

## HAPPY NEW YEAR Hello Wolfe Lakers

Although we are already two weeks into January, I hope it is not too late to say this: on behalf of the Wolfe Lake Association Westport (WLAW) Board of Directors, I would like to wish you and your families a very happy and healthy New Year.

Each new year at the lake feels like a fresh chapter, one that will bring new seasons, new moments on the water and shoreline, and new opportunities to care for this special place we all love.

We would like to extend our sincere thanks to our many volunteers for lending your time and talents to help protect and preserve Wolfe Lake. As a volunteer organization, we depend on the goodwill and support of our membership. Thanks to these efforts, WLAW continues to meet the demands of our many projects, while fulfilling the aims and objectives of our association. Your dedication strengthens our shared passion for Wolfe Lake and fosters the strong sense of community that makes this lake so special.

We are very much looking forward to the year ahead, with many opportunities to support our wonderful lake, and to see you enjoying Wolfe! You can expect a number of News Flashes in the coming months with updates and topics of interest. We are already preparing the 2026 edition of the Wolfe Lake Magazine, which will be a special one: our tenth anniversary edition! That's why we are planning a truly festive issue to celebrate this milestone.

**Would you like to contribute, or do you have something to share with our members?**

Please don't hesitate to let us know. **Your voice is important!**

With appreciation and very best wishes,

Anna Rijk
