

Wolfe Lake Association

WESTPORT, ONTARIO

Wolfe Lake Association President, Brian Manthey is stepping down. The role consists of leading the executive team dedicated to the preservation and enjoyment of Wolfe Lake. Over the years, this team has implemented many successful initiatives such as water testing, spawning ground restoration, habitat enhancement and landowner protection against strip mining and adverse development restrictions. If you are a property owner on Wolfe Lake and want to be part of an organization whose stewardship (**A**wareness, **A**dvocate and **A**ction) benefits our living community reach out and be part of the team. If you are interested and want to know more, than let's chat – 613 273-7632 and ask for Bill.
