

INFORMATION FOR BOATERS ON WOLFE LAKE

Professional signs will be installed at 3 boat launches

The Wolfe Lake Association will be informing members and visiting boaters of some useful information - reminders to practise responsible boating and to clean, drain and dry all fishing gear and boats entering Wolfe Lake - to avoid spreading invasive species and diseases. We have done this in the past, primarily via laminated paper notices at the boat launch on 10th Concession Road. Those messages were in a real need of updating.

WLAW volunteers at work!

Next spring (2024), brand new professional signs will be installed at the three boat launches on Wolfe Lake: on 10th Concession Road, on Wolfe Lake Road, and at the south end of Wolfe Lake, on Westport Road (County Road 8).

Thanks to the **Township of Rideau Lakes** and **South Frontenac Township** staff, two of the sites have already been prepped for us – one on 10th Concession and the other at the lake’s south end. We’ll install those signs next spring.

The preparation of the remaining launch on Wolfe Lake Road will be tackled in the spring of 2024 as well and installed accordingly.

Thanks also to **Herlehy Home Building Centre** for giving us a discount on the wood.

From our side, Brian Manthey, Larry Arsenault, Bill Garland and Gord Moore volunteered their time and skills to design and build the sign structures.

FRIENDLY REMINDER ON MEMBERSHIP DUES

We rely on your support through membership dues and donations to help fund our ongoing project and initiatives. If you haven't yet sent in your 2023 dues, kindly consider doing so today, as we're behind on membership dues this year. On wolfelake.org you'll find details on how to make your payment to the WLAW. Thank you for your support!
