

Newsletter – Summer 2019

Hi everyone

Here is your Summer Newsletter. I have put this seasonal update together for you to catch up with the latest news. Please read the important notices.

We look forward to seeing you all during the second half of the 2019 rally programme, and hope the weather returns to 2018 standards

As it's carnival time your help is always needed and appreciated to help dress and undress the float from 10am, please see Jeanette or Darren Brasher or just make your way to the float

SUMMER

Have a good one!!

Mrs Janet Elshaw

Hi All,

I cannot believe that half of the year has already passed by!

We have had some great rallies so far. Easter this year was a complete opposite to last years. The sun shone all of the weekend and some people went home rather red.

Mick and his team held the famous egg hunt on the beach followed by the sandcastle building competition, which had the most I've ever seen.

The May Day was a little cooler but we still all had a great rally. A fab time was had with our team captains Karen Barton and Graham Jaques leading the way and our 2019/20 Centre Queen, Iona Glover was crowned and what a fantastic speech she made. Well done and good luck to Iona and her attendants Paige Fisher, Neve Padmore and Nell Brasher. I am sure you will have a fabulous experience in the Carnival Parades and just remember as far as South Yorkshire are concerned you are all WINNERS.

This year's carnival float is themed 'Scare Fest, so get out those Halloween costumes and come and join in. Please attend all the carnival rallies if you can, to support our float and the Centre Queen.

There are still many rallies to follow this year and I hope you enjoy attending them. Thank you to our Marshals for their time and efforts in organising and running them.

If you've not run a rally previously and would like to, please speak to Paula Oxby or one of the Committee and get your rally on the programme. It's good to visit the old rallies and venues, but new ones keep the centre evolving and we need new Marshals to do this.

It's also that time of year where we are looking to recruit the next Committee, if you feel you have some time and expertise to offer here, we would love to hear from you, again it's your new ideas that keep us evolving.

Have a great summer and we hope to see you on the rally field soon.

Thank you

Janet
