Mark your calendars!

Join us on July 26, from 2:00 to 4:00 p.m., as we gather lakeside once again to connect with neighbours and friends. Our AGM is an important opportunity to stay informed, ask questions, and help shape the future of Wolfe Lake. Your voice matters, so please attend and take part in decisions that support our community and lake stewardship. COME!

Location & format

The AGM will be held in one of the sections of the main building. Lots of parking space is available. Additionally, the boat parking area will be available for those who wish to use it.

The meeting will follow our familiar and friendly setup, with interactive stations focused on key community topics.

Renew before the AGM & win a handcrafted maple treasure!

Your membership helps keep our Wolfe Lake community connected and supports the work of the Wolfe Lake Association throughout the year.

To encourage early renewals before the AGM, our Treasurer, who is also a talented woodworker, has generously donated **several beautiful handcrafted maple creations**.

You could win: a stunning **spalted maple bowl**, a **maple leaf twist pen**, or a handcrafted **maple rolling pin**.

Simply renew your membership on or before the AGM, and your name will automatically be entered into the prize draw.

Special Presentation 2026 | Neighbours saving Neighbours Initiative

This year's AGM program will be an interactive presentation on the value of volunteer first responders in rural communities. Guest speakers Dr. Steven Brooks and Dr. Vlad Latiu, of the Neighbours Saving Neighbours initiative (Queen's University and Frontenac Paramedics), will inform us how local residents can help improve emergency response and potentially save lives around our lake. COME and LEARN how this initiative could HELP SAVE LIVES in our OWN COMMUNITY.

We look forward to seeing you on July 25!
