Carnival Float Theme 2024

'Paris Olympics, SYC Style'

Each year our Centre enters a children's float in the carnivals at Bakewell, Barlow and Eyam. It's a great fun day out and a chance for you and your children to get together and make friends with others on the float.

These rallies tend to book up quickly so please book early.
If you can't make the rally, why not come for the day?

Look out too for our Queen and her attendants on their float and give them a wave.

Who gets to go on the float?

All children of any age can go on the float. Younger children should be accompanied by an adult but older children will be supervised. All we ask is that you dress in the theme of the float. Adults will be encouraged to dress up and provide walking support for the float.

Who makes the float?

All of us! We'll have a get together at the Valentine Rally asking for ideas to decorate the float and volunteers to help make decorations, then meet up from time to time. If we all do a bit it adds up to a lot!

What happens on carnival day?

It's all hands on deck from about 9.30 am to put the float together. Then it's back to the van to dress up and assemble on the float when it's time to leave. The float then makes its way to the parade area to line up with the other floats for judging. It takes quite a while for all the judging so the children are provided with a drink and crisps but you may wish to send your child with a little picnic to have whilst we are waiting. Then it's parade time with lots of smiles and waving!

For more information and how to get involved please contact Jeanette Brasher – Carnival Co-Ordinator.

Carnival Float Theme 2024

'Paris Olympics, SYC Style'

Each year our Centre enters a children's float in the carnivals at Bakewell, Barlow and Eyam. It's a great fun day out and a chance for you and your children to get together and make friends with others on the float.

These rallies tend to book up quickly so please book early.
If you can't make the rally, why not come for the day?

Look out too for our Queen and her attendants on their float and give them a wave.

Who gets to go on the float?

All children of any age can go on the float. Younger children should be accompanied by an adult but older children will be supervised. All we ask is that you dress in the theme of the float. Adults will be encouraged to dress up and provide walking support for the float.

Who makes the float?

All of us! We'll have a get together at the Valentine Rally asking for ideas to decorate the float and volunteers to help make decorations, then meet up from time to time. If we all do a bit it adds up to a lot!

What happens on carnival day?

It's all hands on deck from about 9.30 am to put the float together. Then it's back to the van to dress up and assemble on the float when it's time to leave. The float then makes its way to the parade area to line up with the other floats for judging. It takes quite a while for all the judging so the children are provided with a drink and crisps but you may wish to send your child with a little picnic to have whilst we are waiting. Then it's parade time with lots of smiles and waving!

For more information and how to get involved please contact Jeanette Brasher – Carnival Co-Ordinator.
