Dr. Steven Books and Dr. Vlad Latiu | Neighbours saving Neighbours Initiative
OUR HEARTS, OUR HEALTH & ONLY MINUTES TO SAVE IT

The highlight of this year's AGM program will be an interactive presentation on the value of volunteer first responders in rural communities. Guest speakers Dr. Steven Brooks and Dr. Vlad Latiu, representing the Neighbours Saving Neighbours initiative (Queen's University) for the Frontenac area, will discuss how local residents can help improve emergency response and potentially save lives around our lake.
