and any media by use of this wording.

# WHY NOT TRY A RALLY?

## WHAT IS A RALLY

A rally is a gathering of Caravan and Motorhome Club members, who enjoy the odd weekend away, with fun and fellowship thrown in for good measure.

## THE RALLY OFFICER

Your Rally Officer isn't an official like a Traffic Warden, but a friendly face to meet you when you arrive and has arranged the weekend for you.

## WHAT TO DO

After you have booked your rally and the weekend arrives, just follow the directions in the rally book. As you approach the rally field you will see small directional signs with SYC on them to help you find your entrance. On arrival you will find the Rally Marshal waiting for you at the rally office, which is usually the first van you see and has another sign outside so you can find him. Once you have booked in he will hand you an envelope containing the programme for the weekend and show you to the pitch. The field is marked out with ample space between caravans and with a tidy appearance. It is intended that the front offside corner of your caravan is on the marker and your car is parked on the offside. You can usually save a place for a friend, by placing something large (wellie or bucket) on an adjacent marker. You will also be shown where the fresh water tap is and the elsan disposal.

If the red flag is flown during the rally, this denotes vehicle movement must be restricted (see rule 23); please consult the Rally Marshal if you wish to move your car.

The rally fee (which you pay on arrival, unless otherwise stated) includes your pitch, competitions and activities on the field. Optional extras are admission to the social and suppers all at a modest cost.

## SOCIAL ACTIVITIES

The rally may include a social on the Saturday night which is a family event. Sometimes a dance or fancy dress and in the summer a B.B.Q. Your weekend often includes a competition or games for children and adults alike. All these are entirely optional, but are always good fun.

## FLAGPOLE

You may have heard of strange goings on around the flag, don't be alarmed, this is also a fun event and is where you and your fellow ralliers gather to hear results of competitions, welcome visitors and new ralliers, announce forthcoming events and rallies and most important, to thank the rally officers.

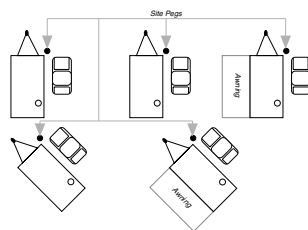

## WHAT DO YOU NEED

To be a rallier you need all the usual equipment plus a few extras. Your own toilet facilities (which must never be taken near the fresh water tap) and a few blocks of wood for levelling your van on sloping fields. You will also be required to take your dry waste home with you. Why not give it a try? If in doubt give us a ring (any Committee member or Rally Marshal).

## SITING OF CARAVANS/MOTORHOMES AT RALLIES

Where Rally Marshals have set out site pegs, the caravan/motorhome should be parked with the front offside corner as near to the peg as possible, unless told to do otherwise.

**Please Note**, all vehicles to face the same direction to ease evacuation in case of emergency"

# CARNIVAL FLOAT 2019

Each year our Centre enters a children's float in the carnivals at Bakewell, Barlow and Eyam. It's a great fun day out and a chance for you and your kids to get together and make friends with others on the float. These rallies tend to book up quickly so please book early. If you can't make the rally why not come for the day?

Look out too for our Queen and her attendants on their float and give them a wave.

## 2019 theme: Scarefest

### Who gets to go on the float?

All children of any age can go on the float. Younger children should be accompanied by an adult but older children will be supervised. All we ask is that you dress in the theme of the float. Adults will be encouraged to dress up and provide walking support for the float.

### Who makes the float?

All of us! We'll have a get together at the Valentine Rally asking for ideas to decorate the float and volunteers to help make decorations, then meet up from time to time. If we all do a bit it adds up to a lot!

### What happens on carnival day?

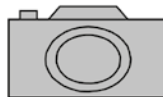

Its all hands on deck from about 9.30 am to put the float together. Then its back to the van to dress up and assemble on the float when its time to leave. The float then makes its way to the parade area to line up with the other floats for judging. It takes quite a while for all the judging so the children are provided with a drink and crisps but you may wish to send your child with a little picnic to have whilst we are waiting. Then its parade time with lots of smiles and waving!

For more information and how to get involved please contact Jeanette Brasher, our Carnival Co-ordinator. (Her contact details are on page 2.)

# Caravan spacing on Rallies

Your rally marshals will have set out the spacing on rallies according to the rules, but please observe the following guidelines to make their job easier and keep everyone safe:-

**Please Note**, all vehicles to face the same direction to ease evacuation in case of emergency

Ever fancied practising reversing your caravan but haven't got the space?  
Feeling competitive or just want to improve your caravan handling skills?  
Then why not come along to a CMC event this year?

There are classes for novices, as well as the more experienced drivers, and always plenty of things for the family to do. We rally all over the East Midlands, Lincolnshire and Yorkshire, taking part and having fun, on a weekend away.

For further details contact Sal Robertson (CMC Events Secretary)  
Email: [cmc.events@hotmail.com](mailto:cmc.events@hotmail.com) or visit the CMC website: [www.cmctracktest.co.uk](http://www.cmctracktest.co.uk)
