

Guild B Annual Luncheon: Support Life-Saving Emergency Response

Guild B is proud to host its annual fundraising luncheon to support a vital community need—the purchase of a side-by-side utility vehicle for Lake Chelan Health EMS. This off-road response unit will help reach people in emergencies where ambulances can't go.

Why It Matters

From steep trails to remote backroads, our region is beautiful but challenging when emergencies strike. Whether it's a hiker in distress, a boating injury, or wildfire trauma, this vehicle will allow EMS crews to:

- Access hard-to-reach areas faster
- Safely transport patients to ambulances or helicopters
- Respond quickly when every second counts

This Year's Goal

Proceeds from this year's luncheon will go directly toward purchasing and equipping a life-saving emergency response vehicle with vital medical supplies. Our goal is to raise \$55,767 to fully fund the unit.

Your Support Makes the Difference

- Faster response times
- Greater safety for residents and visitors
- Emergency care that can go anywhere it's needed

Whether you live here year-round or visit seasonally, your contribution helps protect this incredible community.
