The Westport Area Outdoor Association will be once again organizing the 'Wolf Howl Ice Fishing Derby' on Saturday February 15. This is a popular community event that brings everyone together on the frozen waters of Wolfe Lake. So, come out and enjoy!

Ontario Family Fishing (OFFW) events make it easy to try fishing in Ontario waters for the first time (or the first time in a long time). Twice a year, the government of Ontario designates several days during which Canadian residents can fish license-free in any water body where fishing is allowed. If you've been thinking about giving ice fishing a try, this Family Day weekend is the perfect time to get hooked.

Canadian residents can fish anywhere in Ontario from Feb. 16-18 without having to buy a licence. It's the first of four free fishing events this year, with the others falling on Mother's Day weekend (May 11-12), Father's Day weekend (June 15-16) and family fishing week (June 29-July 7).

Free of charge

A day-long sport fishing licence costs around \$15 Ontario. So, for newbies its a great way to get acquainted with this form of fishing.
