

Capability Statement

-  Infrastructure Development
-  General Contracting
-  Renovation & Remodeling
-  Build to design

ABOUT US

Fischer Construction WA Pty Ltd is a Western Australian construction contractor delivering specialist civil, structural concrete, marine and industrial construction services across infrastructure, mining and commercial sectors.

Founded in 2025 by an industry professional with over 18 years of construction experience, Fischer Construction combines hands-on trade knowledge with senior site leadership experience across complex projects in Western Australia.

From carpentry foundations through to superintendent-level project leadership, our team understands the practical and operational requirements required to safely deliver quality outcomes on demanding projects.
